Spread Rapidly Into Scalp. Intense Burning and Itching. Caused Sleepless Nights.

HEALED BY CUTICURA SOAP AND OINTMENT

"Several years ago I was attacked by some skin trouble which started with a scaly cruption behind my right ear, and spread rapidly into my scalp. eruption was attended by an intense burning and Striking sensation. I scratched It's great deal and it caused sleepless nights. When the scales were removed the parts did not seem to heal, but the locking and burning became worse. I was told it was a form of ecrema.

"Seeing Cutiours Soap and Otstment advertised in the paper I sent for a free sample. A few applications healed the eruption and relieved the ficking. I benght some more, and in about three spoke the trouble had disappeared and has sever returned." (Signed) Mrs. Ralph E. McCord, Barley, Mont., Jan. 20, 1915.
