Desire of Francis Joseph to Conclude Separate Peace Is Rumored.

MONASTIR NOT OCCUPIED

Bulgaria Avoids Giving Offense to Greece and Announces That Her Campaign Against Serbia Has Come to End.

LONDON, Dec. 1.—Emperor Will-tane's visit to Vienna, which coincided with the resignation of three of the Austrian Calinest Ministers, is the cause of much speculation. The two events are variously assumed to be connected with the reported effort of Germany to force Austria into a Ger-man Zuliversin, that is a trade alliman Zoliversin, that is a trade alli-ance: a desire of Emperor Francis Jo-seph to secure a separate peace through the intervention of Pope Bene-slict, and a rumored disputs between Austria and Bulgaria over the division of Seculan territory.

There naturally is no authoritative base for any of these reports beyond

Bass and the movements of the armies of the central powers continue with unabated energy. Like Germany, Bulgaria anneunces that with the capture of Prisrend her campaign against Serbia has come to an end, which seems to appear the suggestion that, to appear the conceivable, as has been declared, that the events of those most concerned. If it is just conceivable, as has been declared, that the events of these most conceivable, as has been declared, that the events of these most conceivable, as has been declared, that the events of the events of these most conceivable, as has been declared, that the events of t

mart of the Sanjak of Novipasar which was taken by Mostacegre after the Markenegre after the Markenegre after the Markenegre after the Markenegre and and account the Senina and account the Senina and account the Markenegre say they have defeated the Austrians in the region of Fotcha, Bosnia. It is expected, however, that the Austro-Germans have provided sufficient forces to make sure of a successful campaign, as there did in the case of Serbia, being converted that the government, with the Britain, French and Serbian hold attemp positions, the snaw still prevents any mavement of importance. No news has been received of the Austrians and Germans who proceeded to Bustines in which we have to mortgage our last shilling. Everyone must ask operate with the Bulgarians and Turks for oppose a possible Dussian invasion through Roumans. part of the Sanjak of Novipasar which was taken by Montsoegro after the Bulkun War. The Austro-Germans are
