Portland Hockey Team Will Clash With Metropolitans in North Tonight.

Pacific Association Champions Will Be Eligible to Compete for Stanley Cup—Ottawa Club Practices With Difficulty.

Pacific Coast Hockey Standings.

Team	W.	L.	T.	Pts.	Goals For.	Goals Against.
Portland	10	1	0	20	100	30
Vancouver	8	3	0	16	70	40
Seattle	7	4	0	14	60	50
Ottawa	6	5	0	12	50	60

"One of us must give up his right to lead the Pacific Coast Hockey Association, and I have a big hunch that it won't be Portland," said Manager E. H. Savage, of the Portland Uncle Sams, last night, and he was getting ready to take the train to Seattle, where it will oppose the Metropolitans tonight. "At present we are going great, and I don't think that we are shooting ourselves in the foot."

The party of nine ice hockey players and Manager Savage will leave early this morning for the Sound City, and the return will be made immediately after the contest. Pete Mulholland, ex-manager of the Uncle Sams, now is looking after the Seattle end of the game, and he promises to give his "old boys" something to think about after the game tonight.

Five members of the Seattle septet are from the Toronto club of the National Hockey Association, and as a result of this the Easterners had to discard for the 1915-16 season the "ice" of the local substitutes. This makes but five aggregations in the National circuit to start the campaign this week.

Should Portland or Seattle win the championship of the Pacific Coast Hockey Association, this season the Stanley Cup will be eligible to compete for the famous Stanley Cup. This was decided by Billy Fries, of Ottawa, who is president for the Stanley cup. The Stanley cup is not emblematic of Canadian honors, but the ice hockey championship of the world.

The Ottawa Ice Hockey Club of the National Hockey Association is having a hard time trying to get the straight games. The agreement is that the world's championship must be played first in one place and then the other. It is now the East's turn to witness the big series, and in all probability the Pacific Coast association will send its representatives back instead of defeating the Stanley cup.

The ever-popular trap shooting game has found an enthusiast among hockey people. Boston's team, in a recent game of the Ottawa contingent, tried his skill with the scatter gun last week, and in his first attempt at smashing skeet he was successful. News is being given to his players out to the traps very shortly, he says.

Sprague Cleburne, the Montreal Wanderers' great all-around player, will captain the team during the 1915-16 season.

Mike Mitchell, who played goal-keeper for the Uncle Sams last year, has been barred from playing with the Seattle team. The reason given is that the squad is competing for the Allen cup. Efforts were made to obtain a permit to allow him to play among the Seattle-Portland boys, but the Canadian Amateur Hockey Association were not in favor of the request.

The latest National Hockey Association innovation to give a free shot on goal where a foul is committed to prevent a goal being scored, will be watched with some interest. The National Hockey Association will at least have done something to justify its existence, according to the northern critics.

Assistant Manager J. George Keller, of the Portland Ice Hippodrome, has made arrangements to have the results of the Seattle-Portland and Victoria-Vancouver games tonight announced during the regular ice skating period. The games will start at 8:30 o'clock.

Following are those who made the trip north: Manager Savage, Captain Catman, Harry Irvine, Johnson, John Ustila, Dunderdale, Barbour and Murray. "George," the pig that is acting as mascot for the Uncle Sams, will go, too.

The game between Centralia and the Rainier boys, in spite of the fact that they were outscored, defeated the opponents by a score of 24 to 22, while the junior girls defeated the opponents 14 to 10. In the boys' game the score was 23 to 18 in favor of the sophomores until the last two minutes of play.

CHAMPIONS TO PLAY

Boston to Meet Brooklyn in Series of 3 Games.

NATIONALS CONFER TODAY

Announcement Made in New York That Charles Herzog Will Remain as Manager of Cincinnati.

Americans Meet Tomorrow.

NEW YORK, Dec. 13.—Major and minor league baseball clubs were well represented at three or four of the uptown hotels today.

Plans and rumors of deals for next year's playing season were heard on all sides, but only two definite statements were made.

