GREECE BELIEVED

Bulgarian Proposal to Establish Neutral Zone Is Considered by Premier.

WILL HANG ON

to Be Occupied Until Peace Is Declared, Says Officer. Hundreds of Refugees Are in Deepest Misery.

LONDON, Dec. 14-It is declared in Greek official circles here that for the info Greek territory from Serbia is con-sidered probable, and it is believed to be certain that such a measure would ent he taken until it was deemed to be

A Reuter dispatch from Athens says A Reuter dispatch from Athens says that Fremier Shouloudis had a lengthy conference with the Greek War Minister and the thief of the general staff today on the situation in Macedonia, the Principal subject discussed being the Bulgarian proposal for the establishment of a neutral zone extending from Momastir to Glevegli, and exacuation of Kenali by the Bulgarians. Bulgariana Invite Recents.

From Sofia it is reported that recruits from occupied districts in Serbia have been invited to join the Bulgarian army, Those, with soldiers chosen from men hitherto exempted, and men 3 years of age, it is declared in these dvices, are expected to produce a naw Te of 150,000.

SOFIA, vis.London, Dec. 14.—A neutral sense extending two kilometers on each side of the frontier has been agreed on between Groece and Bulgaria, according to an official annountements made here today. The

efficial announcement says:

"Bulgarian armies, by the capture of Monastir and Romann, having approached the Greek frontiers, the Bulpresched the Greek frontiers, the Bul-garian government, wishing to avoid any possibility of accidents between advanced posts and Greek frontier guards, proposed to the Greek govern-ment that a neutral zone be formed by the retreat of troops on each side two kilometers from the frontier, Greece realled accepting."

SALONIKI, Greece, Tuesday, Dec. 14. -- "You may take this as final: The allies will not quit Saloniki until European peace is brought about," said an officer of the allies to the Associated Press correspondent today.

Foreigners Leaving Port.

Outgoing ships are crowded with foreigners, particularly Germans and Austrians. The inhabitants of Salewicki are leaving the city in fear of a sleep. The British Consul is advising civilian British subjects, especially wamen, to take their departure. Hundreds of Sarbian refuseds and

FOOD COST TO BE CURBED

drawn German naval and military attaches, will be appointed by Emperor William until the and of the War.

Count von Bernstorff, the German Ambassador, it is understood, may suggest that successors will be understood, may suggest that successors will be understood, may supplied various resolutions looking to the regulation and cheapening of food supplies. These resolutions include a seduction in the maximum price of sugar and by-products, the fixing of maximum prices for rise and vagetables of all Rinds, as well as foodstuffs for livestock, and providing for special allowances of grain to breeders of animals and pouitry.

The committee also discussed a probe of the correspondence may follow after the attaches have made a report to Emperor William.

The opinion prevails in official circles that now that the attaches have been withdrawn the German Ambassa-

(Continued From First Page.) fuse to accept further abluments until ocean vessels clear the terminals. This may be done in a few days and it may not be done for weeks. It all depends upon the number of vessels that can be brought into service."

Year—Speakers Outline Work Un-

"The embargo affects principally Canadian grain exports, shipped via United States ports," said E. F. Rosenbaum, of the J. Rosenbaum Grain Com-pany, hig experters. "There has been little expert trade for United States grain for the last two or three weeks, and the embarge does not affect alip-ments for donestic trade. This has been the principal business in the

ing of grain on domestic markets with ing of grain on domestic markets with a depression resulting.

The embargo was first placed in effect on the Lackswanna italiroad saveral weeks ago. Embargoes for a few days time have been put into effect at different times, but the present embargo applies to every Western railroad and its Western connecting lines.

GRAIN FILLING EAST'S PORTS Rate Cut Sought That Exports May

Go by New Orleans. Wheat, in trainlead lots, now is going out of Portland and Tacoma to the
Atlantic seaboard for export.
The principal ports of the East are
congested with traffic and have placed

orngested with traine and nave places an embarge against grain shipments from the West.

The railroads of the Northwest are negotiating with each other by telegraph and expect, within a few days, to establish a de-cent rate to New Orngester and the sea affect to move the idle leans in an effort to move the idle wheat of this territory through that

These recent developments are due directly to the leability to obtain charters for vessels moving between Northwestern ports and Europe.

The war has forced the price of charters up so high that local exporters cannot touch them and has made it next to impossible to get charters such these figures.

An open shop was declared for by the Portland Market Men's Association last night at a special meeting at the Chamber of Commerce.

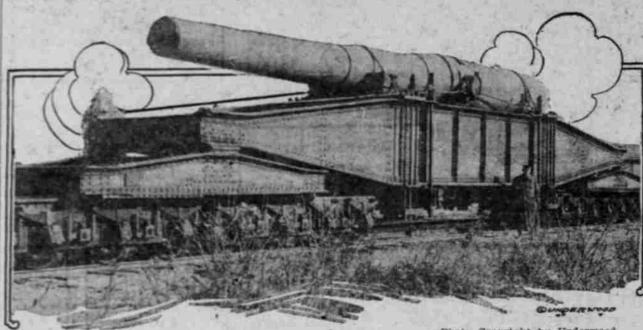

That means they are going to fight it out with the union meat cutters, who is those figures.

