for Three Minutes.

ST_PAUL, Minn., Jan. 18 .- Miks Gibbons, of St. Paul, knocked out Young Abearn in the first round of their scheduled ten-round hout here tonight.

The fight had been in progress about a minute and a half when Gibbons worked his man over to the corner. and, with a smashing right swing to the jaw, sent him to the floor for the

count. Ahearn raised his head slightly at the count of four, but his eves closed again and his head humped the floor. Seconds carried him to his corner and it was three minutes before he regained consoleurees.

The thousands of fans howled and scores rushed into the ring and carried Gibbons away on their shoulders.

Darcy Challeneges Winner,

Jut before the fight it was annouced from the ring that a telegram had been received from Les Darcy, of Aus-tralia, challenging the winner of to-night's contest for a hattle "to decide the middleweight championship of the world".

Abearn weighed in at the ringside at 154% and Gibbons tipped the scales at

clashed said: "St. Paul loses its favorite tonight." They came together like a flash in the center of the ring gud exchanged light taps to the face and body. Gib-bons sent a left pab to Ahearn's tibs, but it apparently did no damage. They clinched and both displayed speed at in-fighting. As they backed off some were fast on their feet. Jack didn't lose any of these, and only one was a draw. There were 19 no-decision bouts and four clean-cut victories. Ted Lewis, the English welter, who recently gave Willie Ritchle such a trimming, was next in line with 21 battles. Eddie Wallace, a comparatively unknown, had 29 battles and Freddie Welsh, the lightweight champion, is next in line, with 19 bouts. Fine record for a champion, how-ever, as each of the 15 is a no-decision bout! Not once did he really risk his title in a battle long enough to take a serious chance of losing it.
