With each table bearing illustrations in water colors of the state flower of the state from which the delegates hail, the dinner being prepared for the National officers and delegates of the Woman's Christian Temperance Union at the Chamber of Commerce next Friday night promises to be a most interesting and cordial expression of hospitality. The card will be the work of Mrs. Lulu Russell Stadler. An Oregon hostess will be seated at each table.

Boole, of Brooklyn, N. Y., making the presentation.

At 6 o'clock a public reception will be given in the green room of the Chamber of Commerce. The receiving line will contain the National officers and many of the well-known state officers of the temperance societies as well as Oregon and Portland officials.

State Delegates Expected. Presidents of all the 20 societies in Portland will be marshaled under the leadership of Philip S. Bates and will care for the comfort and entertainment of guests.

It is expected that most of the delegates now attending the state convention of the Woman's Christian Temperance Union at Newberg will come to Portland to take part.

Portland has won two prizes in the National contest in temperance work in the public schools. It is expected that great interest will attach to the speech of Mrs. Edith Smith Davis, National superintendent of temperance work in the public schools.

Varied Programme Arranged. Mrs. C. L. Buland is general chairman of the committee. The receiving of the banquet at 7 o'clock, and has arranged a programme as follows:

Solo, Miss Grace Crow, accompanied by Miss Jessie Lewis, addressed to welcome Mayor Albert, C. C. Cobb, Portland Chamber of Commerce, Philip S. Bates, Federation of the Societies, Mrs. Sarah A. Evans, State Federation of Women's Clubs; Mrs. Robert Tate, Child Welfare Workers of the Pacific Coast; St. Benson and Mrs. Mattie Smith, Multnomah County Woman's Christian Temperance Union; Mrs. Edith Smith Davis, National superintendent of temperance work in the public schools; and the Junior League of Portland.

Amateur Athletics. A RIETTA has been taken into the Spaulding Football League to replace Overland. The look of the team is improved, as Albina withdrew last week, leaving the opening spot vacant. The team last Sunday, South Portland downing Nob Hill, 21 to 0. Holly Jones, the fleet-footed player for his team, Coach McKee, of the Juniors, was doubly pleased, as Nob Hill, under the name of Weston, last year, trimmed him, 7 to 0, in the championship game of the year.

The Albina Juniors, of the Inter-city Football League, have been placed in charge of last Sunday on the Montgomery Plaza. The first game was won, 7 to 0, from the Juniors, while in the second game Brooklyn was humbled, 19 to 0. Both the Juniors and Brooklyn are in the Spaulding Football League, which averages 135 pounds, while Albina, of the Inter-city Football League, tips the scales at 10 pounds more. Several players who had constituted as to make the weights more even. Another lightweight league is being formed among teams averaging 20 pounds to the man. Already three squads have signed up and three more are wanted. If you are a member of a team of that weight get in touch with Anderson at Spaulding Bros. store, 243 Washington street.

Coach Homer Jamison is being assisted by his brother, Homer, who is in charge of the second team of the Jefferson High School. Considerable opposition is afforded when the two brothers send their squads together in scrimmage. Coach Homer Jamison has Willie Cameron, Wheeler and Goodell as first string men to be used against the Portland Academy this afternoon in case of emergency.

Speaking of substitutes, Coach "Spec" Hurlburt has Graham, Crofton and Ewing to fall back on for Portland Academy today.

Basketball practice has started among members of the Multnomah Amateur Athletic Club, and several teams are in the gymnasium each evening. The Clubhouse League will start soon, according to Chairman Harry Fischer. The league will practice on Monday night and on Friday afternoon. This will make the first time the league has ever entered an eleven in the league.

Following are the lineups of the South Portland and Nob Hill teams, who will meet on the South Portland Bottoms last Sunday: Lawrence, Nob Hill (C); Clouse, Nob Hill (R); Miller, Nob Hill (R); Porter, Nob Hill (R); Moore, Nob Hill (R); Puck, Nob Hill (R); Harding, Nob Hill (R); Moore, Nob Hill (R); Jones, Nob Hill (R); Kuriz, Nob Hill (R); Refares, Nob Hill (R); field judge, Jimmy Idaho, Moscow; timer, Bobby Evans.

Washington High School and Franklin High will furnish the second football game of the 1915 season of the Portland Inter-scholastic League, on Multnomah Field, next Friday afternoon. This will make the first time Franklin High has ever entered an eleven in the league.

Originally the opening of the local Inter-scholastic League was scheduled for yesterday afternoon, but because no team could be mustered together on short notice after school opened the Hill Military Academy withdrew from the circuit for the time being. The cards were billed to appear against Coach Stanley Borleske and his Lincoln High athletes.

