Cirv \$100,000 Short on Interest.—The city is \$100,000 short in the amount needed December I to pay the interest on outstanding improvement bonds, according to City Treasurer Adams yesterday. Payments of interest are being made at the rate of about \$100) or \$2000 a day, which means the city will face a serious problem unless property owners pay immediately. The city would be obliged to transfer money from the general fund to pay the interest or lose its credit. There is but little money in the general fund which can be spared for this purpose.

The gift is an apparatus for conveying signals at street intersections by the operation of arms having the words "stop" and "go" written in bold letters. It is also equipped with a system of green and red lights to give warning at night and with an umbrella arrangement that will shelter the traffic policeman from excessive rain and sunshine.

Mr. Vogler exhibited the semaphore to Mayor Albee yesterday and explained how the device is being worked in Eastern centers.

FAIR CLOSES DECEMBER 4

The Panama-Pacific Exposition will close positively on December 4, accord-ing to a telegram received yesterday by Mayor Albee from President Moore, of the Exposition. The telegram reads as follows:
