REBUILT FEDERAL TRUCKS. A SAFE USED TRUCK TO BUY.

A REBUILT FEDERAL is as good very for the money as a new truck. By rebuye mean that the truck is entirely as apart, each part examined and if new sary replaced by a new part made at FEDERAL factory, the entire truck painted and refinished, and everytheepsary done to make the truck putically as good as new in every detail.

When you buy a rebuilt FEDERAL you are protected by the same policy and interest that we give to all FEDERAL owners. We operate a repair department, in which the workmen are specialists on FEDERALS, our supply of FEDERAL parts is complete, and the stockroom erganization high-class, which insures the prompt filling or all parts orders. We also operate a service department, which is open day and night, "always at your all." The FEDERAL being a good truck in the first place and protected by a company which is equipped and has the disposition to give you service—is consequently

A SAFE USED TRUCK TO BUY.

If you are in the market for a truck from \$1000 to \$1400, we urge you to com-pare used FEDERALS with new trucks at similar prices. We think we can con-vince you of their superior value.
