All-Star Card Prepared for Imperial Club Smoker Tonight.

Club Smoker Tonight.

"Nig" Pluto and Sammy Gordon will furnish the curtain-raiser tonight at Charles Jost's Imperial Club smoker at the Arion Hall. This bout completes the card, which shapes up as one of the best to be exhibited by Jost since he started holding shows in Portland. The main event between Jack Carpenter and Tommy Clark should give the boxing fans something to talk about. This seems to be a good match, as both boys are aggressive and willing and should put up a fine exhibition. Carpenter triumphed over Bobby Evans at the last Imperial show, while Clark is just back from Pendleton, where he stowed away Billie Farrell.

Abe Gordon has consented to give "Kid" Ne vsky a crack at his title as champion 100-pounder of the Northwest and the bout between these two little fellows should prove interesting. Valley Trambitas and Frank Parslow will again appear. Both boys have met on several occasions and at each time have fought a draw.

on several occasions and at each time have fought a draw.

The other bout that goes to make up what might be termed an all-star card will be furnished by Danny O'Brien and Bobby Evans. Jack Hesler will be the third man in the ring.

The first event is scheduled for 8:30 sharp.

Salt Lake started a rally in the minth and put three scores across before they were stopped.
