## GREECE MAY KEEP FAITH WITH SERBIA

Only Great Nations, Says Premier, May Break Treaties With Impunity.

DEPUTIES IN DISORDER

Vote of Confidence in Government Passed After Landing of Troops of Allies in Saloniki Has

Been Explained.

ATHENS, via London, Oct. 5 .- After Change From Varied Rule of States Premier Venizelos had explained to the Chamber of Deputies the circumstances connected with the landing of allied troops at Saloniki, the Chamber today passed a vote of confidence in the gov-ernment. The vote was 142 to 102, with 13 members not voting. Plain speaking characterized the

meeting.
Premier Venixelos accused the oppo-

by a crowd which massed behind press boxes and were compelled to stand there, the target of hisses and catcalls from the crowded galleries and the floor of the chamber.

Premier Venizelos won a triumph, notwithstanding the most determined attacks of the opposition, which protested against occupation of Greek territors. ritory by foreign troops. The Premier did not hesitate to accept the challenge. He gave a frank exposition of the at-titude of the government. "Some time has passed since the en-

"Some time has passed since the en-tente powers have made requests of Greece," he said in reply to an inter-pellation on the occupation of Saloniki. "Today they ask nothing but this— they who offer Serbia, Greece's ally, succor in the event of circumstances which would require Greece herself, under her alliance, to give Serbia help. Keeping of Trenty Urged.

"Great nations may with impunity treat treatles as scraps of paper. For smaller countries such a policy would be suicidal."

The wildest disorder broke out. The Premier succeeded in dominating the situation, his voice rising above the tumult. He cried:

"We have a treaty with Serbia. If, we are honest we will leave nothing undone to insure its fulfillment in let-ter and spirit. Only if we are roques may we find excuses to avoid our obli-

# **ELECTION TO BE PROBED**

MINNEAPOLIS DRYS TO INAUGU-BATE INVESTIGATION.

Illegal Voting, Destruction of Prohibition Ballots and Circulation of Whisky Are Charges.

MINNEAPOLIS, Oct. 5.—Charges that the west forces committed wholesale frauds in the county option election here yesterday are to be investigated by the dry workers and presented to the grand jury.

Conceding their defeat by more than sood, the dry leaders declared that good citizenship demanded a thorough investigation of the election. They said the wats would be invited to join in ascertaining the truth concerning alleged.

Citizenship Requirements

the wets would be invited to join in ascertaining the truth concerning alleged
election frauds in every ward.

Some of the charges made are: That
in many precincts, where there were
three wet judges and no dry judges, no
attempt was made to ascertain the
qualification of voters; that in some
precints men who had not been regintered in a previous election were voted.

Henry B. Ha

tered in a previous election were voted in "blocks"; that in some precincts in "blocks"; that in some precincts dry ballots were thrown away and uncounted; that whisky was freely cir-culated in an effort to influence voters.

## FRONT IS LIKE INFERNO

GERMAN OFFICER'S LETTER DE- UNLICENSED DRIVERS FINED SCRIBES BOMBARDMENT.

Effectiveness of French Artillery Lauded-Trenches So Damaged Men Must

were so damaged that we were obliged to crawl on all fours. I went shead amid uninterrupted cracklings, the bursting of grenades, the explosion of shells, the whistling of bullets, the howling of shells fragments and fogs of smoke. By holding my breath behind my respirator I got to a point where a trench had been repaired 35 times. "I signaled for our batteries, which resume a rapid fire. Then I creep back to get my telephone operators. It takes me four hours to cover the ground

to get my telephone operators. It takes me four hours to cover the ground which ordinarily could have been covered in 25 minutes.

"This is becoming frightful. An explosion throws me against a wall of a trench. A lieutenant tells me a shell struck in his shelter also. The French keep on firing into the fire. How I hate them:

"How I admire the French artillers!" "How I admire the French artillery!

"How I admire the French artiflery! They are the master gunnera, We cannot imitate them, I regret to say.

"God knows what they have blown up now. From this moment, I have lost all sensation of fear."

## REGULATION PLAN GIVEN

CONGRESSIONAL CONTROL OF IN-SURANCE ADVOCATED.

Would Benefit Policy-Holders, Says Senator Sherman.

SAN FRANCISCO, Oct. 5,—An amendment to the Federal Constitution so as to give Congress the power to regulate insurance companies and projects was proposed today to the World's Insurance Congress by Lawrence Y. Sherman, United States Senator from Illinois.

Premier Venizelos accused the oppoPremier Venizelos accused the oppoSilion press of "selling its honor to
German propagandists." Representatives of the opposition journals who
were in the press gallery, directly in
front of the Premier, arose and attempted to file out in protest.

"Cascade Mary" Wins Prize in Dairy Contest at State Fair.

SALEM. Or. Oct. 5.—(Special.)—
"Cascade Mary," a Holstein owned by
W. M. Bishop, of this city, won first
prize in the dairy cow contest at the
Oregon State Fair. Results of the com-Oregon State Fair. Results of the competition were announced yesterday. During the 48 hours to which the contest was limited, Mr. Bishop's cowproduced 142.5 pounds of milk and 4.21 pounds of fat, valued at \$2.30. E. D. Cary's "St. Hawes Beauty." a Jersey, took second honors, while Pickard's Jersey, "Viva La France," captured third place.

