Line From Teal Creek to Provide

Against Water Shortage.

DALLAS, Or. Nov. 18.-(Special)-A permit has been granted by the State Water Board to Falls City to divert water from The City to

abuve Falls City, far use by the city Falls City, has a gravity gratem, con-structed four years age. Originally two springs were used as the source of emply. The flow was instificient in the Simmer time to supply the res-arbar ages a permit was procured to take water for irrigation purpose. A year ages a permit was procured to take work of the grievance committee have had is seen to the grievance committee the work of the grievance committee the schwas grantically without fire production. These appointed to the special of the schwas and only Wedneeday received the number of the the scene, but no inquest was considered necessary. The take and only Wedneeday received the work in the second arching distances and the grievance was a structed in the scene of the work of the grievance committee the work of the grievance to the scene. The tragedy occurred on the Kekel the scene, but no inquest was considered necessary. The take and threatened, to take the the scenes, but no inquest was the work at the scenes, but no inquest was the work at the scenes ary. The tragedy occurred on the kekel the scenes, but no inquest was the work at the scenes, but no inquest was the work at the scenes ary. The tragedy occurred on the keken the work at the scenes ary. The tr Line was run from Glazz Creek to the reservoir. With this additional supply, Falls city suffered a shortage of water the eity was practically without fire protection. ACCIDENT RULING IS CET ber R. Fullon, E. W. Hardy, Rus-con Naison, Hugh Montgomery and Al-brancial arrangements were a considered necessary. These appointed to the special com-mittee to make financial arrangements were C. W. Fulton, E. W. Hardy, Rus-con Naison, Hugh Montgomery and Al-brancial were received from five

Man Hurt Boarding Moving Car Has

Judgment Aftirmed.

OLTMPIA, Wash, Nov. 18.-(Special) -The boarding of a streetcar while it is still in motion is not necessarily contributory negligence on the part of a passenger, the Suprema Court ruled on the waters of the Willamette River protocoday, affirming the 35500 judg-ment gained by Ture Hendrickson against the Grays Harber Railway & Paul's Episcopal Church, this city, on Light Company,

Hendrickson attempted to board a alowly-moving car on the way to the harn and the motorman, putting on extra speed suddenly, caused the abak-ing uff of the would-he passenger, whose leg was severed when he fell beneath the wheels.
