

SALEM WELCOMES STATE CLUB WOMEN

Capitol Brilliant During Informal Programme and Following Reception.

CONVENTION OPENS TODAY

Contest Over Election of Officers Promises More Than Ordinary Interest and Candidates Represent Many Districts.

SALEM, Oct. 25.—(Special)—Representatives of women's clubs and organizations from all parts of Oregon began arriving here today to attend the four days' session of the State Federation of Women's Clubs, which met in the Hall of Representatives at the Capitol tonight for its 15th annual convention. The opening tonight was of an informal nature, consisting of brief addresses and musical numbers, followed by a reception in the Senate Chamber.

Fully 300 delegates are expected to be in attendance, a majority of whom will arrive tomorrow morning, when the business part of the session will begin.

The statehouse was brilliant tonight in honor of the visitors, members of the Salem Woman's Club having decorated the Hall of Representatives and Senate Chambers with autumn flowers.

Governor Is Present.

The session tonight was called to order by Mrs. Sarah Evans, president, after which the delegates and visitors sang "America." Welcoming addresses were given by H. O. White, Mayor of Salem; W. M. Hamilton, president of the Oregon Federation of Women's Clubs; P. A. Elliott, president of the Salem Woman's Club; Mrs. Nellie Briggs, president of the Women's Civic Improvement Club of Ashland, responded in behalf of the State Federation, the Orpheus male chorus of Salem and Miss Marguerite Flower, of this city, gave vocal numbers. Governor Withycombe was on the rostrum with Mrs. Evans during the programme. The reception followed.

In the receiving line were Mrs. Sarah Evans, Portland, president; Mrs. Leo Moorehouse, Pendleton, first vice-president; Mrs. P. E. Merrick, Medford, second vice-president; Mrs. J. A. Pettit, Portland, secretary; Mrs. S. M. S. Sadie, Corvallis, corresponding secretary; Mrs. C. N. Rankin, Portland, treasurer; Mrs. W. P. Boynton, Eugene, auditor; Mrs. Agnes Bradshaw, The Dalles, director; Miss M. F. Beatty, Salem, director; and Mrs. F. A. Elliott, president of the Salem Women's Club.

Convention Opens Tomorrow.

The programme tomorrow will begin at 9:30 o'clock, after delegates have registered. Mrs. Hamilton will preside, call the convention to order formally and Rev. R. N. Avison, pastor of the Salem Methodist Church, will deliver the invocation. The remainder of the morning will be devoted to hearing the reports of the committee on credentials, standing committees and officers. The afternoon will be marked by an address by the president of the federation, Mrs. Evans.

Although Governor Withycombe was scheduled to make an address tomorrow on "The Flax Industry of Oregon," he will be unable to do so, owing to a prior engagement to speak at a corn show at St. Paul, Or.

Other speakers will be Miss Cornelia Marvin, state librarian, and Miss Grace de Graff. Miss de Graff will discuss the results of the recent woman's conference at the University of Oregon.

The question of having military training in the schools of the Nation as a means of preparedness for war will be argued by speakers yet to be chosen.

Election Promises Interest.

The principal feature tomorrow night will be the address by Joseph P. Byers, of Philadelphia, on the "Rights of the State to Its Delinquents and Defectives." Mr. Byers is president of the American Prison Association.

Indications are that the contest over the new officers to be elected will be of more than ordinary interest. Tonight the two prominent ones mentioned as candidates for president of the federation were Mrs. M. L. T. Hixson, of Portland, and Mrs. C. H. Castner, of Hood River. It was also predicted that other sections of the state would come forward with candidates for this position. Mrs. J. W. Beatty, of this city, is a candidate for first vice-president, while members of the Portland delegation are backing Mrs. J. W. Tift for the second vice-presidency.

CARLTON HIT BY FIGHT

MASS MEETING PROTESTS PORTLAND LUMBER RATE ACTION.

