REED JUNIORS WIN DEBATE

Negative Team in National Defense Argument Beats Seniors.

In a hotly contested debate at the Reed College chapel Thursday night the junior debate team, consisting of Clarence Young and Horace Miller, won from the seniors—Dean Webster and D D Million R. Milliken.

F. R. Milliken. The subject taken up was: "Resolved, that the United States should substan-tially increase its appropriation for Na-tional defense." The juniors defended the negative and the seniors the af-firmative side of the question. Judges were: Josephine Hammond, W. C. Morgan and H. B. Torrey.

Curative Value In Food?

"Recalling that 90% of disease results from errors in diet, then foods properly prescribed by the physician can justly be said to have curative value." -Dr. Henry B. Hollen, in The Medical Standard.

One of the errors in the diet of many people is the use of foods robbed of the vital mineral salts (phosphate of potash, etc.) which are absolutely necessary for proper balance of body, brain and nerves. The result is a long list of ills, including nervous prostration, kidney trouble, constipation, rickets in children, and so on.

Twenty years ago a whole wheat and barley food, containing all the nutriment of the grain, including the priceless mineral elements, was devised especially to correct errors in diet. That food is

Grape-Nuts

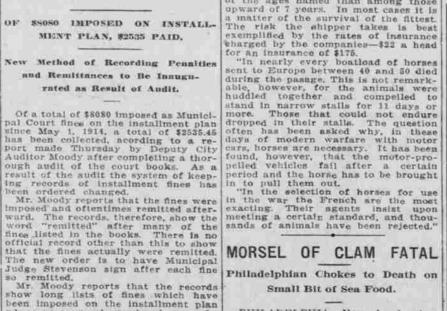

It fulfills its mission admirably.

Another physician says:

"Nearly half the year my breakfast consists of a dish of Grape-Nuts, one or two eggs, or fruit. I REC-OMMEND IT TO MY PATIENTS CONSTANTLY, and invariably with good results."

This wholesome food not only builds sturdy health and strength, but fortifies the system against disease. Ready-to-eat, nourishing, economical, delicious-
