RUSSIAN LOSSES IN GALICIA ARE HUGE

Vienna Estimates 50,000 Fell in Battle on Bessarabian Front in One Day.

INTENSITY ON INCREASE

More Than \$60,000 Men, With 3500 Cannon, Said to Be Engaged. Effect of Continued Pressure Said to Be Telling.

VIRNNA, via London, Jan L-Rus-THENNA via London Jan L-Ruseffan husses om the Bensarahian Frontier
and in the Writine region during the
New Year's fighting were at least 10,200, according to the officel statement
insued by the War Office today. The
statement in part follows:

"Yesterday on the northeast front
emoparative cours neveralled, fighting
decoursing only on the Styr. The enemy
repeated his attacks in East Calbria
today. Hussian sharpshooters ad-

teday. Research abaryshooters advanced or our line mortheast of Buckers hefore daybreak and prostrated our trenches for a short distance. By quick meinter attacks we expelled the snemr, capturing numerous prisoners and three machine guns.

Men Tuld of Great Rattle.

"According to the declarations of prisoners, before the last attacks against the armies of Generals Pfianzer and Bullin, flussian troops everywhere were informed that a great hattle, with a view of breaking through hostile lines, was liminisent, and would bring the Russian army again into the Cartachines and hockefeller and ten against William lockefeller and ten

Energame Ferces, Engaged.

The buttle is raging with fury on the Tarampol-Trembush front, where more than \$800,000 men with \$100 cannon are inneresantly engaged. Long Austro-Gorman Red Cross trains are fewed in the indistinct in that event robat housing this front daily for more remote and thinly populated towns where haustlais have been organized. Wounded Russian officers report that consequences of this battle already are being shown in certain sectors by the hlowing in of the first line German trembles, and the shoul but breaks trembles, and the show but breaks altitude of limitations, the court said.

WOMAN, 93, PASSES AWAY ments of hurbed wire are often laid 2s down and charged with powerful steams of landered by the statute of landered Dies at shorted versetted. especially erected.

Entanglements Are Surmounted.

As immediate approach to these entanglements in impossible, the Russian anothers have invented the full-wing method of surmounting the difficulty; Good markament films ropes with books at the end five the barbed wire, then pull until they have broken one of the lines of wire, and continue the method until the whole entanglement is removed.

The process of the large of the large of the lines of wire, and continue the method until the whole entanglement is removed.

There are a givent many grandchildren and great-grandchildren the catholic Church here Sunday at 2 o'clock. She will be buried from the Catholic Church here Sunday at 2 o'clock. She came to Oregon 1s years ago and had

The following official communication was lossed today:

"In the Rilax region, near Oi) and Ball, the Germans discharged gas against our entreachments, Near Duckern, in the region of Jacobatadt, 28 Russian sequence engaged in a hand-to-hand right some German securs who had but their way, bayoneting a large number and capturing 36, including one affects.

Our detachments exptured the town of Curtorysk and the height dominat tile counter-attacks, with the ob-of disindging us from Czartoryak, of. Northeast of Coernowitz the Abstrians, after employing appropriating gover, tried a counter-attack, but were driven back to their trenches by

(Continued From First Page.)

drove the fire-fighters away. Many shots were fired, and the firemen drove off with their apparatus amid a hail of stones.

By this time the flames threatened to sweep through the entire business section. The infuriated crowd surged through the streets, and threats were to burn the entire town. All available guards were marshaled by the Sheet & Tube Company and by ether mills in the suburbs in an effort to prevent destruction of their property.

Plant Will Se Closed.

The plant will remain closed until b time as the proper authorities see to provide protection to these em-yes who are willing and anxious to surk, but are prevented by mobs have guit the employ of the company, said Fresident Campbell, of the Youngstonn Sheet & Tube Company.
The outbreak tomight did not come as a surprise in the residents of East Youngstown. All day the entrances to

the steel mills were watched by trwds semed with heavy clube, knives not revolvers, and man who attempted order the plant were driven away throuse of violence.

As the day advanced the crowds grow the day advanced the crowds grow

Youngalown Fleemen Refused.

After the fires started a call was sent to the frees started a call was sent to the frees started a call was sent to the freeze effects of the firemen, saying they were not assured of prefection from the mole. Figures from entraunding towns responded and abided in fighting the fluxers, but they were hampered by the atribers who are alleged to have thrown abuses at them, cut the house and in ather wars inter-

chaing they would blow that section of the city to pieces.

