

WOMEN'S CLUBS

BY EDITH KNIGHT HOLMES

PROMINENT CLUBWOMAN HOSTESS FOR FORESTRY ASSOCIATION.

THE Ladies Aid Society and other women of the First Congregational Church assisted the good cause for which the Anti-Tuberculosis Society stands by selling the merry little Red Cross seals yesterday. Their efforts added \$52.25 to the sum which now amounts to more than \$1200.

Mrs. Thomas Moffett

The out-of-town places are doing excellent work, busily showing their interest in the work of the society. Junction City has reelected. Its first order for \$20 worth was soon sold. Six little Campfire Girls sold \$18 worth.

To a little school in Wauna, Clatsop County, 100 seals were sent. In Lake County, a girl of 14 years of age is in charge of the sale. Number the state interest is growing and there is a friendly rivalry to see who can do the best work.

Today the Portland Women's Club and the Oregon Graduate Nurses will show their loyalty and will endeavor to make a banner record. The money obtained will be used for anti-tuberculosis work.

One of the most interesting club affairs of the week was the Forestry Association's meeting on Monday when the members were guests of Mrs. Thomas Moffett.

Asarah Delphinia Club will meet tonight with Miss Gussie Weiser. "The Age of Chivalry" is the club study of the Asarah Delphinia Club this month. It is an "Age of Chivalry" which was given by members at the meeting held at the home of Miss Fannie Getteman.

Williamette Chapter, Daughters of the American Revolution, paid one of their occasional visits to the Patton Home yesterday and entertained the old people with an enjoyable program. Several times a year the Daughters of the Revolution go to the Patton Home to add a little diversion to the quiet lives of those in the home. On these occasions great interest and appreciation are displayed by the old people.

Mrs. Harry Van Dyke and Clarence Heath opened yesterday's program with a duet from "Il Trovatore." Mrs. M. K. Scott sang a duet with the most distinct readings. Miss Evelyn Haddock played a nocturne from Chopin. "Chasing Butterflies" was sung by Mrs. Van Dyke.

Several additional selections were played and sang, after which a little package of candy with a flag tied in it was given to each of the old people. Mrs. E. A. Taylor, Mrs. George Eifman, Mrs. L. H. Peters, Mrs. M. Palmer, Mrs. J. Martin Watson and Mrs. T. W. Sharpe, Mrs. Dorothea Wagner, regent of the Williamette chapter, were instrumental in making the affair a notable success.

And still the good work of the Visiting Nurse Association goes on. Last month they cared for 227 general patients and 74 tuberculous patients. The visits made during the following month: 227 general cases, 695; tuberculous cases, 122; total, 727. The Oregon Federation of Women's Clubs has been assisting the association during the recent months by financial donations.

The Scottish Rite dance and card party tonight will be one of the festive events of the week. Gay and artistic was the luncheon which yesterday was given at the hotel of Miss Nava Bonnell to Miss Weisbach. Miss Weisbach is well in the hands of Mr. and Mrs. R. F. Bonnell. She was a student of the Portland Academy. Mr. Wagner is the son of Henry Wagner and attended that school. Both are prominent in Portland society.

The bride-elect attended Miss Head's fashionable school in Berkeley, Cal. The Bonnell's resided in Denver until a few years ago, when they came to Portland to live.

Mr. Wagner is a grandson of the late Henry Weisbach. Clouds of pink and blue tulle overhung the table and shone with place cards and announcement cards tied to them were suspended with two wedding rings. Baskets of begonia and chrysanthemums lined with blue velvet were placed in evidence and at each cover were favors suggestive of the coming nuptials. The afternoon was devoted to bridge.

Sevens were held for Mrs. William Lee Powell, Mrs. Bruce Stewart, Miss Angie Owen, Mrs. Herbert Coppick, Miss Mildred Camp, Miss Marjorie Cameron, Miss Dorothea Wagner, Miss Ella Camp, Miss Ruth Plummer, Miss Beulah Hayes and Mrs. Ralph Robinson.

At the meeting of Franklin High Parent-Teacher Association Tuesday night, Judge Gentry gave an interesting address on the subject of the appropriate for young people. Plans for the second part of the school were discussed.

Holman Parent-Teacher Association was addressed at its last meeting by Miss George who presented an address on literature for children. The influence of books on the lives of children is regarded as one of the greatest of all, she said.

Rose City Park Parent-Teacher Association will meet today at 2:45 o'clock in the schoolhouse. A program will be presented.

