Earlier than the ninth, however, the Oaks were robbed of a good opportunity to win by a blunder in base-running by Francois Hosp. Presumably Hosp thought two were out when Johnston drove a high fly to Speas in the sixth, for he tried to score from second base on it. Speas doubled him out at second to Ward. Hosp tried to blame his mistake to "Lefty" Leverenz on the coaching line.

PARE-TAL objection is keeping Leonard Greer off the Jefferson High School football squad. Young Greer is the brother of the famous Tom Greer, formerly of the Lincoin High School, and he is an athlete of no mean ability. While in grammar school, Leonard was one of the mainstays of the Kerns champlenship seccer eleven. He intends to go out for seccer at Jefferson High.

Eddie McAllen, all-star fullback of the Portland Interscholastic League a few seasons ago, wants to get back in the game. At present Eddie is in the pink of condition and he is figuring on playing with the O.-W. R. & N. representatives if present plans of the rallroad company are carried out. If he doesn't play with the rallroad team, he will be seen in action with Manager John D. Dwyer and his second Multinomah Athletic Club contingent.

THE Williams-Ertie dispute has been settled as bear as it ever will be. The newly organized American Boxing Association has been called on to make its final decision in pusilistic affairs.

It would seem that the new association will fill a very large niche in the pugilistic world if it will receive recognition in such cases as the Williams-Ertle affair.
