Tourists from the corn belt in the United States who happened to be in Portland yesterday had their eyes opened to the fact that the corn belt is moving West and a big strip of it lies across the State of Oregon.

Employees of the O-W. R. & N. Railroad drove this lesson home in their big street parade of the Manufacturers' and Land Products Show yesterday, with an object lesson that will not be forgotten soon by those who witnessed the parade.

"The 1915 corn crop of Oregon would fill 13,333 corn cribs," said one of the placards on a float in the parade, and there are few who would dispute the statement for an instant.

The parade formed in front of the Wells Fargo building at 1:30 and moved through the main business streets of the city to the Armory, where the show is being held.

O-W. R. & N. Band Leads Marchers. Heading the line was the O-W. R. & N. band, and behind it rode the officials of the company in automobiles.

Albany Pheasants Take Part. Forty-two automobiles carrying other officials and employees followed, and then McElroy's band headed the main section of marchers.

Float "Argues" for Irrigation. The float section of the parade followed the main section.

Employees Take Show by Storm. "Acknowledge the corn; here is the answer," was the caption on the floating float, which was crowded with fat sheep and hogs, and behind this float was a corn-shelling float.

crowd of O-W. R. & N. employees left the afternoon pass without coming around to pay respects to the big corn show booth.

The folks on Monday night set a new record for attendance, and it was thought that it would be hard for this record to be broken.

Bake the Fruit Cakes Now

As fruit cake improves with age, it is a good plan to bake several loaves at once—enough to last through the Holiday Season. Wrap the loaves in oiled paper, put them in a cool place, and they will keep all winter.

K C Dark Fruit Cake

By Mrs. Janet McKenzie Hill, Editor of the Boston Cooking School Magazine.

4 cups flour; 1 teaspoonful salt; 1 teaspoonful K C Baking Powder; 2 teaspoonfuls cinnamon; 2 teaspoonfuls allspice and nutmeg; 1/2 teaspoonful each, cloves and mace; 3 lbs seeded raisins; 1 lb. currants; 1 lb. chopped figs; 1 lb. sliced citron; grated rind of 1 lemon; 2 cups butter; 2 cups sugar; 12 eggs, (whites and yolks beaten separately); 1/2 cup wine or coffee.

Sift together flour, salt, baking powder and spices. Dredge fruit with flour thoroughly. Cream butter and sugar; add beaten yolks; add alternately flour mixture and liquid; add whipped whites, beat for ten minutes. Stir in prepared fruit. Line loaf-pans with four thicknesses of paper; pour in batter. Bake in slow oven from three to five hours, covering pans with paper until two-thirds baked.

You need the K C "Cook's Book," containing this and 93 other delicious recipes—sent free upon receipt of the colored certificate packed in every 25-cent can of K C Baking Powder. Send to the Jaques Mfg. Co., Chicago.
