# Do You Like the Movies?

Are you sure that you see them distinctly?

There are many people, especially those who are no longer young, who do not get all that they should from the movies. They see the people on the screen, but they do not see their eyes, or the expressions they register as the plot advances. Sometimes letters in handwriting are thrown on the screen and these people who ought to wear movie glasses, but will not, cannot read the writing; it is

Very Effective Method for Banishing Hairs

(Modes of Today)

(Modes of Today)
At very little cost any woman can rid her face of hatry growths, if she will use the delatone treatment. This is made by mixing some water with a little powdered delatone. This paste is spread upon the halry surface for 2 of 3 minutes, then rubbed off and the skin washed, when every trace of hair will have vanished. No harm results from this treatment, but care should be used to buy real delatone,—Adv.
