HOWL MADE FOR AA BALL

Bartholemy, in First Endeavor Above City League Class, Catches Cool Game With Style of Major. Evans Hit 5 Times in 5th.

BY ROSCOE FAWCETT. SEATTLE, Wash., Sept. 20.—(Special.)—There is no joy in Seattle to-night and the fans are wearing crepe on their shirt sleeves. They are wip-ing their eyes with the pennant. Portland's Coast League fifth-placers came up and gave the Seattle cham-pions of the Northwestern League a drubbing that will be remembered as long as the totem poles stand guard over Ploneer Square.

Portland greeted Charley Schmutz with a baptism of base hits and drove him off the mound in less than one inning, and four runs off Charles in as many minutes helped the Coast League team to a 7-to-3 victory over Seattle.

Coast League Ball Asked. About 2500 fans turned out for the post-Northwestern League season finale, and when it was all over cries of "Give us Coast League ball" were to be heard in all sections of the grandstand.

If Southpaw Rube Evans hadn't allowed five hits in a bunch in the fifth inning, the rout would have been as complete as that in the neighborhood

First Five Up Hit Safely. The Beavers really looked very, very good, even without the services of the poor, unfortunate Bill Speas, and of the veteran catchers Fisher and Carish. If you don't believe it, look at the box

Bartholemy's Style Is Big League. Portland rang up its final run in the seventh when Guigni booted Ward's grounder and Bartholemy doubled to center. Jack Smith, the Seattle left fielder, who goes to the St. Louis Cardinals tomorrow and who is rated as the fastest man in organized baseball next to Dad Meek and Tub Spencer, was on first base three times. Bartholemy had heard so much of Smith's speed that no doubt he would have thrown to third had Jack ever started down from first base. But Jack is A-B leaguer, and Jack didn't know that neither of and Jack didn't know that neither of the Portland catching regulars was with the Coasters, so of course Jack went to seed on first base, along with the Coasters I Learne to seed on first base, along with the cool of the evening. The sixth run was registered in the fourth inning on a single to left by Lober, Carlisle's double to left and Southworth's sacrifice fly to right.

This made the score 6-0 in favor of the Coast Leaguers. So little wonder Rube Evans eased up. In the fifth, the Northwestern Leaguers made their one singled to third, McIvor doubled down the right field foul line and Cadman doubled into left center scoring Morse, Jack Smith's single to left and an infield out tallied the other two.

CARTRIDGES

For Rifles, Revolvers or Pistols

The most accurate shooting rifle, revolver or pistol made will do unsatisfactory work unless the cartridges used in it are as accurate as the arm. For that reason it is important when buying to get cartridges that have an established reputation for quality. Winchester-the W brand of cartridges in all calibers from .22 to .50 are unexcelled for accuracy, penetration and uniform shooting qualities. They cost no more than inferior makes and are for sale everywhere. If you want to get the most satisfactory results with your rifle, revolver or pistol, always use Winchester ammunition. Do not simply ask for "some cartridges" when you buy, but be sure to specify Winchester make and look for the bold W on the box.
