TEAMS RATED ABOUT EVEN

Strength of Rival Lines Likely to Be
Factor in Determining Out-
come of State Title Match
at Eugene Saturday.

With the state championship foot-
ball classic one day off old General
Aggie seems to have invaded the
ranks of the better fraternity. Few
wagers have been laid with the com-
mon sense, and it is doubtful if there
will be much money flashed promiscu-
ously even at the ringside.

Truth is, there is too much mental
attitude to be reckoned with in this
engagement, and not enough material
edge either way to encourage plunging.
Locally, there seems to be a tendency
to make the Oregon Aggies a slight
favorite over Oregon, this being due
to the comparisons of scores in the
Idaho and the Whitman games.

Scores Favor Aggies.
The Aggies defeated Whitman 24-7
and Oregon defeated Idaho 40-6, and
Oregon crushed the same eleven 13-7.
Too many times, however, the wise
birds have been bamboozled by these
score comparisons to take much stock
in them. This fall, perhaps the most
glaring illustration of this was when
Whitman College that fall, and the
Agiess turned around and overhauled
Whitman 20-3 at Corvallis.

Naturally, Eugene Aggie men
were willing to stake their rent money
on the Aggies as against Oregon, and
many of them did get tipped for big
odds against the lemma and foot ball
victory.

Teams Appear Evenly Matched.
Psychology rules as strongly in foot-
ball as it does in golf, however, and
mechanical football was lost in the
scramble that fell at Albany.

Following are those who were in the
Multnomah Amateur Athletic Club
party: Captain "Red" Rupert, Man-
ager Martin Pratt, Wells, Harter,
O'Rourke, Donaldson, Sharpe, Crane,
De Witt, Parsons, Philbrick, Duffy, O-
Day and William R. Smyth.

SALEM PLAYERS PROTESTED
Cecil Sarff Said to Be 22 Years Old
and Team May Lose Its Title.

ALBANY, Or., Nov. 18.—(Special.)—
Because the father of Cecil Sarff, cen-
ter of the Salem High School football
team, says that his son is 22 years of
age, Principal Young, of Albany High
School, announced tonight that he
would file a suit to have Sarff's name
stricken from the game last Saturday, which
Salem won from Albany by a score of
7 to 0, thereby becoming champions of
the Willamette Valley.

The Oregon High School Athletic As-
sociation, under which all athletics of
the valley schools are being conducted,
presides that no player who is under
18 years of age should participate
who is over 21 years of age.

The protest will be investigated by
the Board of Control, and if it is found
that Sarff was not over 18 years of
age at the time he played, the game
will be forfeited to his opponents, for
Sarff has been in every lineup.

SOCER LEAGUE TO ORGANIZE
Multnomah Club Team Called for
First Practice Sunday.

John D. Dwyer, secretary of the Port-
land Soccer Football Association, has
sent out applications to various
managers of soccer teams asking them
to start operations for forming a league
to begin the 1916-17 season. No definite
date has been set for a meeting, but
any manager who would like to
get in the circuit may do so by calling
the secretary at Main 3355.

Dwyer is also manager of the Mult-
nomah Amateur Athletic Club eleven, and
he has announced that all candi-
dates for the squad must be on hand
for their first practice next Sunday
morning. Manager Pratt, of the
American style football, may have his
athletes out for their final practice
of the year, and in this event the
soccer players will elect a captain and
postpone their workout until the fol-
lowing Sunday.

HIGH GRIDIRON SCORE UNIQER
Three Defeats of 61 to 0 Registered
Against Franklin Eleven.

ALBANY, Or., Nov. 18.—(Special.)—
While receiving comment from local
fans is that the team of the Franklin
High School, of Portland, has been
beaten this season by three different
Oregon high schools by exactly the
same score. The coincidence is most
remarkable from the fact that it was

a large score, 61 to 0. Defeats by
small scores of the same size are not
unusual, but three scores exactly alike
in this size are almost without a
parallel.

The three high-school teams which
ran up this score on the Franklin High
were Washington High School, of Port-
land; The Dalles High School, and Al-
bany High School.

2 INTER-CITY GAMES SUNDAY
East Side to Play Soldiers and
Washingtons at Oregon City.

Inter-city football league games for
Sunday have been scheduled for Van-
couver, Wash., and Oregon City. Man-
ager Pratt, of Albany, will take his East
Portland eleven to play the Vancouver
Soldiers on the barracks gridiron, while
the Washington Athletic Club has been
scheduled to appear against the Oregon
City representatives at Oregon City.

The Columbia Park team, the fifth
squad of the circuit, will be idle this
weekend. The second battle of the
season between Columbia Park and East
Portland will be played a week from
Sunday on the East Portland grounds. The field will
be raked and marked off and three of
the best officials in the city will be
asked to handle the contest.

EAST LANSING, Mich., Nov. 18.—
Ralph Henning, of Bay City, was today
elected captain of the 1916 Michigan
Agricultural football eleven. Henning
played right end and has been
named a star for three seasons.

Twelve football players of the Mult-

Rose City yesterday afternoon after a
rather stormy voyage up the Coast
from San Francisco. Of the party Man-
ager Pratt, Alex Donaldson and Ed
Duffy were the only members of the
squad who did not take to the bunks
Tuesday night from seasickness.