Valley Prosperity Said to Be Injured by Local Controversy—Threats Made to Divert Trade.

CARLTON, Oct. 25.—(Special)—There was a large attendance of merchants, farmers and laboring men at a mass meeting held here tonight under the auspices of the Board of Trade to protest against the fight being made by Portland sawmills against the new Willamette Valley lumber rates to Northern California and San Francisco bay points, which have just been printed by the Southern Pacific Railroad.

This town, and the country for 10 miles around it, are dependent upon the Carlton mill, and when the mill is operating every man's son has work, the merchants do a thriving business and everybody is prosperous. As soon as the mill shuts down the effect is felt immediately by the merchants in McMinnville, Lafayette, Yamhill and Clatsop, as well as elsewhere.

Since the mill burned down, a year ago, the owners have not rebuilt it on account of the bad lumber market. As soon as the new freight rate to California was announced they began immediately to consider the question of rebuilding. If the Portland mills should succeed in knocking out the rate the people here know that their hopes would be again blasted.

Threats of turning the trade from this section to San Francisco are being made. At the meeting tonight strong resolutions were passed, and a committee was appointed to present them in person to the Interstate Commerce Commission at the meeting in Portland next month.

BIG INTERESTS ACCUSED

Governor Hunt, of Arizona, Discusses Recall Movement.

PHOENIX, Ariz., Oct. 25.—Governor George W. P. Hunt, for whose recall

from office petitions were placed in circulation Saturday by H. F. Johnson, of Mesa, declared today that "big interests" were behind the movement because his actions did not suit them. The Governor returned to Phoenix today from Antelope Hills, 40 miles from Yuma, where he dedicated a bridge.

"They have been trying to recall me ever since I have been in office," Governor Hunt said. "Every time I have not acted to suit the big interests they have threatened to recall me. I have no fear of a recall, for what I have done, I did for the best interests of the state."

"The mining officials are behind this recall, and they are the abject tools of a cruel despotism which is trying to run Arizona," the Governor declared when asked if he believed his activities in behalf of the striking

WIFE OF PLEASANT HOME MERCHANT IS DEAD.

Mrs. Mary Robinson Markell, GRESHAM, Or., Oct. 25.—(Special)—Mrs. Mary Robinson Markell, wife of W. E. Markell, a Pleasant Home merchant died Sunday morning after an illness of 12 months. Mrs. Markell was born in Woodland, Ontario, June 27, 1869. In 1892 she married W. E. Markell, and in 1893 moved with him to Oregon and located at Pleasant Home.

The funeral services were held at the Pleasant Home Methodist Episcopal Church, Monday, Oct. 25, at 10 o'clock. Interment was at Mount Scott Cemetery.

Besides her husband, Mrs. Markell leaves five brothers and two sisters.

copper miners at Clifton were responsible in any way for the circulation of the petitions.

"I would be false to the trust imposed in me by the people of the state," Governor Hunt continued. "I was urged from my path of duty. I have no fear of anything. I am no piker. I will stay on the line until I am called to another land."

Several hundred signatures have been obtained by Mr. Johnson, and it was tonight that a state-wide circulation of the petitions would be started tomorrow by those interested in the recall movement.

MAYOR WON'T QUIT JOB

DISCHARGE OF MARSHAL CAUSES ROW AT NEHALEM.

Council Demands Resignation But Cannot Enforce Compliance—Citizens Are Amused at Situation.

NEHALEM, Or., Oct. 25.—(Special)—The resignation of Mayor C. H. Cady is demanded by four members of the City Council. The Mayor absolutely declines to resign. The result is a complete deadlock in the municipal administration.

The trouble arose over the discharge of City Marshal Reed. His dismissal is said to be the fact that he arrested a prominent citizen who is alleged to have indulged in unseemly conduct. The Mayor is said to have taken exception to the arrest.

