

# MARSHALL IS OPEN FOR ENGAGEMENT

### Vice-President Expresses Self as "Willin'" to Run for Present Position.

### POSTMASTER GETS LETTER

#### H. However, Democrats Do Not Want Him, Mr. Marshall Says He Is Ready and Willing to Retire to Private Life Again.

Like Mr. Dickens' well-known heroine, Thomas H. Marshall, Vice-President of the United States, is quite willin'.

Some of Colonel Roosevelt's opinions about Mr. Marshall, who in a letter to Frank S. Moxley, Portland postmaster, makes it clear enough that he is ready to accept the nomination for another term and has not the slightest objection in the world to having his name placed on the ballot at the primary election.

Mr. Myers wrote the Vice-President some time ago, asking if he would permit the use of his name to go on the ballot. The postmaster made public yesterday a portion of the reply, which is written by Mark Thielwaater, secretary to Mr. Marshall. Here it is:

Letter is Conclusive. "Replying to your letter, I am saying that the Vice-President will gladly accept renomination if the Democrats want to renominate him, and that he will gladly retire to private life if they do not; that the Vice-President is unwilling to seek renomination, and he does not think a man holding the office should be riding around or running around requesting Democrats to vote for him again.

The Vice-President could not bring himself to ask anyone to file petitions for him, but if petitions are filed for him he certainly will not repudiate the action.

This is the answer that will have to be made to your generous letter."

Blank petitions in Mr. Marshall's behalf already have been prepared and their circulation will be in charge of a committee composed of Henry M. Kesterly, Democratic National Committee member; Robert A. Miller, president of the Jackson Club; and Postmaster Myers.

### Petitions Out This Week.

According to Mr. Myers, active circulation of the petitions will be started before the end of this week. They will be sent to every county in the state. Although only 1000 names are required, several times that number are expected.

Vice-President Marshall came through Oregon, speaking at Ashland, Medford, Albany, Salem and Eugene, during the course of the campaign of 1912. He gave valuable service to the Democratic party in the state. Supporters of Dr. Harry Lane, now United States Senator, give to Mr. Marshall's entry into the state in the last few days of the campaign, at Mr. Myers' request, credit for turning the tide in favor of Dr. Lane for the Senate.

At every address he made in the state, it will be remembered that Mr. Marshall devoted several moments to advocating the election of Dr. Lane to the Senate.

Already more than half the number of seats available for the big Republican Lincoln day banquet to be held under the auspices of the Oregon Republican Club, in the dining-room of the Chamber of Commerce next Saturday night, February 12, have been taken. Which means that while you don't hurry with your reservations are likely to find themselves in line.

The seating capacity of the banquet hall is limited to 450 diners. Of the 450 plates, nearly 250 have been reserved. Usually the demand for seats at a political banquet exceeds the capacity to get into until about the day before.

Captain A. W. Orton, of the club's banquet committee, in charge of the ticket sales. Tickets may be obtained, among other places, of Captain Orton, whose office is in the Yeam building, telephone Marshall 635; of C. A. Johns, also in the Yeam building, Main 838; John McCort, president of the club, Corbett building, Main 11; John Y. Richardson, Concord building, Main 1284; and at the cigar stand in the Imperial Hotel.

An addition has been made to the list of speakers of the evening. Mr. J. K. Davis, of the Daughters of the American Revolution, has accepted an invitation to make a brief address on "Lincoln and His Mother."

Because of the limited seating capacity, attendance at the banquet has had to be limited to members of the Oregon Republican Club and members of their families. Requests for admission of joining the club, however, may be made by communicating with John Y. Richardson, his office in the Concord building.

On whether I. N. Fitzschner decides to become a candidate for school director to succeed M. O. Munly, who has decided to retire when his present term expires shortly, depends in considerable degree whether Mrs. M. O. Munly makes the race. At a meeting yesterday noon of the President's Club, made up of president and past presidents of the women's federations clubs in Portland, and of which Mrs. A. H. Bryman is president, Mrs. Blumauer was invited to present the case before the board. The board of the Portland Women's Club has referred this indorsement to the general meeting of the club next Friday. Mrs. Blumauer

### BROKE HIMSELF OF SMOKING CIGARETTES

#### A St. Louis Man Broke Himself of Smoking Cigarettes and Chewing by a Simple Home Remedy.

Harry Hinkle, a well-known resident living at 1421 E. 11th St., St. Louis, Mo., broke himself of the cigarette habit and chewing with a simple recipe that he mixed at home. In reply to the question as to what he used he made the following statement: "I used a simple recipe which I mixed at home and which is as follows: To 3 oz. of water add 20 grains of Muriate of Ammonia, 5 small boxes of Variet Compound and 10 grs. of Peppin. I took a teaspoonful three times a day. Any druggist can mix it for you at very little cost. "This recipe can be taken yourself or given secretly to another in coffee, tea or milk or in food as it has no taste, color or smell and is perfectly harmless."—Adv.

### GOVERNOR OFFERS REWARD

#### Family of Murdered Salem Woman to Add to State Fund.

SALEM, Or., Feb. 9.—(Special.)—To the captors of the slayer of Mrs. J. H. Hinkle Governor Withycombe announced that the Legislature would recommend that the Legislature pay a reward of \$200. Members of the Hinkle family announced that they expected to add \$100 to the amount offered by the Circuit Court now in session here, put up at a local hotel and proceeded to "tank up" on extracts. Special Detectives C. T. Hanners and E. R. Olin, who have been working up the booze cases for the grand jury, found a dozen empty lemon extract bottles and four drunken Indians. One Indian is said to have snipped a whole case of the extracts,

has declined to permit her name to be presented as a candidate until she learns whether Mr. Fitzschner is to run. Mr. Fitzschner has been requested from many quarters to be a candidate for the school board, and expects to decide upon his course some time this week.

