Omaha Livestock Market,

Extension of Co-operation in Oregon Is Proposed.

NEW STANDARD ADVOCATED

Session at Imperial Hotel Monday Also Will Be to Cope With Problem of Over-Production-Instruction Is Planned.

A call has been issued for a meeting A call has been issued for a meeting of Oregon creamery men as a first step toward putting the creamery industry of this state on a better footing. The plan is to amalgammic the co-operative creameries into an association so their product can be improved in grade and a more satisfactory outlet found for it. At present, some of the co-operative creameries are in a bad way financially and they need help. The meeting will be held at the Imperial Hotel at 10 o'clock Monday, January 31.

State Dairy and Food Commissioner Mickle said of the plan:

Mickle said of the plan:

"We propose first to improve the quality of Oregon butter, as this state is facing over-production and we must prepare first-class goods for the outside market.

"We intend to stundardize as well as into the hills from the following of this we will put butter experts to work instructing the butter makers at the various co-operative plants.

"After an organization is perfected we propose to establish a co-operative."

GRANTS PASS, Or., Jan. 27.—(Special.)—A telegram from Sait Lake received here today from Bishop Nibley, containing confirmation of the report received here some time ago that a sugar factory is to be built in the Bogo River Valley this Summer, has produced great enthusiasm among the people of Grants Pass, and the building of the factory at once is now assured.

The telegram further announced that bids were now being asked for immediate construction work. The plant, when completed, will cost about \$500,000.

Seed for the planting of at least \$990 acres has been secured by the Oregon & Utah Beet Sugar Company, which is manning the factory, and approximately 5000 acres of land suitable to the growing of the beet have been signed up in the valley.

At one time it was feared some displacements of the minute in sealing in certain portions of the growing in certain portions of the Weathers.

aigned up in the valley.

At one time it was feared some disaffection arising in certain portions of the valley with reference to the exact location of the factory might seriously equardize the coming of the Oregon-Utah company into this part of state, but it is now believed that all sections will unite in bringing about the upbuilding of the entire Rogue River country through the growing of the sugar beet, regardless of the exac location of the factory.

MINIMUM WAGE APPLIED

MR. DALY'S REQUIREMENTS WILL BE PART AUDITORIUM CONTRACT.

Home Labor Also to Be Given Prefer ence, but Increased Cost Estimated Up to \$100,000.

In the contract for the construction of Portland's proposed public Auditorium the Daly minimum wage and ome labor ordinance is to get its firs

home labor ordinance is to get its first trial. That the measure will increase the cost materially is the opinion of Commissioner Dieck and others.

The measure requires that the contractor shall pay his workmen the rate of wages paid by th. My for similar labor or occupation. This means \$3 a day for laborers and a correspondingly high rate for skilled labor. The measure also requires the contractor to give preference to local labor, making the termination of the contract a penalty for employing outside labor, either

termination of the contract a penalty for employing outside labor, either skilled or unskilled, without first obtaining the consent of the City Council. Before employing outside labor the contractor is required to notify the Commissioner in charge in writing. As to the additional cost which will result in this particular case, there is a diversity of opinion. It is variously estimated at from 7 per cent to 25 per cent or, in deliars and cents, from \$25,000 to \$100,000.

Cowlitz Taxes Being Scheduled. KELSO, Wash, Jan 17.—(Special.)—
County Treasurer Phillips and his force of assistants are busily engaged in preparing tax statements. Taxes, both real and personal, are due and payable Monday, February 7. All per-

sonal property taxes not paid before March 15 become delinquent. The assessments for diking Districts Nos. 1 and 2, near Kelso, will be made, and all property owners in these districts will get their diking assessment statement at the same time as they get their tax statement.

BAD-CHECK SUSPECT GONE

P. W. La Costa Leaves Roseburg 2 Hours Ahead of Warrant.

ROSEBURG, Or., Jan. 27.—(Special.) The Roseburg officers today are searching for P. W. La Costa, who is said to be wanted at Walla Walla, Wash, on charges of passing worthless

checks.

La Costa was employed by a local furniture house for several months and is well known. He left Roseburg suddenly yesterday after informing a friend that he had an appointment with a prospective customer, some distance south of town.

The warrant from Walls Walls did.

The warrant from Walla Walla did not arrive here until two hours after Lu Costa departed for the south.

MINE FOOD CARRIED ON SKI Snow in Mountains Near Grants Pass Reported 15 Feet Deep.

GRANTS PASS, Or., Jan. 17.—(Special.)—Placer miners in this city for supplies for mines in the Galice district report more than 15 feet of snow in the hills back of the camp.

Miners and ranchers living in the heart of the mountains for the past two weeks have adopted the use of skis, and many of them have become adepts. Supplies and mail are carried into the hills from Galice in this manner. More severe weather is predicted. The thermometer has registered as low as 18 degrees above during the past two nights, with a slight rise during the day.

Thouse said there was another rain storm in the southern part of the state, and that shippers had withdrawn quotations for the time being. The local market is on a very strong basis.

There was a moderate assertment of vogetables on the steamer and there was a good demand for everything offered.

Poultry Receipts Larger.

Country produce receipts, except eggs, were liberal yesterday. Eggs continued in very small supply and the demand, if anything, was stronger. Candled stock was quoted at 15 to 37 cents.

All kinds of poultry cleaned up readily except gees. There was more veal on hand than for soveral days, and the market was weaker at 120124; cents. Fork was firm at 9 cents.

BIG ADVANCE IN ENGLISH MARKET IS CABLED.

to E. Clemens Horst-Coast Prices Are Climbing.

The Oregon Repgrowers' Association, according to reports current in the local trade, has sold 5000 bales to E. Clemens Horst, in addition to the 5000 bales or more disposed of to Louis Lachmund a few days ago.

of to Louis Lachmund a few days ago. Particulars as to the Horst deal were not made public, but dealers here believe the prices ranged up to 12% cents for choice. A small lot of 150 bales of common grade was sold by the association to McCleilan at 9% cents.

There is no doubt that the hig buying that has been under way is largely for export. The railreads are new getting 100 cars ready for the Lachmund shipment, and have secured space on the trans-Atlantic liners for the hops. It is probable that nearly all of the association posl will flud its way to the Loudon market. English hop prices have been advancing of late. A Lendon cable received yester-

English hop prices have been advancing of late. A London cable received yesterday quoted 55 13s and 67 per hundred-weight, equal to 28 and 30 cents a pound. The fermer quotation on Pacifies at London was 14 and 21½ conts a pound. The sudden jump in the London market will explain the flurry in export trade here.

A letter from a reliable German house made the statement that unseld stocks were small. It had been declared by some hop dealers that Germany has a big unsold supply and that consequently prices would slump in England and America in the event of peace. The German authority quoted his market at equal to 16% and 23½ cents, first costs.

CHEHALIS, Wash, Jan. 27.—(Special.)—The Lewis County Commissioners have arranged for a price of \$1.88 a barrel for cement for concrete road construction for 1916. The price to private parties is \$2.28 a barrel this year. Last year the county paid \$2.18 a barrel. The saving of 38 cents a barrel by the county will amount to a considerable sum on work laid out for this season, which is upwards of three miles in length of 16-foot roadway.