After the man was discharged, the Mayor appointed Arthur Hansen, editor of the local paper, to the position of Marshal. He could not run the city electric light plant, which is one of the duties of the office, and was replaced in the position by Councilman Albert Zimmerman, who resigned from the Board.

Although Mayor Cady was appointed by the Council to fill the unexpired term of the former Mayor, the Council cannot remove him. Recall proceedings are threatened, but Cady has not been in office the required six months. By the time he completes that period his term will expire before a recall election could be held, as under the law it would take a month to publish and advertise the election.

The citizens are looking on and watching the situation with interest and deriving a certain amount of fun out of it. A warm contest is predicted at the next city election.

40 HELD AS NIGHT RIDERS

Grand Jury in Ohio County, Kentucky, Keeps List Secret.

HARTFORD, Ky., Oct. 25.—When the Ohio County grand jury adjourned here late today it was announced that the names of 40 alleged night-riders, so-called "possum-hunters," though names of the individuals have not been made public, it is known that the list includes some of the most prominent business men, farmers and church members in the county. Warrants for their arrest have been issued.

The case arose over an effort to limit the Burley tobacco production.

KANSAS SOCIETY MEETS

Series of Programmes and Parties for Winter Is Planned.

The first meeting of the Kansas State Society this season was held at the Library last night, with E. J. Stader presiding. The Kansas people are planning a series of programmes and dances to be held during the winter, and will begin with a large entertainment November 28.

The place of the party has not yet been decided upon, but the committee has selected a meeting hall the club will hold the regular affairs, which will be informal every fourth Friday of the month.

Harrisburg Bridge Petitions Out.

HARRISBURG, Or., Oct. 25.—(Special)—During the past six weeks a number of Harrisburg's progressive business men have circulated petitions in Lane County in the interest of the proposed bridge across the Willamette River at this place. The Lane County Court has been waiting to find out the sentiment of the citizens of the county before taking action.

FALLS CITY MILLS MAY START SOON

Hundreds of Men Long Idle Are Expected to Be Busy at an Early Date.

RAILWAY TO BE EXTENDED

Rich Belt of Timber in Siletz Basin Will Be Tapped, Following Deal by Which Cobb-Mitchell Interests Gain Control.

DALLAS, Or., Oct. 25.—(Special)—Resumption of operation of the large plant and logging camps in and about Falls City at an early date are indicated in reports from reliable sources that the Cobb Mitchell interests have taken over control of the holding of the Falls City Lumber Company, which ceased operations more than two months ago.

Operations, according to the reports, will begin as soon as necessary railroad extensions can be constructed. This revival of industry means a great deal to Dallas, as well as to Falls City, as hundreds of men who have been idle will return to work.

Extension Survey Is Begun.

A corps of civil engineers today began a survey for an eight-mile extension of the present railroad line to the Falls City Lumber Company into the Siletz basin. The line now reaches the summit of the Coast Range of mountains. The proposed extension will carry the line into the heart of the thousands of acres of timbered land owned by the Cobb Mitchell interests in the Siletz country. A good grade can be secured.

It is reported that just as soon as the railroad can be built logging camps will be established in the new body of timber and that the logs will be taken to Falls City for sawing.

It is said the Cobb Mitchell people have gained control of the whole plant and outfit of the defunct Falls City Lumber Company.

Lively Days in Prospect.

The large sawmill at Falls City has a capacity of 75,000 feet daily. The reopening of the plant promises to bring a return of the lively days prior to 1907.

It has been common understanding that the Cobb and Mitchell interests have a controlling interest in the Valley and Siletz railroad which has been under construction from near Astoria to a point several miles up the Big Luckiamine River and which is now being extended into Independence and it is said that a junction will later be made between the Valley and Siletz and the present proposed extension of the Falls City Lumber Company line to Falls City. These two roads will tap the richest timbered section in the state.

DAIRYMEN UNITE FOR TESTS

Grays Harbor Association Purposes to Eliminate Drag on Profits.

