## BASKETBALL UNDERGOES HISTORY OF FOOTBALL

### Elimination of Personal Contact and Reintroduction of Dribble Promised to Make Game Popular, Although It Is Bound to Suffer for Year or So.

IN 1906 when the new rules were shown in football, there was a general feeling that it would degenerate into a woman's game.

The elimination of mass play and the introduction of the forward pass gave everyone a feeling of helplessness.

They are also trying another feature in Kansas City that is proving popular.

The general public will find lots of fault with the game this year, but gradually they will be educated.

In fact the game had grown to be results beneficial.

# Nujol

REG. U.S. PAT. OFF.

## GOOD LOOKS REFLECT GOOD HEALTH

YOU can't have bright eyes and a smooth, clear skin if the fermenting waste products of constipation are poisoning your system.

Constipation is the chief cause not only of poor complexions, but of three quarters of the illnesses from which women suffer.

Heed the danger signals of pallid skin, poor eyesight, headaches—check constipation before it is too late. Not with laxative drugs which physic and irritate and later bring about reactions which make you regularly dependent upon them. Bring about natural conditions, Nature's way with Nujol. Nujol is the highest form of the pure white mineral oil recommended by leading doctors the world over for constipation. Nujol does not act by irritation but by lubrication—by softening the intestinal contents and facilitating natural action in a purely mechanical way.

Nujol is colorless, odorless, tasteless. It can be taken by anyone, even the youngest child, in any quantity, without danger.

Write for booklet, "The Rational Treatment of Constipation." If your druggist hasn't it, we will send a pint bottle of Nujol prepaid to you in the United States on receipt of 75c—money order or stamps.

### Coast League Gossip.

Jerry Downs has signed his San Francisco contract for 1916 and Washington is happy. Other regulars signed are Ping Bodie, Sleet Fanning, Pol Perritt, "Spider" Baum and Chick Autrey, the new first sacker. Paul Meloon and Bill Leard will not be with the team this season. Leard was declining to manage Seattle, it is said, but the signing of Tealey Raymond again squelches whatever deal was under way.

Some time ago the St. Louis Cards announced the transfer of three players—Purdie, Hyatt and Robinson—to San Francisco in the Corhan deal. Wolverton isn't saying much but it is a cinch that neither Purdie nor Hyatt will be Seals. Both are old-timers. Hyatt formerly played in the Northwestern League. He is a great hitter but that lets him out. Robinson is a young left-handed pitcher and Wolverton probably would welcome him.

The Portland Coasters will again play a Spring series with Rube Foster's colored Giants of Chicago. The negroes have been wintering in southern California.

"Big Bill" Prough, the Oakland pitcher, is wintering in Oakland, and is keeping in condition by playing checkers.

Joe Tinker, of the Chicago Cubs, has offered Pete Standridge to the Los Angeles Club, and the former Seal may disport under Frank Chance if Tinker's offer suits Johnny Powers.

Rowing—pronounced like the row in Woodrow—is an ingredient on the training curriculum of the Los Angeles Ball Club. The Angels will do their conditioning at Elsinore, on Lake Elsinore, Riverside County, in Southern California.

### Chehalis Wins From Raymond.

RAYMOND, Wash., Jan. 23.—(Special.)—The Chehalis High School team defeated the Raymond High School team here last night in a fast game. The score was 35-28 in favor of Chehalis. In the first half Chehalis made 22 points to Raymond's 10. In the second half Raymond made 15 to Chehalis' 6. Chehalis plays South Bend tomorrow night.

### Boxing in Favor at Harvard.

BOSTON, Jan. 23.—Boxing as a sport is rapidly growing in favor at Harvard, but there is not quite the same punch exhibited by the crimson boxers as their classmates exhibited on the football field last fall. The fact that the glove experts are boxing with 13-ounce mitts may account in part for this state of affairs.

### AFTER SICKNESS

#### How to Recover Strength.

So many Portland people are asking how to recover their strength after sickness that we are publishing this information for their benefit.

After grippe, pleurisy, pneumonia or any illness what you need is new strength and richer blood.

The most certain way to get this is by taking Vinol, our delicious cod liver and iron preparation (without oil). It creates strength, improves the blood, sharpens the appetite and restores the entire system to a healthy, robust condition.

North Adams, Mass.—"After a long illness of pneumonia I was left in a weakened, delicate condition, and for a long time had searched for a body-builder and strength creator. I was attracted by an advertisement for Vinol, and tried a bottle, and soon noticed a vast improvement. I continued its use for a while, and am now as able bodied and strong as any man in town." Samuel Wood, North Adams, Mass.

Try a bottle of Vinol. Your money will be returned if it does not restore your vitality and strength. The Owl Drug Co., Portland, Oregon, P. S. in your own town, wherever you live, there is a Vinol Druggist. Look for the sign.