One was that Charles Herzog will remain as manager of the Cincinnati Nationals for at least another year. The other was to the effect that President Joseph J. Lannin and Charles H. Ebbets had arranged for a series of three games to be played in Brooklyn between the Boston Sox's champions and Wilbur Robinson's team at Ebbets Field on April 5, 7 and 8.

President Edward G. Barrow called the annual meeting of the International League to order late today and after a thorough session, he announced that the meeting had adjourned to meet here again on January 17. Every club in the league was represented and the session was for the greater part devoted to arranging for next year's circuit. A second condition—considered in fact that might be expected after such a bad baseball year.

The National League meeting will be held here tomorrow, and club owners and managers of the National League met at the Richmond, Va., club, denied having any intention of shifting their franchise.

Just after the session was concluded President Barrow said:

"The International League has weathered every storm safely and today it is in a sound condition—consider in fact that might be expected after such a bad baseball year."

Bits of Sport

CHARLEY BIEGLER, National League umpire, has been in a Cleveland hospital for weeks with typhoid fever, now is well enough to leave the institution, but he is not in any hurry, preferring to play safe.

Jack Dasher has been handing out many interviews of late and in each he declares that the Brooklyn Dodgers just can't help but lose the National League pennant next season unless the whole team drops dead on the playing field in the spring camp.

Bill Donovan, the Yankee manager, has signed up 49 men thus far for his 1916 team.

Reports have it that Frank Jelen is going to instruct the students of the Iowa University in the art of wrestling.

Harry Herring has been selected to coach Lehigh. This is not a fish story.

The old boxing game must be pretty good after all. The Williams-Barne battle in New Orleans drew nearly \$100,000 into the arena, but the spectators were sent away like that things don't look so bad.

BAL ISSUES ARE BIG

Northwestern Chiefs Meet in Seattle Tomorrow.

LEAGUE SIZE TO BE FIXED

Admission of Butte, Missoula or Helena Will Be Determined, as Well as Plea of Aberdeen for One More Chance.

Northwestern League baseball chiefs will have many important matters to settle when they meet tomorrow in Seattle. First on many questions to answer and tangles to straighten out before that circuit can hope to embark on a peaceful cruise through the 1916 season.

Here is a sample of the questions that must be answered:

Will the league be composed of four clubs or six? Will Butte, Missoula or Helena receive a berth? Will Aberdeen's claims for a berth receive consideration? Tacoma seems to favor giving Aberdeen one berth, either.

Will President Blewett be continued in office? President Farr, of the Indians, will favor the candidacy of Frank Foster as manager. He will like the Vancouver and Tacoma moguls are said to be strong for Blewett. Dugdale has refused to commit himself.

Will Monday baseball be dropped and the player limit slashed to 13 men? This is advocated by Bob Brown, of Vancouver.

Some strict clause be inserted in the league rules that will prevent the transferring of scheduled games in midseason? Farr is for this move and would like to be done in the spring. In spite of any protests the other clubs may make when the move comes up.

Will the league ask a special salary commission of the American League, to adopt the \$1800 limit set for B leagues? It will readily be seen that the magnates will not have a great deal to say in this matter.

Will the league clean up the league business in time to start the ball in the spring?

Fitcher Jacobs, the right-hander last season with the Albany club in the New York State League, will not become a Beaver.

The Pittsburgh Pirates throw some thought into the working order of the machinery that set a snag. When the Phillies called for waivers on Jacobs, the Smoky village outfit balked. As a result it is expected that Jacobs will be in the spring and he to the Spring training camp of the team made famous by Hans Wagner.

It is being rumored that Chief Meyers, the New York catcher, may see a shift of scenery next season. It won't be a long jump, however, according to Danne Runyon, just a hop across the East River to the Brooklyn Dodgers.

Here's a pickup artist that was overlooked in the article in making up the All-Star eleven. It's Billy Vas of Great, of Alabama. He kicked only 11 goals from the field all season long. He outdistanced all of the stars in this department of the gridiron pastime.

A syndicate has been formed in Indianapolis, Ind., to promote indoor ice skating on a high-class scale. An effort will be made to establish the sport through the winter months in Portland.

Ray Brown, the well-known boxing promoter, is one of those interested in the sport of boxing in the city.

