BOXING -- Imperial Club

5 BOUTS, 20 ROUNDS FRIDAY NIGHT, SEPTEMBER 24 ARION HALL Bleachers 50c, Main Floor, \$1,

MAYBE you're one of these reformed grinders yourself and know how they like to meet and talk about the little chew that satisfies. When you meet a non-member puddling a big wad in his cheek don't you feel like stopping him and giving him the facts about the Real Tobacco Chew?

A little chew of pure, rich, mellow tobacco-seasoned and sweetened just enough-cuts out so much of the grinding and spitting.

ASK YOUR DEALER FORW-B CUT CHEWING TOBACCO. IT IS THE NEW REAL TOBACCO CHEW-CUT LONG SHRED. Take less than one-quarter the old size chew. It will be more satisfying than a mouthful of ordinary

tobacco. Just take a nibble of it until you find the strength chew that suits you, then see how easily and evenly the real tobacco taste comes, how it satisfies, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it is The Real Tobacco Chew. That's why it costs

The taste of pure, rich tobacco does not need to be covered up. Am excess of licorice and sweetening makes you spit too much. One small chew takes, the place of two big

chews of the old kind. ((Notice how the salt brings out the rich tobacco taste.)) WEYMAN-BRUTON COMPANY, 50 Union Square, New York City
