

# FIRE PREVENTION IS PARADE'S AIM TODAY

### Campaign Carried On During Week by Marshal Stevens to Be Brought to Close.

## LINE OF MARCH ANNOUNCED

Luncheon Will Be Given at Chamber and Governor Withycombe Will Speak—Visitors Praise Lead Taken by City in Move.

### LINE OF MARCH FOR PARADE.

Parade will start promptly at 10:30 from Madison street, north on Fourth to Morrison, east on Morrison to Third, north on Third to Oak, west on Oak to Broadway, south on Broadway to Washington, west on Washington to Tenth, south on Tenth to Morrison, east on Morrison to Broadway, south on Broadway to Yamhill, east on Yamhill to Sixth, north on Sixth to Washington, east on Washington to Fourth, south on Fourth to Alder, west on Alder to Fifth, south on Fifth to Jefferson and disband.

Today marks the close of a week's campaign in the program that is being carried out by Fire Marshal Jay Stevens and his deputies to make Portland the city of the smallest fire risks and the lowest insurance rates in the world.

All week long they have been actively pressing the matter to clean up and remove from the city all possible conditions that may produce fires. This is only one step in a campaign that has extended through the year and which has already been fruitful in reducing the fire losses more than 75 per cent within the year.

By proclamation of the Governor and the Mayor this is "Fire Prevention day," and, in addition to driving home the lesson of prevention that the fire marshal has been teaching for months past, is to the occasion of formal recognition of his efficient work and that of his deputies.

### Parade Will Be at 10:30 Today.

The observance will begin at 10:30 this morning with a parade of various municipal, civic and commercial organizations through the streets of the city, starting from the City Hall.

At noon a luncheon will be held at the Chamber of Commerce in honor of Fire Marshal Stevens and his hundred deputies. Governor Withycombe will be one of the principal speakers.

Other speakers will be Mayor Albee, Insurance Commissioner Harvey Wells, District Attorney W. H. Evans, City Attorney W. P. LaRoe, Commissioners George L. Baker, R. G. Dieck, Will Daly and C. A. Bigelow; J. C. Almsworth, Harvey O'Bryan and O. W. Davidson representing the insurance interests.

Joe Wood, chief of the Renton, Wash. fire department, and Harry W. Brinburn, fire marshal of Seattle and secretary of the Pacific Coast Association of Fire Chiefs, were visitors in Portland yesterday and studied with interest the work of the Portland fire marshal and deputies.

Portland Leads in Movement. "Portland has taken the lead in the movement for fire prevention," said Mr. Brinburn, "and apparently will continue to hold it. There is no city on the Coast in which such tremendous progress has been made and great results achieved as in this city within the past two years."

The two visitors were obliged to leave last night for their home cities, but both visited the Chamber of Commerce and expressed their commendation of the fire-prevention day plan and their wishes for a successful observance.

The formation of the parade which is to move this morning at 10:30 will be as follows:

- Platoon of police, east side Fourth street, southeast corner Madison facing north.
- Police band, directly rear.
- Chief and captain of police, rear.

## COWLITZ ROAD WORK DONE

Report of Completion of Highway Contracts for Year Filed.

OLYMPIA, Wash., Oct. 8.—(Special.)—Cowlitz County has reported to the state highway department the completion of its three permanent highway contracts of the year, one for two and one-half miles of asphaltic macadam, costing \$24,000; one mile of crushed rock costing \$11,000, and one mile of concrete costing \$11,000. Highway Commissioner William R. Roy will inspect this work now for approval and acceptance.

Lewis County will hold Saturday its postponed celebration of the completion and opening of the new route to Rainier National Park by way of Mineral and Morton, which shortens the road to the mountain nearly 70 miles for residents of Portland and Southwestern Washington. Governor Lister and Chief Engineer James Allen, of the highway department, will attend the celebration.

## TWO ACCIDENTS RECORDED

Parachute Falls to Work at Goldendale and Horse Throws Rider.

GOLDENDALE, Wash., Oct. 8.—(Special.)—The third day of the Klickitat County Fair was held with an attendance nearly equal to that yesterday. The main feature today was the parade

of the Yakima Indians, dressed in their fancy tribal costumes, followed by a war dance in front of the grandstand. The programme was marred by two slight accidents. In the balloon ascension, made by Leslie Butler, the parachute failed to work and the aeronaut was forced to come down with the big bag. Butler sustained injuries to his shoulder, but will be able to work tomorrow.

Johann Wynookie, an Indian boy, riding Jasper Mennanick's string in the relay race, was thrown into the fence when his saddle turned, but his injuries proved slight.

## CO-EDS SERVE 1000

Progressive Dinner Given for Woman's Building Fund.