The Clatskanie Amateur League club has purchased "Lefty" Herbert, a pitcher, from Oklahoma City.

Howling may be included in a course of instruction in the New York Police Department.

Here's a new method that can be employed by any football coach to forward a letter to the press.

Clark Shaughnessy, of St. Paul, former coach of the football team at Tulane University, has written a letter to the press in the form of a football play.

He described it whenever the variety show came on the air. He said that he had written the letter to the press in the form of a football play.

Modern football carries a decided temperamental touch, but in this temperamental touch, the olive most remarkable character that ever played the game. Although weighing less than 150 pounds—a human splinter—Trojan is one of the most remarkable characters that ever played the game.

Only a vital spark of excessive flame in the olive could have held on to the Trojan, fighting himself, fat, the umpire, the opposing club. He was supposed to be a football player, not a character actor.

There is any truth in the rumor that Yale is willing to select her next football coach until she sees how Coach Ford's blocking and interference operate against the European war? We wonder.

The Trojan.

A day or two ago I received a note from Johnny Evers in which he said that, while still playing ball, he was far from being in first-class shape.

Prizefight Film Law Legal.

WASHINGTON, Dec. 13.—The Supreme Court today held constitutional, the law of 1912, under which it is unlawful to exhibit moving picture films of prizefights for public exhibition. The decision was announced in a suit arising over the exclusion at Newark, N. J., of a film of the Willard-Johnson fight at Havana.

Philomath College Quintet Wins.

CINCINNATI, Or., Dec. 13.—(Special)—The Philomath College team recently defeated the Oregon Club team, of Corvallis, in the Philomath gym 36 to 24. The college boys showed a marked improvement in team work over last year. The guarding was tenacious on both sides.

Kilbane-Mitchell Bout Postponed.

CINCINNATI, Or., Dec. 13.—The 16-round bout between Johnny Kilbane, of Cleveland, and Ritchie Mitchell, of Milwaukee, was again postponed tonight, this time until the afternoon of Saturday, January 1. Kilbane telegraphed that he was recovering from an attack of acute indigestion.

Sophomore Strongest at Harvard.

CAMBRIDGE, Mass., Dec. 13.—George A. Percy, of Arlington, a sophomore, was named as the strongest man in Harvard College today. His record in the official strength test was 147, beating the best previous mark, 142, made two years ago by H. R. Hardwick, the football star.

Portland Boy Elected Captain.

ITHACA, N. Y., Dec. 13.—Linus V. Wedemeyer, senior of Portland, Ore., has been elected captain of the Cornell cross-country team. He has been on the team two years.

Benny McGovern Beaten.

KANSAS CITY, Mo., Dec. 13.—Tommy Buch, Philadelphia, featherweight, defeated Benny McGovern, of St. Louis, tonight here in a ten-round bout.

1623 Participate in Athletics.

CAMBRIDGE, Mass., Dec. 13.—Harvard athletic statistics issued today show that 1623 students have engaged in major and minor sports so far this year, the largest number in the history of the university. The increase was 299 over last year. Football proved the most popular, with 345 names enrolled, while 247 athletes went out for track games and 352 played tennis.

Miebus and Sommers Will Mix for Light-Heavy Honors.

COAST TITLE IS AT STAKE

O'Brien and Clark Will Battle for Lightweight Honors on Same Bill at Rose City Athletic Club.

Other Matches Arranged.

A question that has been bothering Portland boxing fans for some time will be settled tonight after Earl Miebus and Al Sommers have mixed in the ring at the Rose City Athletic Club. Which of these two boys is the better equipped to take care of the Northwest light-heavyweight title will be the issue.

Sommers and Miebus are undoubtedly the pick of the light-heavyweights in the Northwest and in matching these two boxers for the title it seems the East side club has made a master stroke. Both have been hard at work for the match and, figuring on the dope, both seem about evenly matched. Miebus has been working on his technique of it—that is if he is the same boy that he was a couple of seasons ago. At that time he was more clever than a change he made in his opponent's strategy. Also he carries a stiff jolt. On the other hand, Sommers has been improving by leaps and bounds.