Citizenship Requirements.

First of a series of regular monthly meetings of principals of night schools of the city was held resterday with Superintendent Alderman in his office

at the Courthouse.

Henry B. Harard, United States
Naturalization inspector, spoke on requirements of the Government in admitting foreigners to citinenship. The
names of those who apply for citizenship will be reported to the School
Board and letters will be written them
advising of the opportunity given by
the night schools for them to learn the
things necessary for them to be admitted by the Government.

Passenger Trucks Required to Bear Special Permits.

Crawl on All-Fours.

PARIS, Oct. 5.—This letter, dated September 26, was found on the body of a German officer who was killed in Champagne.

The o'clock in the morning. At 7 it will have been 72 hours since, without interruption, we have been frightfully bombarded—72 hours of endless, deafening uproar.

The was ordered into the trenches as an observer at 7 A. M. Telephone lines were broken. Mines and bombs were exploding at brief intervals, interspersed with bullets from machine guns. From that point on, the trenches it must be empty.

VANCOUVER, Wash, Oct. 5.—(Special.)—Automobile drivers operating passenger trucks will, in the future, be compelled to take out licenses for this purpose. Three drivers in the past few days have been fined \$15 each, and costs, for violating this statute. Charles Frame, of Camas; B. Brewer, operating an automobile truck to Battile Ground, and Le Roy Van Horn, of Portland, who operated an automobile truck between Portland and a creamery in this county, were fined.

The statute provides that an automobile truck from another state may enter the State of Washington and discharge its foad, but when returning, it must be empty.

British Said to Have Lost Half of Forces Expended-Some of Kitchener's Army Under Fire for

First Time in Advance.

LILLE, France, Oct. 2, by courier via London, Oct. 5.—In view of the tremendous preparation, the amount of
ammunition used and the number of
troops employed in the great attack
along the front of less than 20 miles,
from La Bassee to a point south of
Arras, the Anglo-French gains are not
considered to have been important.
The most important British gain was
to the south of La Bassee Canal, in an
easterly and southeasterly direction.

casterly and southeasterly direction, where the Germans were thrown back from two-thirds of a mile to nearly two miles along a front from a mile to a mile and a half and two miles in extent. British Numbers Superior.

This was a British attack and was declared to have been carried out by five divisions against four infantry regiments and one battallon of sharp-shooters.

tensity until the morning of the 25th, the attack began.

British Use Gas and Smoke. British Use Gas and Smoke.

Before attacking the British sent alternate waves of asphyxiating gas and dense smoke across the field, first releasing the gas for about 10 minutes and then the smoke for a slightly shorter time and repeating this procedure several times. It was impossible to see a tree 20 feet distant through the smoke clouds.

Many old British line regiments took part in the attack, but there were a Three Mouths \$1,490,366

Many old British line regiments took part in the attack, but there were a great many regiments of the new Kitchener army. Some of the British who were taken prisoners came under fire for the first time in carrying out the main attack.

The German troops in places recaptured the lost ground. This was captured the lost ground. This was capecially true to the east of Givenchy, where two companies which had broken through the German lines had been driven out or exterminated by 2 o'clock.

### ITALY ALTERS ITS PLAN

Original Idea of Taking Triest Seems to Have Been'Abandoned.

UDINE. Italy, via Paris, Oct. 5 .-

The original idea of taking Triest seems to have been abandoned by the Italians. According to reports from the Italians headquarters, the plun now is that when Gorizia, with its entrenched camp, which is one of the most formidable natural fortifications in existence, is taken, the Italians will continue their advance along the Carso high plateau, leaving Triest on their right and cut off from the remainder of the Austrians empire.

This operation is contemplated with a view to preventing the Austrians from destroying Triest by bombarding it from the mountains and the sea, according to the reports.

### MARION COURT CENSURED

Grand Jury Asks Legal Move to Recover Money Expended.

SALEM, Or., Oct. 5.—(Special.)— Recommending that District Attorney Recommending that District Attorney Ringo take legal steps to compel the County Court to refund to the County Treasury the "money wrongfully expended in the employment of special counsel." the Marion County grand jury tonight, in its report to Circuit Judge Kelly, censured the County Court for ignoring the District Attorney.

The report declares that employment of special counsel by the Courty Court

The report declares that employment of special counsel by the County Court at "quite a heavy expense" was unnecessary and "prompted solely by the County Court's deep antipathy to the District Attorney's office."

Nineteen trus bills were returned, 15 of which were secret. Indictments made public are: Frank C. Bishop, statutory offense; Herbert Merithew, statutory offense; George C. Yeoman, obtaining money under false pretenses, and Edward Keyes and Fannie Harding, statutory offense. ing, statutory offense.

Meteorologist Predicts Season Resembling That of 1870-1.