Len Strubbe and George Reiter "had
to come home quick," they came to
Portland on the train arriving here late
Tuesday night. All the athletes are in
the best of condition, and few excuses
are given for the 6-10-6 game played
against the Olympic Club eleven on the
Marina at the Panama-Pacific Inter-

AGGIES SECRETIVE CONCERNING TEAM

Reports Creep Out That List
of Cripples Will Be Big
in Oregon Game.

MEN HEAR FOOTBALL ONLY

Bisset and Possibly Allen Out of
Lineup and Lacey and Schu-
ster Are Said to Be Unfit
to Play Up to Form.

**OREGON AGRICULTURAL COL-
LEGE, Corvallis, Nov. 18.—(Special.)**—
The last scrimmage before the great
battle with the University of Oregon
at Eugene Saturday was held last
night. Signal work was held today
and more tomorrow will complete the
preparation of the Oregon Agricultural
College standard bearers. Tuesday
the entire squad took up their resi-
dence at the Kappa Sigma Nu frater-
nity house and the fraternity men
bought the quarters vacated by the
athletes. Under the watchful eyes of
Coach Stewart, the men are surrounded
with an atmosphere of football, and
nothing but football.

With the crucial test drawing so
near, the orange and black athletes
are losing all the cockiness resulting
from the season's successes, and are
anxious aggregation. The same
feeling of anxiety over the annual
classic is daily taking deeper root in
the backs of the eleven, and those
who a week ago were confident of a
victory by a fair margin are now re-
trencing and taking on an atmos-
phere of conservatism.

Old-Time "Jinx" Feared.
This is due partly to apprehension
over the reappearance of the old-time
"jinx," and partly to the reports of
the poor condition of the team which
leaks out from various sources, in spite
of the veil of secret practice which
has surrounded the team since the mid-
dle of last week.

That a crippled team will line up
against the lemon-yellow assembly of
hunks is now assured. It became
known today that Lee Bisset, the
Newberg boy, who has been playing
a consistently strong game at center
and end, will be unable to play to-
morrow. He received a badly strained
ankle several days ago, which is still in
bad shape. The chance that Allen, the
speedy halfback, will be able to get
into the game is also rather slim. Even
if the big fellow should get a chance
he will be in no condition to show
the kind of game that drew the atten-
tion of Eastern critics.

Many Listed as Cripples.
Lacey will enter the game at his old
position at fullback, but is also far
from fit for a crucial fray. Schuster,
who sprained an ankle last week, will
appear at left end, and although he
still feels the effects of the injury, he
is the best man available for the wing
back.

The loss of Allen from the backfield
is doubly serious, since in addition to
crippling the backfield combination
necessitates the removal of Bisset from
his logical position at right end to full-
back, leaving Hofer, inexperienced in
the wing position, to make for the
backfield. Hofer is a star man at tackle,
where he has played three years, but
has done but little work as an end.

Because of Injuries.

ALBANY, Or., Nov. 18.—(Special.)—
Willamette University has called off
its game with Albany College because
of the large number of injuries on the
part of the team, and the contest between Albany
and the Chemawa Indian Training
School on Turkey day is the only game
left, and will complete the season's
schedule for the local college.

The team is being sent through a
hard grind each evening in preparation
for the Thanksgiving game. Coach
and Coach Bailey is taxing himself to

into shape to meet the Indian warriors.

of the club will be elected from among
the members of the board. The offi-
cers of the club at present are H. I.

other officers were all hold-overs on the board.

Rate Issue Delayed
Railroad Men Strike Snag in
Disposing of Salt Lake.

PROGRESS IS FAVORABLE
Necessity of Ruling by Trans-Con-
tinental Passenger Association
Found to Exist and Question
Is Referred for Action.

SAN FRANCISCO, Nov. 18.—(Special.)—
Better railroad rates for clubs
of the Pacific Coast League—rates
that will permit of Portland being
retained—together with other con-
cessions—will be referred to the Trans-
continental Passenger Association to-
morrow at a conference.

Because of passenger agents representing
lines with terminals in California and
a committee consisting of representa-
tives of the California, Oregon, Pacific,
Southern Pacific and the Salt Lake
line, will tomorrow draft a communica-
tion to the Trans-Continental Association.

Salt Lake Bar.
Favorable progress was made today
so far as the California representatives
were concerned, but the matter struck
a snag when attention was called to
the ruling that all matters in which
Salt Lake is concerned must be referred
to the Trans-Continental Association.
Because of this necessity it was de-
cided to refer the entire question to
the association.

The transcontinental passenger agents
will meet until February 18 in
regular session, but since that date
would give the Coast line the neces-
sary time in which to arrange for their
route, it is likely that action will be
taken.

Result Expected to Be Favorable.
M. O. Bicknell, of the Transconti-
nental Passenger Bureau, chairman of the
committee, said that the terminal lines
were the following announcement:
"Favorable progress was made upon
the application of President Baum,
of the Coast League, for rates for the
traveling clubs until we discovered
that, with Salt Lake concerned, it would
be obligatory to refer the question to
the Trans-Continental Association. For
that reason the entire matter was laid
over, although I am convinced that
everything will come out satisfac-
torily."
