LOOK AT CHILD'S TONGUE IF SICK, CROSS, FEVERISH

Hurry, Mother! Remove Poisons From Little Stomach, Liver, Bowels.

Give "California Syrup of Figs" at Once if Bilious or Constipated.

Look at the tongue, mother! If coated, it is a sure sign that your little one's stomach, liver and bowels need a gentle, thorough cleansing at once. When peevish, cross, listless, pale, doesn't sleep, doesn't eat or act naturally, or is feverish, stomach sour, breath bad, has stomach ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

You needn't coax sick children to take this harmless "fruit laxative"; they love its delicious taste, and it always makes them feel splendid. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. To be sure you get the genuine, ask to see that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.—Adv.

Y. W. C. A. NOTES

MISS JANE SCOTT, Y. W. C. A. executive for the Northwestern field, was in the city Tuesday and visited the Y. W. C. A. board meeting. She spoke of plans being made throughout the country to celebrate in the near future the 50th anniversary of the founding of this great institution. She also told interesting bits of news about other associations in this district. In speaking of the Salem Y. W. C. A., less than two years old, she said that association had a membership of more than 400 enthusiastic workers, and that they were just now moving into fine new quarters, which have been built especially for their use.

Portland girls from 10 to 15 years of age who would like to go "With Jack and Janet Around the World" and visit the children of other nations are invited to meet Miss Burton at the association today at 3:30.

Miss Aithen Lee, in charge of the North Branch work, has invited the girls of that district to meet Miss Burton, the new Bible and missionary secretary, in the clubroom at the main Association building Friday night.

A branch is under construction south of the Base Line road, and connects with sewers from the east slope of Mount Tabor and the district south of the Base Line to the Section road. Another section of the Montavilla sewer was built on East Glisan street from East Eighty-second street to East Fourth street, where it connects with the trunk sewer built from the east. Expectant Mothers Relieved of Pain

A most valuable help to women during this interesting period is a splendid external remedy called "Mother's Friend." It is applied directly to the muscles of the stomach, gently rubbed in, and at once penetrates to soothe all strain on nerves, cords, ligaments and all parts involved. It makes the muscles so pliant that they expand naturally. And at the same time they are invigorated by the absence of harassing pains so apt to distress the mind. Get a bottle of any druggist. Write to Bradford Regulator Co., 105 Lamar Bldg., Atlanta, Ga., for a fascinating book.

TODAY'S BEAUTY HINTS

To whiten and beautify the complexion permanently we have found no better preparation than a lotion made by dissolving four ounces of surpax in a half pint of hot water, then adding two teaspoonfuls glycerin. This removes any pimples, shiny, muddy or sallow appearance, and will make anyone's skin clear, smooth and velvety. It does not show or rub off like powder; in fact, it seems a part of the skin; and for removing tan and freckles is unequalled.

It is necessary to shampoo more frequently in the warmer weather because of excessive dust and the fact that the head perspires more and is usually more exposed to the weather. The easiest to use and quickest drying shampoo that we can recommend to our readers can be prepared very cheaply by dissolving a teaspoonful of cantrox, obtained from your druggist, in a cup of hot water. This rubbed into the scalp creates a thick lather, soothing and cooling in its action, as well as very beneficial to scalp and hair. After rinsing, the scalp is fresh and clean, while the hair dries quickly and evenly, developing a bright luster and a soft fluffiness that makes it seem very heavy.—Adv.

A-K Tablets For Various Forms Of Headache

"It is necessary in order to treat headaches properly to understand the cause of the affection," says Dr. J. W. Ray of Boston, Ala. "Continued worry. Physicians cannot even begin the treatment of a disease until they know what causes give rise to it, and we must know that headache is to be treated according to the cause. We must not only be particular to give a remedy intended to counteract the cause which produces the headache, but we must also give a remedy to relieve the pain until the cause of the trouble has been removed. To answer this purpose A-K Tablets will be found a most convenient and satisfactory remedy. One tablet every one to three hours gives comfort and rest in the most severe cases of headache, neuralgia and particularly the headaches of women.

When we have a patient subject to regular attacks of such headache, we should caution him to keep his bowels regular, for which nothing is better than "A-K" and when he feels the least sign of an oncoming attack, he should take two A-K Tablets. Such patients should always be instructed to carry a few Anti-kamnia Tablets, so he may have them ready for instant use. These tablets are prompt in action, and can be depended on to produce relief in a very few minutes. Ask for A-K Tablets. Anti-kamnia Tablets can be obtained at all druggists.
