and in costumes, the act is richly endowed.
 Joe Whitehead, billed as a "bunch of squirrel food," is a riot. He talks all the time and every word is a jest or a pun or tells a story. He sings, too, new ballads, and dances anything the audience suggests. Acts like Joe Whitehead are what make people relish vaudeville.

Three chums are a trio of lads with pleasing voices who sing cheerful melodies. One of the "chums" plays a violin nicely and dances while he does it, one is a pianist, the other is the comedian. They offer a travesty on movie audiences that brings laughs. Gertie

Why Suffer From Migraine or Sick Headache?
USE ANTI-KAMNIA TABLETS
 Dr. J. J. Caldwell says that this exceedingly distressing disease does not shorten life, but does appear to be curable. Sufferers from this affliction are condemned to undergo the periodic attacks every few weeks or months for years of their life. The attacks are less frequent and finally disappear entirely. Palliative measures during the attack are all that is possible to suggest, while care in the diet is the best preventive measure. An hour may often be prevented by taking two Anti-Kamnia Tablets when the first symptoms appear, and one Anti-Kamnia Tablet every two hours during the attack shortens it, eases the pain and brings rest and quiet. Anti-Kamnia Tablets may be obtained at all drug stores. Ask for A. B. Tablets. They quickly relieve all pain.