HOQUIAM, Wash., Oct. 25.—(Special)—Grays Harbor County dairymen have organized a cow testing association to be known as the Montezuma Cow Testing Association. It is composed of 29 dairy ranchers and is the fourth organization of the kind in the state.

The association purposes to carry on scientific tests of the cows of each ranch to eliminate the cows which do not produce sufficient milk to show a profit at the end of the year. Tests are made by an expert employed by the association, who will examine one herd each day.

NEWPORT COPIES THIS CITY

Children Build Bird Nests Following Mr. Finley's Lecture.

NEWPORT, Or., Oct. 25.—(Special)—W. L. Finley, state biologist, has just completed a tour of Lincoln County, giving moving picture exhibitions of bird and animal life, accompanying them by a lecture upon bird conservation. At Newport a special exhibition was given to school children.

The pictures were received with enthusiasm and applause. The school children were particularly interested in the reels showing the work of the Portland school children building nests for the little birds looking for homes, and the Newport children are already following the example of the Portland children.

BOY OF 16 ADMITS MURDER

Lad at Chicago Confesses Aiding Another in Killing Recluse.

CHICAGO, Oct. 25.—Charles Mack Wipham, 16 years old, today confessed, the police say, that he helped Joseph Merkle, 16 years old, to kill Joseph Osborne, an aged recluse, who was found murdered in his shack in a Chicago suburb last Wednesday night. Merkle denied implication in the murder.

According to the story the police say Wipham told them that the murder was the culmination of an attempted robbery which precipitated a fight.

Lewis Teachers Holding Institute.

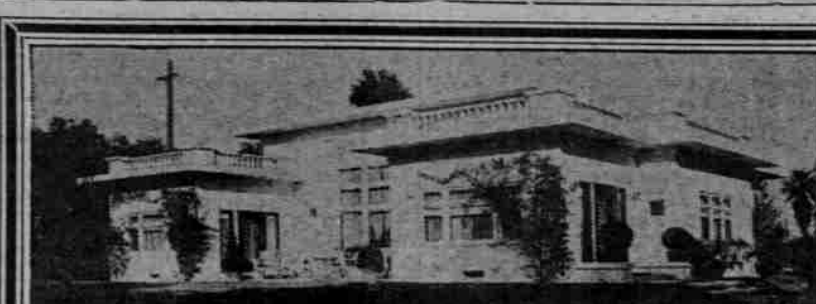

CHEHALIS, Wash., Oct. 25.—(Special)—The 37th annual session of the Lewis County Teachers' Institute began its three-day meeting at the Chehalis High School auditorium today with a full attendance. A. C. Canterbury, superintendent, is in charge of the meeting. An interesting programme of lectures is being held.

ABOUT 300,000 BABIES DIE BEFORE ONE YEAR

The Census Bureau estimates that 300,000 babies died in this country last year before the age of one year, and it is stated that one-half of these deaths were needless if all mothers were strong and infants were breast-fed.

Expectant mothers should strive to increase their strength with the strengthening fats in Scott's Emulsion which improves the blood, suppresses nervousness, aids the quality of milk, and feeds the very life cells.

Physicians prescribe Scott's Emulsion; it is doubly important during nursing. No alcohol. Every druggist has it. Inset on Scott's—the milk-food medicine. No advanced prices. Scott & Bowne, Manufacturers, N. J.

How to Get a Home

—IN—

Laurelhurst

Come to the Laurelhurst Co.'s office, at 270 1/2 Stark Street, and tell us a little about yourself, what you can afford to put into a home, and whether you desire to build or buy a home already built.

Inspect our large assortment of unique plans, which you may use free of charge. If they don't suit we'll get others.

Select your lot in beautiful LAURELHURST, costing say \$1000, on which you pay us ten per cent down or \$100. You need not pay us anything more on the lot until your house is ready to move into, say in about three months, then you pay us \$18 per month with six per cent interest.

