**M**EMBERS of the Portland Parent-Teacher Council enjoyed a lecture given yesterday by Dr. B. W. DeBusk, of the University of Oregon, who addressed them in the library, room A. "Mal-Nutrition; or, the Feeding of School Children," was the subject of his talk.  
"A child insufficiently nourished will have a great handicap," said the speaker. "His growth will be retarded, he will be slow in maturing, have decreased resistance and be liable to take all diseases. Mal-nutrition is often the forerunner of tuberculosis. It often leads to defective growth. The symptoms are: The child becomes anemic, thin, has furrows between the ribs, its flesh is soft and flabby, its posture is slovenly, it is listless and has a fickle appetite, is nervous, has headaches and disturbed sleep."  
Dr. DeBusk said that in a recent investigation of 19 cases in which children received pennies and were told to buy some lunch, six bought pickles; two, pickles and cookies; six ice cream; two, bananas, and three candy. Hot lunches were advocated by Dr. DeBusk, who praised the work of the Parent-Teacher Associations in starting hot lunches in the schools.  
The speaker quoted Robert Hunter in the statement that "of 20,000,000 school children of the land 2,000,000 are suffering from mal-nutrition."  
Dr. DeBusk will speak today before the Portland Psychology Club, which will meet in the library. The hour set is 3 o'clock. "The Theory of Mental Analysis" will be the subject.  
Members of Woodlawn Circle who will sell flags on February 5 are: H. E. Coleman, Mrs. Charles Liener, Mrs. L. E. Joy, Mrs. C. W. De Graff, Mrs. Floyd James, Mrs. William Yon, Mrs. H. M. **BE CLEAN INTERNALLY**  
Over 300,000 People Are Now Doing So.  
For many years physicians have agreed that 95 per cent. of human ills were caused by accumulated waste in the lower intestine; that in our present way of living Nature could not remove all this waste without assistance, no matter how regular we might be; and that the poisons from this waste circulate through the blood, pulled up away down below par and were responsible for many diseases of a serious nature.  
During this time the "J. B. L. Cascade" for Internal Bathing has, because of their recommendation and those of its users, been steadily growing in favor.  
Recently, however, the startling news which has been covering the country that great surgeons and specialists have been operating on the Lower Intestine in such serious diseases as appendicitis, and attribute such conditions of chronic ill health as Nervous Debility and Rheumatism to this cause, also saying that these poisons are favorable to the development of Cancer and Tuberculosis (as stated in a recent article in the New York Times), has caused Americans to become thoroughly awake to the importance of keeping this Lower Intestine free from all poisonous waste matter, and over 300,000 are now using Internal Bathing.  
If you try the "J. B. L. Cascade" you will find yourself always bright, confident and capable—the poisonous waste makes us bilious, blue, dull and nervous. Internal Bathing is Nature's own cure for Constipation—just warm water properly applied. Drugs force Nature—the "J. B. L. Cascade" gently assists her.  
Call and see it at the Woodard Clark & Co.'s Drug Store in Portland, or ask them for "Why Man of To-Day is Only 50 Per Cent. Efficient," a booklet of great interest, which is given free on request.

which assures her continued appearance solely at the theatres showing

# Paramount Pictures

The pictures featuring Mary Pickford during the year will cost

## \$500,000.00

Half a million dollars! Real money! Just one star! For one year!

The first photoplay under the new arrangement will be "Poor Little Pepina," her most elaborate production.

Millions of dollars more will be paid for other Paramount Pictures featuring celebrated stars.

Sounds impossible but it is possible only because so many millions of people, each week, go to Paramount theatres to see the highest class photoplays.

If no theatre in your neighborhood is showing Paramount Pictures ask the manager to get them. If he's a hustler he will be glad to please his patrons.