An unidentified foreigner was sten beeing the postuffue building shortly before fire destroyed the structure. A policeman fired at the man, who was lit in the right leg. The man, however, eccaped in the darkness.

Rioters broke into a saloon on Wilshn streat and carried away hundreds of dollars' worth of bottled wines, beer and whisky. After looting the saloon they set it on fire. The building, which was a three-story structure, was destroyed.

which was a librer stary attended destroyed.

The saloons, not only of the City of Youngstown, but those of Mahnning and Trumbull counties as well, will be closed indefinitely on account of teday's ricting in liant Youngstown. The order for closing all of the saloons of the two counties was insued tonight by the state liquor brease commission.

Fifty Bloters Kept Under Guard, Fifty rioters were arrested by the Pirty rioters were arreated by the police and pinced in the East Youngstown lackup. When the pulice were compelled to leave the juil in order to parent the fire zone, shout 100 strikers rongressed about the place and threatened is release the men forcibly. Mayor Cunningham at once swore in 10 deputies and accord them to remain on duty at the juil throughout the night.

All Defendants Except William Rockefeller, Who Is Ill, Wait in Court

the Russian army again into the Carpathians.

Trustworthy estimates of the enemy's losses in the New Year's fighting on the Bessarahian frontier and in the Stripa region make them at least \$8,000.

Paris, Jan. 1.—Fighting on the Russian frontier is fast growing in infamily and assuming great fereeity, says the Petrograd correspondent of Havas Agency. In a dispatch filed Wednesday, Dispatches from Kiev declare that the noise of annion can be been along a distance of 35 miles and them.

Julga Hun's charge was regarded by many as favorable for the defense. He beid that the purce for the same was submitted to the jurors for decision shortly before 1:30 P. M. All of the defendants except William Rockefeller, who was ill, were present in the courtreeous to receive the verdict. They faced, the possibility of fail sentences of a year should the case go against them.

Julga Hun's charge was regarded by many as favorable for the defense. He beid that the jurors must first satisfy themselves that the alleged comparincy to monopolize the commerce in New School and the Case School and the C

EUGENE. Or. Jan. I.—(Special.)—A jury in Justice Court this afternoon ac-quitted James Randie, 28, on a charge of having violated the local option law May 22, 1915. Standle was arrested last week. It Leabe, a Deputy Sheriff from Linn County, was the complaining witness. The defense introduced witnesses to prove an alibi and to show a puesible case of mistaken identity.

BRITAIN IS CALM IN RECRUITING CRISIS Point: Jesse Beasley, Wardner.

Effort Made to Avoid General Election and Referendum Is Suggested.

LABOR ELEMENT DIVIDED

Vote Against Conscription Held to Have Been Hasty and Not to Reflect True Sentiment of Workers of Nation.

LONDON, Jan. 7 .- The political situation today was calmer after the over-whelming vote obtained by the governhe labor congress, which also was parially discounted by the attitude of such
important labor leaders as Arthur Henlerson, who resigned as president of
the Board of Education, and John Ward,
leage Nicoll Barnes and John Hodges,
nembers of the House of Commons.

Labor Vote Is Criticised.

Labor Vote Is Criticised.

The position of these men is that the vote of the labor congress was too hasty and ill-considered to be regarded as reflecting the actual feeling of the labor men of the country.

Farliament did not meet today and will not at again until Monday. The indications are that the conscription hill will be passed through the House of Commons in order that it may reach the House of Lords in ample time for passage before the end of the month.

In some quarters talk of a general election still persists, but it is certain that a considerable past of even the opponents of compulsion do not want a resort to the ballot.

Gussip is generally agreed that Pre-

Gossip is generally agreed that Pre-ier Asquith will have little difficulty mier Asquith will have little difficulty in filling the vacancies in his Cabinet caused by the resignation of Mr. Henderson and Sir John A. Simon, the Home Secretary. Herbert L. Samuel, at presand Postmaster-General, is the most talked of as Sir John A. Simon's successor, but there has been no general agreement in the gossip as to the probable mun for Mr. Henderson's place.

ly has been suggested in Epkland dur-ing the last few years as a desirable addition to the legislative machiner of the Kingdom. It was adopted as (Special.) addition to the legislative machiner of the Kingdom. It was adopted as part of the Unionist programme of confine was reday from the state hospital for the secmed time in two days. He was recaptured yesterday at Wacomda and
