

**FEATURES VARIED AT YAMHILL FAIR**

Livestock Barns Crowded and Display of Fruit and Vegetables Declared Excellent.

**GUARDSMEN FURNISH FUN**

Variety of Military Contests Arranged and Staged and Carnival Attractions Provided—Parade and Sing on Today's Programme.

YAMHILL, Or., Sept. 21.—(Special.)—The tenth annual county fair, with its attending stock show, poultry exhibits and carnival features, opened this morning for four days with a good attendance. The stock barns are taxed to their capacity and the display of fruit, in jars and fresh, is excellent. The vegetable and garden products are better than ever.

Some school districts did not display their products and results of the children's year of work. This may be attributed to sudden and unexpected changes in the management of some districts, also a change in the residents and the attending pupils. Yet the fair is great, with many startling features.

Today's happy crowd was entertained with special athletic features conducted by the members of Company A, Third Infantry, Oregon National Guard, managed by Harry M. White, who is in charge of the entire athletic programme. There was a wall-scaling contest between two selected squads of eight men, the winners going over a 16-foot wall in 41 seconds, wearing full field uniform, blanket roll, belt and bayonet. Then followed a potato race for small boys, after which there was a tent-pitching contest. The winners of first place were Sergeant Byron C. R. Stevens and Sergeant Claude C. Hayes; second were T. Petersen and L. Petersen. Time, 2:55.

The novelty tug-of-war between two teams of four men each was won by Martin, Manley, Petersen and Venable. The winners in the wall-scaling were Sergeant Hayes, Corporal Vanatta, Privates Manley, Petersen, Venable, Weston, Eckman and Smith.

Captain F. L. Michelbook officiated as judge, assisted by Lieutenant Hopfield. Captain Butler of the carnival company made his high dive, which will be a daily free event. Superintendent Brown of the fair board reports an excellent list of entries of horses and cattle, as well as other stock. He notes a grand massing of the entries for a parade Thursday. A feature for tomorrow will be the Women of Woodcraft parade and the community sing in the evening.

Attendance Increase of One-Third Is Early Indication.

ORENCO, Or., Sept. 21.—(Special.)—The Orenco public school opened Monday with an enrollment of 160. This practically is an increase of one-third over the first day last year. The new addition to the building for high school purposes is about completed and includes two recitation rooms, laboratory, library and principal's room, together with a large auditorium and study room, seating about 150 pupils.

The staff of teachers consists of R. L. Wann, principal, Misses Pechin, Jones, Whites in the grades; C. F. Grover, principal of High School, with Miss Woodruff as assistant. An increase in attendance is expected as soon as harvest is over.
