"University of Oregon should score three or four touchdowns at least against Whitman College when they meet," said Captain "Red" Rupert, of the Multhomah Amateur Athletic Club football team, who returned from Walla With his athletes yenterday morning. The winged "M" contingent won from Whitman College 6 to 0 Saturday, and on the previous Saturday the University of Oregon went down to defeat 16 to 7 at the hands of the Portland Tepresentatives on the Eugene field.

Heavy rains and a sloppy field largely were responsible for the low score against Whitman Saturday, according to the returning warriors. The lone touchdown came within five minutes after play opened as a direct result of a forward pass, Os Day to Donaldson, a couple of end runs by De Witt and Francis, and then straight line plunges. Captain Rupert scored the bix points.

Bill Budden and "Hippo" Watson "dilly-dailied" along, and before they knew it the train bearing their teammates out of Portland had left the station. It was then too late even to catch a train that would get there before the confest.

Portunately, no serious accidents happened. Captain Rupert yesterday said that he was ready to go in one of the line positions had the occasion called for it, because of his two siar linemen's missing the trip.

Because of the inclement weather the attendance was far from satisfactory.

attendance was far from satisfactory. Most of the seats are bleachers, and as there was no covering to protect people from the rain, few put in an

appearance.

The next game for the club is scheduled for Multnomals Field October 18, when the Washington Athletic Club, of Scattle, Wash, will be the opposition. On the following Saturday the Tahoma Athletic Club, of Tadoma, Wash, will send down its moleskin artists to do battle against the locals. As no contest will be played on the local field next Saturday, Captain Rupert has outlined a strenuous week of practice. He has issued orders for all to be on hand tomorrow night at 7:30 o'clock, and at the same time Thursday night. Scrimmage will be held on both occasions, and again next Sunday morn-

casions, and again next Sunday morn-

The addition of Wallace do Witt and Johnny Parsons to the Multnomah Club backfield has added considerable strength to the Francis-Day-Rupert combination. Both athletes showed old-time form against Whitman, according to the reports issued and the cording to the reports issued, and they haven't reached their mid-season form

George Varnell, the popular Spokane George Varnell, the popular Spokane referee, handled the game at Walia Walla Saturday, and he got away to a good start. The umpiring, however, was not exactly "up to snuff," say the cardinal and white delegates. Captain "Mother" Hunt, of the Uni-versity of Washington squad, came mear not being on Coach Dobie's team this Fall. "Mother" spent most of his last Summer in the harvest fields, and it was while he was performing his daily duties that one of his arms be-came caught in part of the machinery on a threshing machine. Good fortune was with Cap Hunt, and he escaped with but a few scratches to show for his synerience.

Because the Aberdeen High School called off its game with the University of Washington athletes at Scattle last Saturday. Coach Doble raked up an eleven called the Ballard Meteors. Of course, the outcome was in favor of the state university 31 to 0. Even though his machine was working mighty good under the circumstances. Gil Doble is "hollering" that the University of California will surely defeat his protoges when they meet.

Coach Hugo Bezdek will send his University of Oregon contingent against the Washington State College at Pullman, Wash, next Saturday in the first conference match of the season for both teams. While this affair is being wased, Coach Dr. E. J. Stewart will attempt to wrest a victory from the Whitman College bunch at Corvallis.

Snowdenian and Velga Lead.

The British steamer Snowdenian, under charter to Kerr, Gifford & Co., and the British steamer Volga, booked by the Portland Flouring Mill Company, both of which have been loading grain here, should get away this week. The cargoes of both vessels are almost completed. The Snowdenian is loading at Montgomery dock and the Volga at the elevator of the Portland Flouring Mills.

The work of lining the British steamer Haigh Hall, under charter to load grain here for Kerr, Gifford & Co., is still in progress at the Eastern & Snowdonian and Volga Load.

While Recorder Soremen was tributing the Charter to the ers, he made a house-to-the census which showed that is still in progress at the Eastern & Western Lumber Company's dock. The vessel probably will be shifted to Mont-gomery dock for loading.

Exclusive of the E. H. Vance, the grain tonnage now in port since the arrival of the Fahrwohl totals 11,566.

The en route tonnage is now 78,580.

While Portland is playing the Salt Lake Bees at Salt Lake this week, Oakland will be trying to down Los Angeles, and the Vernon Tigers will try to get into the first division as a result of its work against San Francisco at San Francisco. Because of the long jump to Los Angeles, Oakland will start its series Wednesday, while the other contests will begin tomorrow afternoon.

Perfect Weather Favors Hunters and Fishermen.

NEW YORK, Oct. 3.—With the winning of the National League pennant by Philadelphia Wednesday and the capture of the American League title by Boston the day following, the major league season of 1915 was virtually closed. There remain only the struggies for position on the part of several of the other clubs and the world's champlonship series, which opens on Priday next in Philadelphia.

On form, Boston should win the series and the betting favors them, but there are numerous followers of the game who are counting upon the game.
