

DRUGHT IN OREGON BEGINS IN 31 DAYS

Householders Laying in Supplies of Liquor, but Rush is Expected Later.

GRILLS PLAN BIG NIGHT

Officers, Federal, County and City, as well as Railways, Prepare to Enforce Dry Law and to Check Bootlegging.

Thirty-one more days until the state-wide drought!

Twenty-seven days only are left to rest the off road and bumper trail and tender light conversation with the bartender.

One little month remains to these congenial social delights in the state.

Grills Planning Big Night

Grills are planning a big night of safety for the last light of the year and reservations are being made in large numbers at all the leading places.

Officers of the law, both of the Federal, county and city governments, are making arrangements to enforce the dry law to the letter.

Club to Open Law

Clubs, where liquors are sold only to members, have declared their intention in every case to conform strictly with the law.

PRESIDENT GIVES TOAST

TRIBUTE PAID TO GENIUS AND ART OF EXPOSITION.

Message to be Carried in Many Fields of Endeavor as Closing Scenes of Fair are Being Enacted.

SAN FRANCISCO, Nov. 28.—President Wilson's international toast to be offered at the exposition to be the "gathering of nations" at noon on December 4, closing day at the Panama-Pacific Exposition in the Court of the Universe, was made public here today.

The President's toast follows: "White House, Washington, D. C.—The Panama-Pacific International Exposition, which in its conception and successful accomplishment, marks a new epoch in the practical genius and artistic taste of America; 'Which in its interesting and unusual exhibits afforded impressive illustrations of the development of the arts of peace; and 'Which in its motive and object was designed to bring to the attention of the world the genius and art of the nation that it is being made public. A boy scout will be commissioned as President Moore, of the Exposition, to take the message to the schools. A journalist will be similarly commissioned, as will a laborer, a cowboy, a surveyor, a soldier and sailor, each instructed to take the message to his field of effort. President Moore will then telegraph President Wilson and appreciate response from the Exposition, to take the message to the schools.