We'll then secure a mortgage for you on your house and lot drawing seven per cent interest, which will come within four or five hundred dollars of paying for the cost of building your house. This four or five hundred dollars you can pay any time before your house is completed.

We will now deed the property to you outright, taking a second mortgage for the balance due us on the lot.

You're now ready to let the contract for your house to whom you choose. Our expert services are always at your disposal. We've got to see that you get a square deal in order to protect our second mortgage.

Your total cash outlay would thus be about \$500 and your monthly carrying charges, including \$18 principal on the lot, interest on both mortgages, taxes, insurance and street improvements would be about \$45. You could pay as much more as you liked.

In a few short years you'd own your own home. If you don't make the start the rent money you're throwing away will amount to nearly as much as the payments on your home. You can't lose and are sure to win a \$4500 home.

This saving in dollars is a secondary matter compared to the pleasure you'll experience from living in your own home and the prestige it will give you among your friends and business associates.

Should you desire to buy a home already built, we have some wonderful bargains on extremely easy terms.

Let's get acquainted. We want you to get started right. IT'S RATHER SIMPLE, ISN'T IT? If you haven't the \$500, come in anyway and let's see what we can do for you. Main office, 270 1/2 Stark Street. Main 1503, A 1515. Auto service.

REPRISAL WARNING OUT

GERMANY REPLIES TO THREAT OF DEATH TO CAPTIVES.

Russian Charge of Use of Dumdum Bullets Denied by Berlin, Replying to Hint of Punishment.

BERLIN, Oct. 25.—(By wireless to Tuckerton, N. J.)—The Overseas News Agency says: "The Nord Deutsche Allgemeine Zeitung reports that the German government has transmitted through a neutral power its answer to the Russian government's threat to shoot German prisoners of war in districts where dumdum bullets have been used. The German government states that no dumdum bullets have been or will be used by German soldiers. If the Russian government shoots German soldiers under false accusations of using such bullets, Germany will make the most severe reprisals."

The German government further states that reprisals will be the easiest because the Russians captured by the Germans have confessed they have used dumdum bullets.

"The probable resignation of the Russian Minister of Railways is being discussed," says a report from Copenhagen.

"The reason lies in the fact that there arrived lately in Moscow a consignment of bitter water instead of much-needed food supplies.

"Railway employees were bribed to give preference to the consignment of water."

Pensions of disabled Canadians vary from \$70 to \$200 a year. A disabled private can get as much as \$325 a year pension for his wounds, according to his nature.

BEGIN ON SALTS AT FIRST SIGN OF KIDNEY PAIN

We Eat Too Much Meat, Which Clogs Kidneys, Then the Back Hurts.

Says Glass of Salts Flushes Kidneys and Ends Bladder Irritation.

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste, or you'll be a real person shortly. At first you feel a dull misery in the kidney region, you suffer from back-ache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.—Adv.

Announcement!

(From Daily Papers of October 14.)

Coffee Week October 17-23

The National Association of Coffee Roasters has set aside the week of October 17-23 to be known as Coffee Week.

—To make known to the people, through a series of very special statements, how our coffee is of the highest quality and made in recent years in the coffee industry.

—To correct certain fallacies in the minds of some concerning the effects of coffee drinking.

—To impress indelibly upon the mind of the people the absolute importance of buying coffee that is **fresh roasted**.

—To show how highest efficiency may be secured in the cup.

—To demonstrate how one may get full value and satisfaction for the money one expends for coffee.

—To give as proof thereof the result of scientific tests by each of our members, how one may get full value and satisfaction for the money one expends for coffee.

The first of these very special announcements will appear in this paper.

You will be interested in these because they will tell you of some things you have never heard before, and some things you will be glad to know.

In the early part of the announcement series, when coffee was considered a new drink, the word "coffee" was applied to everything. Therefore, it will be noted.
