Mrs. Fernandes founded the survey on private investigations and sought to bring about a solution of the problem when have come under their observation.

Mrs. Fernandes founded the survey on private means. When the vestigation was indicated in the outlines of which should be of the foundation of their outlines of the survey. In addition to the conferences and lectures with the children a broader basis has been established and an effort labeling made to give all boys and girls between 14 and 15 years of age an actual vocational training is growing from one line of work to another that the problem when the problem with the children a broader by his party in or say of him:
"A faithful chronicle of his energetic life and ceaseless endeavor during his long residence in Oregon would be long residence in the development.

and outgrow his usefulness in his youth.

The new educational work under the guidance of Mrs. Fernandez will have no suggestion of apprenticeship, which she also considers detrimental to efficient industrial careers. Instead, she is seeking to teach the underlying principles of all industry and a slight knowledge of many professions.

While the survey is in a great measure in the theoretical stage many of the foremost employers of labor in the City of New York have become associated with it as well as many leaders in other reforms. Among those who have contributed to the original success of the institution besides Mrs. Fernandez were institution besides Mrs. Fernandez were

City Street Plan Criticised.

Contentions of a committee from the Greeley street district that the city is making a mistake in acquiring a right of way for the extension of Greeley street from Killingsworth avenue to Delay street without acquiring easements at the same time for the slopes of fills and cuts which will have to extend on private property, are without merit according to an opinion submitted to the Council yesterday by City Attorney LaRoche.

A dairy owned by Mrs. Lizzie Gold-stein on East Twenty-first street, be-tween Golng and Prescott streets, is prosperous New Year,—Adv.