'FRATS' AND 'DORMS' HELP Merry Crowd Gets Soup at One Station and Passes Along Circuit to Next Stop for Salad—Work Started for \$125,000 Home.

UNIVERSITY OF OREGON, Eugene, Or., Oct. 8.—(Special.)—Varsity folk and Eugene townspeople joined tonight at a progressive dinner, which was served in courses at the various women's fraternity houses and dormitories scattered over the campus.

Two circuits were mapped out. Soup was served to the hungry crowds at the first station, salad at the second, sandwiches at the third and so on. The round sum of 50 cents entitled the contributors to a "meal ticket" and the net gain goes as the first donation to the women's building fund. The campaign was launched by Mrs. Gerlinger, of Dallas, the only woman on the board of regents at the State University.

1000 in "Bread Line." An estimated throng of 1000 persons was fed. It was about evenly divided between students and Eugene citizens, who were served by fair-coeds and varsity freshmen or aid-business men, who spilled soup, dropped a sandwich, or ate too much ice cream, furnished amusement for the crowd. The "bread" was decidedly informal.

Not a fraternity house in the city served dinner at its table tonight; every member of the respective organizations progressed for his part.

Two student bands blared forth college airs at the head of each line and the procession represented a huge variety rally. Faculty members put in an appearance and the first progressive dinner was voted a success.

Campaign to Be Continued. The profit from the "feed" will not be known until the bills are met and expenses deducted.

Mrs. Gerlinger, originator of the idea, recently met the collegiate alumni in Portland, presented her cause and received \$500 as a starting fund. She will travel through the state for the remainder of this month campaigning for other contributions.

The cost of the proposed structure is to be \$125,000.

## OCTOBER CALENDAR IS SET

Trials of Saloonkeepers Will Begin Soon in Vancouver.

VANCOUVER, Wash., Oct. 8.—(Special.)—Judge R. H. Back, of the Superior Court, has set the calendar for the October term, which will begin Wednesday, October 13. During this term 16 saloonkeepers will be tried.

As the case taken to the Supreme Court was lost by the saloonmen, it is believed that they will probably plead guilty to remaining open after the local option law had gone into effect. The law was supposed to have become effective January 1, but the saloons were kept open until January 25, an injunction being obtained in favor of the brewery, but which, apparently, did not affect the saloons, though it was believed by them at that time it did.

## ABERDEEN TRIMS BUDGET

At Meeting Today, \$14,000 More May Be Lopped Off.

ABERDEEN, Wash., Oct. 8.—(Special.)—In an attempt to keep from leaving an occupation tax to raise \$20,000, the City Council last night lopped \$6075 from the city budget and called a special meeting for Friday night, when another attempt to reduce the budget will be made. Last night's reduction makes a total of \$13,320 already trimmed from the budget. The Councilmen hope to take off \$14,000 more.

Efforts of part of the Council to have the budget allowance of \$25,000 for refunding the current indebtedness of the city reduced failed. As the budget now stands the city must raise \$16,000.

## HATCHERY WORK APPROVED

Washington Commission Inspects Clarke County Plant.

VANCOUVER, Wash., Oct. 8.—(Special.)—L. H. Darwin and several members of the State Fish Commission were here Thursday and inspected the Clarke County fish hatchery, which has been built by the Clarke County Game Commission almost at the city limits on the Pacific Highway.

Mr. Darwin approved of the construction and location of the hatchery and said that it is one of the best in the state, its water supply being unusually good. Mrs. Darwin will have shipped here soon 180,000 trout eggs for hatching for Clarke County streams.

## OREGON RACER TO COMPETE

Wilbur Smith to Defend Motorboat Championship at Fair.

OREGON AGRICULTURAL COLLEGE, Corvallis, Oct. 8.—(Special.)—Wilbur Smith, of Rainier, a member of the freshman class, left this week for San Francisco to defend his title of champion motorboat racer of the Northwest in the regatta to take place there October 21-25.

The regatta will be National, but Mr. Smith has great confidence in the ability of his boat, "Oregon Kid II," to make a good showing. He has developed a speed of more than 50 miles an hour on other occasions, and expects to exceed that mark this month.

## ELKTON HAS \$32,500 FIRE

Practically All of Business Section Is Swept by Flames.

BRAIN, Or., Oct. 8.—(Special.)—Flames last night swept practically the whole business section of Elkton, a small town 18 miles west of here. Only one store, Rydel & Kent, remains. The loss is itemized as follows: Elkton Mercantile Company, \$13,000; insurance \$3900; Elkton Pharmacy, \$3000; insurance \$1500; Rydel blacksmith shop and house, \$7500; insurance \$2000; other buildings \$4900.

At Yoncalla the fire, now home of Harry Stearns, burned at a loss of \$2000. Neither Yoncalla nor Elkton have fire protection.