Montavilla won the championship of the Wright & Dixon Baseball League last Sunday by defeating the Vancouver (Wash.) Soldiers, 5 to 3. French, for the Soldiers, struck out 17 of the opponents, and allowed but one hit, but his wildness with men on bases proved his downfall. Swift, for the winners, was touched up for four singles.

Soccer practice for the Multnomah Amateur Athletic Club squad will be called by Manager John D. Dwyer within the next few days. Plans are being made to play out-of-town games this season, not only with the University of Oregon representatives, but with an aggregation from Tacoma or Seattle.

White Knocks Out Matty Baldwin. BOSTON, Oct. 5.—Matty Baldwin, of this city, New England lightweight champion, was knocked out in the first round tonight in a 12-round match by Chaquille White, of Chicago. It was the first knockout ever scored against Baldwin.

ATHLETES ARE STUDIOUS

UNIVERSITY COMMITTEE AT HEARING LEARNS OF RATINGS.

Two-Hour Session Closes With Consideration of Report on Class Work and Financial Value.

UNIVERSITY OF OREGON, Eugene, Oct. 5.—(Special.)—President Campbell's appointed committee, on the investigation of evils and advantages of intercollegiate athletics, met and adjourned at the end of another two-hour session in which time Registrar A. R. Tiffany's report of scholastic standing was discussed and accepted.

It was brought in tonight's session that athletes do not concentrate on any one subject or group of subjects, but seem to be receiving a thorough university education in courses which require more than the average preparation.

In addition, it was further pointed out that a man participating in intercollegiate athletics maintains a higher standard of grades than a like number who are carrying on any other student activity.

Receipts from football not only support the activity, but the surplus has been used to keep debating teams from going behind on their expense accounts. No admission is charged at any of the intercollegiate debates held on the local campus.

The burden of wrestling and tennis also has been drawn from the coffers of the football fund.

Basketball, baseball and track apparently manage to keep their expense accounts under the limit.

Beckett is Put at Half, Snyder at Tackle and Callison at Guard. Tuerck is First Substitute.

UNIVERSITY OF OREGON, Eugene, Oct. 5.—(Special.)—It was a new University of Oregon football team which Hugo Bezzek sent through the hardest scrimmage of the year this afternoon.

Johnny Beckett, ran at half, Bill Snyder worked in Beckett's old position at tackle, while Callison, the husky Eugene sophomore, was stationed at guard in this shift.

This shift was in action against Washington State Saturday.

Loyle Bigbee is still out of uniform and it is this fact which has caused a change of plans. Bill Tuerck is scheduled to go as a half just as soon as a flaw is evidenced in the new variety.

Tonight's sham battle with the scrubs was the hardest of its kind to be undergone so far this season. Beckett "called" his men right and left and showed no mercy in his driving tactics.

Beckett in the backfield and Snyder playing his new role showed to advantage. Callison has always been a hard fighter.

Ashland High to Enter Debating. ASHLAND, Or., Oct. 5.—(Special.)—The Ashland high school will enter lists for competition in the Oregon high school debating league. More than 40 schools competed for the cup last year and it is thought to enter this year. Owing to much discussion over the principles involved, the committee has decided upon the question for debate as follows: Being taken for granted that Ashland will uphold the affirmative: "Resolved, That the United States should adopt the essential features of the Swiss system of military service and training."

Maplewood Club Incorporates. MAPLEWOOD, Or., Oct. 5.—(Special.)—Articles of incorporation were filed yesterday with the Secretary of State by the Maplewood Commercial Club, the incorporators being C. Junction City to Play Sheeds High. JUNCTION CITY, Or., Oct. 5.—(Special.)—The Junction City gridiron will be the scene of a battle Saturday when the Sheeds High School will play here the first time in four years. Coach Oberbauer has the team in excellent condition. The lineup follows: Axel Jensen, C. A. Borggaard, R. G. H. Harpole, L. G. E. Woods, R. T. Williams, L. T. Sam Scheldt, R. E. F. Jensen, L. E. F. Pitney, Q. S. Thompson, L. E. Jensen, R. M. and E. Hay, L. H.

Militia Tug-of-War Team Chosen. The official entry of the Army tug-of-war team, composed of members of the Oregon National Guard, has been received by John S. Barnes, of the Rose City Athletic Club. Sergeant Harry Hanson will manage the team, which is composed of Guardsmen as follows: Hathaway, 190 pounds; Cameron, 220 pounds; Duffer, 210 pounds; Hansen, 180 pounds; Cunio, 180 pounds; Mann, 180 pounds.

Ridgefield-St. Helens Game Is Off. RIDGEFIELD, Wash., Oct. 5.—(Special.)—Canceling the opening game of the season here with the St. Helens High School football team, the Ridgefield gridiron athletes have decided to tackle the Vancouver High School second team at the Ridgefield athletic field, Saturday, October 2. Both teams are heavy and strong and have been getting into shape for the past two weeks.

