## Children's Day at the Big, Wonderful, New Meier & Frank's

Overcoat weather is here! So are the smartest Overcoat styles men have worn in many a year.

**A Great Overcoat Line at \$25!**

—It embraces the most exhaustive collection of fashionable overcoats Portland has probably ever seen.

—"Society Brand" designers are sponsors for the sprightly, dashing models of the moment.

—Three-quarter, half-fitting models, double-breasted.

—Swagger full box-back coats.

—Split-seam sleeves, big patch pockets and large buttons, with button-through front.

—Distinctive among the new fabrics are knitted textures, waterproof and warmth-without-weight.

—Browns, grays, snappy black-and-white effects.

—Weather and style demand an overcoat now! Why not see these supreme values Saturday

—at \$25?

—Other overcoats and rain-coats at \$10 to \$40.

**New Men's Clothing Store, Third Floor, 5th St.**

—Saturday is the time for kiddies and young folks to be outfitted with warm new clothes.

—It's so easy to make a proper selection from the great assortments at Meier & Frank's.

### "Sampeck"

—The one word that stands for excellence of style and quality in Boys' clothing.

—Meier & Frank's is the "Sampeck" store of Portland—a wonderful selection of fabrics, patterns and styles.

—The soft roll front adds manly distinction. The three-piece belt really gives you two models in one, for it may be detached. Graceful pleated backs. \$7.50 to \$16.50. —Third Floor, Fifth Street.

### Outfitting the Daughter of the House

—from her cradle days to the time she is really "grown up"—is the mission of our big Girls' Store, on the Second Floor.

**Girls' School Coats, \$6.95**

—Smart slip-on models, made of dark wool mixtures. Other models of dark blue kersey cloth, belted. Regularly \$7.50 and \$7.95. Special Saturday at \$6.95.

**Little Tots' Coats**

—Clever little styles in cloth, corduroy, cheviot and chinchilla. Some with full belts, others belted backs. Sizes 1 to 6 years. The coat sketched is \$7.50.

**Dresses on Straight Lines, \$4.95**

—are particularly youthful and pretty. The one sketched has blue serge middy-like waist, with pleated plaid skirt. Others are challies, corduroys and Peter Thompsons. Sizes 6 to 14. Selling regularly from \$6 to \$9. Special Saturday at \$4.95. —Second Floor, Sixth Street.

**Millinery for the Girl.**

—from 6 to 16, made to meet the demands of that "hard-to-fit" period, with dash and charm. Balmacaans, velvet crushers and charming dress hats from \$1.25 to \$13.50. —1st Floor

**Oh! Doll Show Is Coming Soon**

—The event that'll bring joy to thousands of little hearts—Meier & Frank's 14th Annual Doll Show will be held October 28, 29 and 30.

—Nineteen prizes, beginning with a \$50 Grand Prize for the best collection entered by any lodge, church, charitable institution or fraternal organization.

—Every child who enters a doll will receive a present, whether they win a prize or not.

—"Dollville" and "Toytown" welcome the children to Meier & Frank's Fifth Floor today.

### SCHOOL CADET NEAR

Military Plan Establishment by Board Is Expected.

3 MEMBERS FAVOR STEP

Mr. Lockwood Retiree in Expression of Views and Mr. Plummer Gives Conditional Assent—Issue to Be Passed On, Thursday.

Barren reversal of opinion, the plan for the establishment of voluntary military training in the Portland high schools will be adopted at the next regular session of the School Board Thursday, October 21.

J. V. Beach, Dr. Alan Welch Smith and M. G. Munly are strongly in favor of the plan and S. P. Lockwood, who has just returned from California, is non-committal, preferring to wait until other members of the Board have been consulted before he expresses an opinion.

Dr. Smith, who with Mr. Lockwood comprises the teachers' committee to which the matter originally was referred awaiting a report, has strongly recommended the measure, which indicates to a degree the position of Mr. Lockwood.

O. M. Plummer, the fifth member of the Board, says that he is not radically opposed to the plan but considers that no particular benefit will result from its adoption. In his opinion the physical instruction gained in the high school gymnasium gives the best training.

Mr. Plummer Gives His Views.

He is not opposed to the plan if the boys are able to take the instruction outside of school hours, but according to the plan as drafted by Adjutant-General White, the military instruction, a recommendation is made that not less than two or more than five periods a week from 10 to 60 minutes each be set aside for the military instruction. In case of the instruction is given outside of school hours and at the Army or a similar place, Mr. Plummer is not averse to the plan.

Members of all the patriotic organizations in the city are strongly in favor of the military instruction of the high school students.

Mrs. Alva Lee Stephens, the official head of the parent-teacher associations in Portland, thinks that military instruction is not only of itself injurious to the mind of the pupil but considers that the money spent for the installation of the system could be used to better advantage.

Four Companies Are Planned.

According to the plan as drafted by Adjutant-General White there is practically no expense attached to the establishment of military instruction in the high schools. His plan provides that the cadets be taken by the owners of the uniforms and as there will be no drill in arms there will be no equipment required. General White also recommends that the cadets become the owners also of their arms as soon as that stage of the instruction is reached.

Instruction will be given at first by one instructor and as many non-commissioned officers as the cadets wish and their services will be free of charge. When they have been fully organized a paid instructor will be furnished by the school board.

General White's plan provides for four companies with a minimum of 65 members and a maximum of 111. In addition to these four companies a band is also proposed, making the total number of cadets in all the city high schools approximately 450, should the maximum number be reached.

RELIEF FUND IS CONTINUED

Temporary Arrangements for Father Schoener Believed Near.

Solicitation for funds for the relief of Father George Schoener, lost all his property by fire last week at Brooks, is being carried on by the Chamber of Commerce committee and it is expected that enough will be secured this week to make temporary arrangements for him until something permanent can be planned.

It is hoped that arrangements can be made to bring him to Portland and to establish him permanently on an experimental farm, near here, so that the results of his work may be for the benefit of this state. California

### FRED ROSENEU IS BURIED

Floral Offerings Numerous and Many Friends Attend Funeral.

The funeral of Fred Roseneu was held from the chapel of R. T. Byrnes, Williams avenue and Knott street, yesterday at 2 o'clock. The services were conducted by the Loyal Order of Moose and Rev. C. C. Rarick, pastor of the Central Methodist Church. Many friends of the late Mr. Roseneu attended the services and many floral offerings were received.

### REED CARNIVAL ARRANGED

Fund Will Be for Paying Debt Created by Publishing Annual.

Reed College holds carnival tonight. There will be wild men, chorus girls, minstrel shows, red-hot, livey dances, acrobats, shows for men only and a myriad of like attractions. The gymnasium will be filled with all manner of devices for separating the "fool and his money." The spirit of high carnival will rule from 8 P. M. to 11, when it will end in a burst of confetti.

### BUILDING DOCTOR COMING

Forest Pathologist Will Give Advice Free on Exhibit Next Week.

C. J. Humphrey, forest pathologist in the forest products laboratory at Madison, Wis., who is making a tour of the country to investigate decay in timbered buildings, will arrive in Portland early next week and will be glad to give assistance to any who have troubles of this kind.

While Mr. Humphrey is an expert in all branches of forest pathology, he is especially interested on this trip in discovering and remedying cases of decay in buildings, notably dry rot.
