In view of rumors published abroad, that Germany had asked for the recall of Mr. Whitlock on account of his re-port on the case of Miss Edith Cuvell, officials said emphatically tonight that the Minister's departure, so far as they were aware, was entirely of his own initiative. They pointed out that per-mission to Loave had been granted be-fore Miss Cavell was arrested. Mr. Whitlock himself reported yes-terday that he feit embarrased as result of the publication by the British Foreign Office of his letters to Am-bassador Page on the Cavell case, but added that the German military au-thorities seemed satisfied with the ex-planation that he did not intend the letters for publication.

A FINE TREATMENT

EASY TO MAKE AND COSTS LITTLE

Caterrh is such an insidious disease and has become so prevalent during the past few years that its treatment should be understood by all. Science has fully proved that Catarrh is a constitutional disease and there-fore requires a constitutional treat-ment. Sprays, inhalers, salves and nose douches soldom if ever give last-ing benefit and often drive the disease further down the air passages and into the lungs.

ing benefit and often drive the disease further down the air passages and into the lungs.
If you have Catarrh or Catarrhal deatness or head-noises, go to your druggist and get one ounce of Parmint (Double stremgth). Take this home and add to it's pint of hot water and i ounces of granulated sugar; stir until discolved, take one tablespoonful i times a day.
This will often bring quick relief from the distressing head-noises, clogged nostrils should open, breath-ing become easy and mucus stop drop-ping into the throat.
This treatment has a slight tonic action which makes it especially effect-ivy in cases where the blood has be-come thin and weak. It is easy to make, tastes pleasant and costs little.
Every person who wishes to be free from this destructive dhecase should give this treatment a trial.-Ady.