Oaks to Turn Leverenz Back. SAN FRANCISCO, Oct. 5.—(Special.)—Manager Rowdy Elliott has served notice on Walter Leverenz that he had been turned back to the St. Louis Americans. The southpaw has been with the Oaks for the past month or so on an option, and it is no secret that he has not made good. It is evident that the left-hander, who was rated a star of the American League in 1913, is about through.

IMPERIAL BOUTS TONIGHT

MATCHMAKER JUST ANNOUNCES BIG CARD FOR SMOKER.

Danny O'Brien and Tommy Clark Will Meet in Main Event to Settle Old Scores.

What promises to be the best boxing smoker staged in Portland for many a day will be put on tonight in the Arion Hall, at Second and Oak streets, by the Imperial Club.

Matchmaker Charles Jost, who will referee the events, has lined up a boxing card that is hard to beat. The main event will be furnished by Danny O'Brien and Tommy Clark. Both boys met at the last Imperial smoker, and O'Brien won the decision, which was so close as to cause considerable comment and requests to have the boys rematched were many.

O'Brien declared after the encounter that he was not in the best of shape for the bout as he went in on one day's notice as a substitute for Bobby Evans, who had just fought Clark. This time, however, Danny will have no alibi, as he is in fine condition for the go, as also is Tommy Clark. The boys weighed in yesterday at 135 pounds.

The semi-windup should also prove a good contest. Bobby Evans, well known locally, will meet Jack Carpenter, who hales from Denver.

In all five bouts of six rounds' duration will make up the programme, which Jost says will start promptly at 8:30 tonight.

Another match that has created considerable interest is the one between "Sunshine" McClure, the light-heavy, who has been hurling challenges at Frank Kendall, the Rose City Club instructor, and Art Wilson, the Seattle heavyweight, who has fought Hagen and all other heavy boys in the Northwest.

In the fourth encounter Billy Mascotti will make his first bow since his latest battle with Jockey Bennett at Pendleton. The decision was given against Mascotti, but many who saw the bout said that the Portland lad should have been given a draw at the least. "Kid" Mitchell, who came to town last winter from San Francisco, will be Mascotti's opponent.

Jost had not yet selected his curtain-raiser last night.

NICKEL MENU ANNOUNCED

The dinner will be served for 5 cents as usual and will include any of the following dishes, served with coffee or buttermilk and bread:

Roast pork, celery dressing, potatoes, country gravy; Boston baked pork and

AGGIES RECLAIM HOFER

EX-CAPTAIN MAY BE ABLE TO TAKE JAUNT TO MICHIGAN.

Departure of "Dutch" Hayes Leaves Big Gap in Backfield Combination—Four Teams Busy.

OREGON AGRICULTURAL COLLEGE, Corvallis, Oct. 5.—(Special.)—Gus Hofer, ex-captain and for three years a consistent player at tackle, who broke a bone in his hand on the training trip to Newport, was on the field for practice this afternoon and was stationed at end on the second team during scrimmage practice.

His hand is still in a cast but it is probable that the big fellow will be ready for the jaunt to Michigan October 23. Just where Hofer will be placed is causing a lot of speculation. He has always played tackle but both tackle positions are pretty well taken care of by Laythe and "Pete" Anderson.

The men came through the easy affair of last Saturday in fine fettle and took things easy this afternoon getting the stiffness out of the minor bruises received. Four teams were on the field running through some fast signal practice but there was no scrimmage doled out to the athletes.

Dutch Hayes, who was rapidly carving his name on the permanent roll of backfield men, again has retired from the game because of parental objections. The loss of the fast Pasadena boy puts a big gap in the strength of the orange and black backfield. With

Vancouver May Pay 50 Mills. VANCOUVER, Wash., Oct. 5.—(Special.)—The tax levy made by the County Commissioners will probably be about 17.6 mills. The City Council last night made the levy 16.5 mills and the state levy will be 9.6 mills. The total levy then made is 36.7 mills, several mills higher than last year, though considerable pruning has been done.

Hayes in the game Stewart had two sets of backfield performers of pretty near equal ability in Hayes, Yeager, Newman, Alworth and Abraham, Billie, Hoferline and Loeck.

The playing of "Ed" Alworth at fullback in the game Saturday attracted more than usual attention.

Phil Metschan, Sr., Recovering. Phil Metschan, Sr., proprietor of the Imperial Hotel, who has been ill for some time, is expected to improve, according to information given out by

Potomine Fatal to Two Children. VANCOUVER, Wash., Oct. 5.—(Special.)—From what is believed to be potomine, two children are dead at Glenwood. Donald Caldwell, aged 3 years, died yesterday, and Roger Caldwell, aged 5 years, died this morning. It is thought that sausage was the cause of their deaths. Both are sons of Mr. and Mrs. Edward Stuard. Six other children are yet living, but some are very ill and may die.