Market Men's Association Declares Open Shop.

Mententiers Demand Working Day Be Cut From 10 1-2 to 10 Hours, and Evince Disposition to Fight Out Issue.

Expended in Fiscal Year.

axt to impossible to get charters even it out with the union meat cutters, who during the fiscal year of 1918, ended Anticipating this situation the rail- walked out Monday morning because December 1, by 28,072 miles of new

This is one of the big monsters upon which America will have to rely for protection against any foreign power that may get the notion to selbe the Panama Canal. This 16-inch disappearing gun is the biggest gun of its class in the world and is capable of throwing a projectile 21 miles. The sun proper weighs 200 tons and was made some months ago at Watervilst, N. Y., from where it was shipped to watertown. Mass., to have the carriage fitted. Several times along the way its extraordinary weight spread the rails. December 10 it was shipped to Sandy Hook proving ground on a train of 14 specially constructed cars. The gun will ultimately be used in the fortifications at the Panama Canal. The picture shows the gun on the carriage and the specially constructed cars which were used to transport it.

proved, it Is Said, by Removal of Course of Criticism.

Year-Speakers Outline Work Undertaken by Organization.

Judge John H. Stevenson at the annual

been the principal business in the American grain market."

If continued, the embargo will result in a big congestion of grain in the Chicago, St. Louis and Peoria markets with a probable depressing effect on the market, in the opinion of G. E. Mary, of Armour Grain Company, and E. M. Comba, of Shaffer & Stream, grain dealers.

The embargo has not shown any bad effects ret, said Mr. Mary, "It does not affect ablipments for local consumers, and this is the principal trade of American grain now. It shows principally the lack of ocean abipping facilities. Blouidd it continue long in effect in market."

The smarket was the consumer of the secretary-treasurer and for American grain now. It shows principally the lack of ocean abipping facilities. Blouidd it continue long in effect in market."

The glippers have shown no inclination as yet to houry the shipping of the past year.

The membership of the league in the past year, showing the lack of ocean abipping facilities. Blouidd it continue long in effect on the market."

The glippers have shown no inclination as yet to houry the skipping of grain, Mr. Combs said. If the embargo remains in effect for a long period it is likely to result in the load.

Base of the organization of the organization of the southed the work of the market."

Paging Sixvenson outlined the work of the league for the past year, showing of the league for the past year, showing activities which it had done for the relief of incomplayment and the establishment and maintenance of the Minister of Commerce that he would submit to President Polineare for men.

WASHINGTON, Dec. 16 .- In the light of reliable information received here Man Missing Nearly Two Years Is oday, it is regarded as doubtful whether the successors of Captain Boy-ed and Captain von Papen, withdrawn German naval and military at-

roads, several months ago, made a rate of 50 cents for 100 pounds from the Northwest to 5t Louis and Chicago. Heavy volumes of grain have moved under this rate, some of it for export and some for demestic consumption. The last of the old wheat also was carried eastward under it. The rate to the Atlantic seaboard is about 16 cents additional.

Until the present week all the east-basind movement has originated in the interior.

they said their demand for a 10-hour day was not granted.

"The association is made up of virtually all of the market men in the city," said William Constantine, president of the association, after the meeting last night. "We, all of us without lighted to stand pat now and go to the mat with the strikers.

The dispute was over a half hour's now in the city is 567.907 miles more than four inches in diameter and interior.

and expect to get more every day. The association is stronger today than it ever was.

"To have granted the half an hour in the morning meant the loss of much business, for there are beats leaving early which we have to supply with meats, also dining-cars, cafeterias, hotels and the like."

The union stronger today than it was necessary to send in snowshoes before one of the rapgers could be brought out. During the Winters one ranger will make weekly trips on snowshoes to the lake to make depth readings.

The union strikers were equally determined last night to fight it out with the employers, according to a statement secured.

TRUNK MURDER REVEALED

Found in Cellar.

PHILADELPHIA, Dec. 16.—The body adopted by the Council by resolution. The Mayor had previously vetoed an ordinance providing for the same levy, throughout the day listening first to helding it \$170,000 too high.

D. J. McNichol, president of the Keller Leather Goods Company, who disappeared in March, 1914. Edward Keller, employed as a foreman at the leather employed as a foreman at the leather works, and who was later interested in a laundry in the building where the body was found, has been arrested.

D. J. McNichol, president of the Keller Leather Goods Company, who disappeared by the Council by resolution. The House committee sat practically throughout the day listening first to the National Association speakers, headed by Dr. Anna Howard Shaw, their president, then to those of the Congressional Union, led by Miss Alice Paul, and finally to the anti-suffragists, works, and who was later interested in a laundry in the building where the body was found, has been arrested.
