OREGON CITY, Or., Nov. 8 .- (Specisl.)—As a result of burns from an explosion of gasoline, with which he was cleaning a pair of skates Satur-day afternoon, Andrew Linquist, the 11-year-old son of Mr. and Mrs. An-drew Linquist, of Willamette, died this morning. Death came after 35 hours of suffering

morning. Death came after 15 hours of suffering. Young Linquist and several com-panions were cleaning skates in the Willamette fire hall, which had re-cently been converted into a skating rink. They were using grasoline, and some of the liquid spilled on the floor. One of the boys lighted a match to burn it off, when the gas in the pan ignited. In their efforts to put out the fire the pan was upset and the burning liquid was splashed on Lin-quist. Wedneaday evening at 8 o'clock at G. O. F. Temple, First and Alder star. First degree.