Ellet Association will meet at 2 o'clock in the Alberts Branch Library. Miss Jessie Hodge Millard will tell of the books suitable to little children, and Mrs. J. Chris O'Day will sing.

The Women's Civic Welfare Club will meet in the Library today at 2:30 o'clock. Current events will be discussed.

The Sisterhood and others of the First Christian Church, at Park and Columbia, have made preparations for a very interesting program to be held Friday night. A musical program is to be given and some well-known talent is to participate. The numbers are as follows: Solo, Mrs. Ross Thompson; duet, Warren A. Erwin and Genevieve Gilbert; piano selections, Master Gordon Soule, the boy pianist; readings by Miss Conner; solo, Genevieve Gilbert.

For the first time in the history of the Merchants' Exchange of Portland, Or., a woman attended every session this year and manifested an active part in the trading. She took an active part in buying and selling, and so generally made her presence marked that she was an object of comment more because of the shrewd business she exhibited than because she was a woman in a place where men had never been before.

Another \$100 gift was received for the Christmas relief fund of the Associated Charities in a donation reported from C. W. Winters yesterday. This, with three other large donations, raises the total of the fund to \$1215.17.

Clothing was received from Mrs. A. Lyons and a case of shoes was sent up by a good fellow, who declined to give his name. Groceries were given by Mrs. T. G. Auld and a supply of rugs and furniture was sent in from Mrs. J. Cohen.

The Charities is especially in need of children's clothing supplies, stockings and underwear. One firm in the city has announced that it will send to the Charities all second-hand clothing that is left with it this week to apply on new purchases.

Among the cases appealing for help yesterday was a woman with four small children, whose husband is out of the city seeking employment. The woman is ill and there is no food in the house.

A young couple with a baby nine months old asked for fuel and food for a little while. The husband is unable to work because of an affliction.

A drunken husband who has been sent to jail has left a wife and four children in serious need. The oldest child is only 13 years old and the youngest is 2. The destitute family is in need of food.

The father of the father in another family makes help with food necessary. There are three children. The youngest is only 5 months old. The mother's time is taken up with caring for the family, so that she is unable to seek work and could not take it if it were obtained for her.

Miss Smith declares that she cannot understand why anyone should buy silver at 75 cents to put upon the market when it can be raised for 75 cents. Notwithstanding her own success in the market she is opposed to the existence of the stock market as a new evil, and accepts it only as a necessary evil.

In addition to being the first woman in Oregon to take an active interest in the activities of the wheat market she is one of the youngest persons who have ever marketed their own stock on the exchange.

Miss Clark looks every inch the part she plays in the business dealings of Oregon. She is small in stature but keenly alert. She speaks softly and loudly and has a sense of humor. She quite frankly loves wealth and makes no pretense to the contrary. She has no pet philanthropy and declares herself unreservedly selfish. She does not interest herself in any charity. Her idea of helping her fellowmen is in giving them all a "square deal."

Her honesty in business dealings won her for among the traders the name of "The Honest Farmer."

Benson, who donated \$100,000 toward the purchase price of the new Polytechnic School building; a group picture of the School Board, and interesting scenes of students at work in the schools.

The report also contains school calendars, a directory of the school officers and teachers, a report of the last annual school meeting and the reports of all administrative officers.

CITY TO OPERATE LINE

Dirt Only, However, Will Be Carried on Municipal Railroad.

The city will have a municipal railroad. It is not, however, to compete with the streetcars, the freight lines or the Rivers. It is to be an independent line about 1000 feet in length extending across East Thirty-ninth street from Laurelhurst Park to some low ground in Laurelhurst. It will haul away the dirt to be taken from the park when the city during the winter excavates for the long-prepared park lake.

A CHILD DOESN'T LAUGH AND PLAY IF CONSTIPATED

Look, Mother! Is Tongue Coated, Breath Feverish and Stomach Sour? "California Syrup of Figs" Can't Harm Tender Stomach, Liver, Bowels.

Mother! Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign that the stomach, liver and bowels need a cleansing at once. When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, diarrhoea, remember, a gentle liver and bowel cleansing should always be the first treatment. Nothing equals "California Syrup of Figs" for children's ills; give a teaspoonful, and in an hour or two the cold, the headache, the fever, the stomach-ache, the diarrhoea, the bowels pass out of the system, and you have a well, happy, contented child again. "California Syrup of Figs" is a harmless, delicious "fruit laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle. Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 5-cent bottle of "California Syrup of Figs," then in a few days you will see the difference. It is made by the California Fig Syrup Company.—Adv.
