JEWISH CAMPAIGN CONTIN-UED ONE WEEK.

A list of the contributors to the Jewish relief fund will be printed in The Sunday Orego-nian. In order that all who have an inclination to do so may have time to contribute to the fund, the members of the committee have decided to receive funds until Saturday, February 5.

With approximately \$10,000 in han With approximately \$10,000 in hand, and with every mail adding scores and scores of checks and cash offerings, and with a steady procession of heart-touched citizens adding their share to the general treasure, the local Jewish relief fund will be kept open through next week with the hope of bringing it up to \$25,000, the mark set by the committee when the movement was organized.

"As I am an old man close to 60 and crippied at that, but I am working and carring from \$4 to \$5 a week, I cannot spare any more. Here I inclose \$1, and I hope it will do a little good, even if it can't do much Wishing you will succeed in making the collection. A. B. Hurst, \$ North Fourth street, city."

Bootblacks Contribute.

A group of Turkish Jews operating bootblack stands at very modest incomes, sent in a sack of money containing \$76.35 and, as has been the case with most of those of frugal means, they expressed regret that the pile wasn't bigger, so it would go farther. Another fature of the campaign which is developing strength is the pilan of "passing the hat" by employes in large establishments, efforts which are entirely voluntary on the part of those participating. Among the firms whose employes already have sent in their bits are Lang & Co., \$52, Mason, Ehrman & Co., \$24.25, and Fleischner & Mayer, \$18.52. In many other husness houses, offices and other concerns subscription lists are being passed around.

ed." said Treasurer Selling, last night, "it was planned to map out a campaign that would bring in \$25,000 and have it brought to a climax on Thursday of this week, which was set axide as a National "Jewish Relief Fund" day by Prenident Wilson. It was later determined by the members of the committee that there was not enough time to arouse the proper amount of interest in the proposition to make this scheme feasible, so, after discussions and resolved to grant no more permits for stations within the district. A delegation of the Garage Owners' Association asked the Council to force the removal of the sidewalk station from every part of the city.

"While we have already made a pretty showing here in Portland, the actual results so far have been rather disappointing to the committee, who felt that \$25,000 was small enough amount for Portland to give in the face of this terrible cataclysm which has befallen so many millions of people in the war-swept countries. We are still optimistic and believe that by continuing the campaign another week we will come pretty close to reaching the mark set for us here."

It was announced by the committee last night that a complete check of all Hopes Not Yet Met.

More than a dozen ministers telephoned or called on Mr. Selling yesterday, ask-ing for information about the campaign so that they could make a more effect-ive appeal to their congregations from their pulpits tomorrow.

## MAN HELD FOR KILLING

mittee when the movement was organized.

The \$16,000 already registered with Hen Selling, treasurer, represents the donations of more than 600 individuals and firms in Portland, with several hundred dollars sent in from about 20 upstate points, the out-of-town contributions mounting up particularly strong in the yesterday afternoon mails.

In a large number of cases the heavy self-sacrifices made by the givers of medest sums is only too evident from the pathetic apologies which accompany their mites. One old man sent in a tattered dellar bill with the following note:

Minnie Lee by Gun in Hands

of Sweetheart.

For the death of Minnie Lee, who was killed by a revolver held in the hand of her sweetheart on a house-boat on Columbia Slough the night of January 9. Albert Gable will face a charge of involuntary manslaughter. He was indicted on this charge by the grand jury yesterday.

The indictment cites that, while the killing was not voluntary, it occurred during the commission of an uniawful

The City Council yespected to be in the hands of the committee within the next day or two.

"When the movement was first started," said Treasurer Selling, last night, it was planted to man out a campaign.

The newly elected pastor, Rev. W. G. Lienkaemper, of the German Reformed Church, at Lents, will be officially installed Sunday morning. A committee composed of Rev. J. Weinly, Edward Scudt and Elder Matzlow will officiate at the installation ceremonies. Immediately following the services luncheon will be served by the women of the church. Rev. Mr. Lienkaemper recently arrived from Salem, Or.
