

POOR ARE BADLY NEGLECTED

Charity Organizations Face Crists

as Thanksgiving Approaches.

While others are preparing for the enjoyment of himorrow, if was brought to light yesterday that the poor have been glunnet forgottes this sension when the Associated Charities made the startling amountement that it had received practically no offers of donations and the cases that need help are

The charitable organizations made p append through the newspapers this i year for individuals in sold in apply-ing Thankagiving baskets in the poor, imagining that the benerolent individuals of the city would come forward without organs. The People's Louti-tute and the Associated Charittes are the only organized charities that are making an effort to provide Thunkz-garing obser this year, and they have Lean prepared with many demands in the past free days. At the Charitses almos more than 1 48 of the poor had applied for relief

before 11 m'clock in the merning. At I prefork this list was swelled to more than In and at that time two visitors periority and the nonintants in the effice had still 29 more cases to 1 cared for.

many applicants had come to Han' ha Pro the Pepele's Institute was not defi-nitely given, but the figures are supused to approximate those of the miles an

On the other hand, the Associated Charities had received calls from just 24 persons who offered to douate Thanksgiving bashets or dinners to

Secretary Manning called the People's institute and was informed that only is night offers of domations had been made to that organization. Last year at this the there had been offered more than 260 makets for the poor. The Charities and the Institute are back making a savid reconstruction of the

both making a rapid reorganization of these plans to handle the exceptional conditions that has arisen and will do all in their power today to arrange as that no deserving family of the poor shall be left without Thanksgiving choir.

# CHURCHES TO HAVE SERVICES

## Special Music Is to He Feature at

### Several Union Meteings.