Robert C. Wright, whose candidacy for the Republican nomination for one of the three circuit judgeships in this district to be filled at the general election has already been mentioned, has definitely decided to oppose Judge J. P. Kavanaugh, of Department No. 1. Mr. Wright has been a practicing attorney for 28 years, and is ex-chairman of the Republican County Central Committee. Judge Kavanaugh will undoubtedly be a candidate for renomination and re-election. He also is a Republican.

W. M. Davis is so far as the only one openly in the field to fill Judge Henry R. McGinn's shoes. In Department No. 2, George S. Tawell, once Municipal Judge, who was defeated four years ago by George N. Davis for Department No. 1 of the Circuit Court, is again troubled by the buzzing of a judicial bee, but as yet apparently hasn't been able to decide into which of the three openings to make the change. His inclinations are understood to lie decidedly with Department No. 3 in opposition to Mr. Davis for the Republican nomination. Judge McGinn will not be a candidate.

Judge W. N. Gatens, of Department No. 3, is a Democrat. He is certain of the Democratic nomination, and his candidacy is assured. He will probably be opposed by Frank S. Grant, ex-city attorney, who is almost ready to announce his candidacy for the Republican nomination for this department. The Woodrow Wilson League for Portland is to meet in the assembly hall of the Central Library at 8 o'clock tonight. Milton A. Miller, collector of Internal Revenue, and Judge A. E. Bennett, of The Dalles, are to speak.

Conrad E. Olson, for two terms one of Multnomah County's 12 Representatives in the lower house of the Legislature, has about decided to become a candidate for the State Senate. There are five Senators to be elected from Multnomah County. Mr. Olson is expected to announce his candidacy in the next few days. To date only two are actively in the field for the five Senate seats. They are Robert A. Farrell, for Department No. 1, and F. H. Hanson. They have announced their candidacies. Senators Gus C. Moser and L. N. Day, however, are practically certain to run again, and may be expected to announce before long.

R. A. Howler has been elected assistant secretary of the Oregon Republican Club. His duties by the executive committee of the organization was unanimous.

### 10 CONVICTS ARE PAROLED

#### Governor Acts on Recommendation of Board.

SALEM, Or., Feb. 9.—(Special.)—Governor Withycombe today granted paroles to 10 men serving penitentiary sentences, on recommendation of the Parole Board. They are as follows: Guy E. Nelson, committed from Multnomah County, January 20, 1915, for larceny; F. A. Green, received from Multnomah County, February 8, 1915, for larceny by embezzlement; Earl E. Cox, committed from Multnomah County, January 23, 1915, for larceny; Bert Webb, committed from Clatsop County, December 12, 1915, for assault with a knife; George Fay, committed from Umatilla County, February 8, 1915, for assault with a knife; Jacob Kreiger, committed from Douglas County, October 19, 1915, for larceny in a store; Orlando Smith, committed from Clatsop County, January 18, 1915, for criminal assault; James Wilson, committed from Umatilla County, October 7, 1915, for larceny in a store.

### BILL FOR TRAILS INDORSED

#### Eugene Chamber of Commerce Urges Federal Aid in Forests.

EUGENE, Or., Feb. 9.—(Special.)—The Eugene Chamber of Commerce today went on record urging the passage by Congress of the bill introduced recently by Representative Taylor, of Colorado, providing for the advancement of funds for the construction and maintenance and trails and roads within state lands where the National forest is located.

Lane County, which has the second largest forest area of any county in the United States, it is estimated, will, if this bill passes, receive \$10,000 each year, and other counties in the state will receive proportionate amounts.

The resolution adopted by the Eugene club urges all civic bodies and citizens in the state to work for the passage of the bill.

The plan, as outlined in the Taylor bill, is that the federal government will advance \$1,000,000 every year for 10 years to the forest states, to be paid later from forest revenues.

### JUDGE KELLY IS CANDIDATE

#### Albany Jurist Files Declaration for Re-Election in Third District.

SALEM, Or., Feb. 9.—(Special.)—Percy R. Kelly, Albany, today filed declaration of his candidacy for the Republican nomination for re-election to the office of Circuit Judge for the Third Judicial District, comprising Marion and Linn counties. In his statement Judge Kelly says:

"I will continue to devote my best efforts to the administration of justice, without fear or favor, giving to every case and every question presented courteous and conscientious consideration to the end that all litigants may have a fair and impartial hearing uninfluenced by anything but the facts adduced and the law applicable thereto."

### INDIANS DRINK LEMON EXTRACTS.

TOLEDO, Or., Feb. 9.—(Special.)—Several Indian witnesses subpoenaed in a bootlegging case before the Circuit Court now in session here, put up at a local hotel and proceeded to "tank up" on extracts. Special Detectives C. T. Hanners and E. R. Olin, who have been working up the booze cases for the grand jury, found a dozen empty lemon extract bottles and four drunken Indians. One Indian is said to have snipped a whole case of the extracts,

### DEATH BLAME IS FIXED

#### WILLIAM DOYLE HELD AFTER INQUEST OVER WOMAN.

#### Prisoner Says Double Tragedy Occurred While He Was Trying to Take Shotgun From Victim.

KLAMATH FALLS, Or., Feb. 9.—(Special.)—A jury empaneled by Coroner Whitlock at Bonanza today found that Mrs. Mary A. Wilcox and Mrs. Maggie Jones were killed in their ranch house in Langley Valley by shot gun wounds, and that the gun was in the hands of William Doyle. Mrs. Wilcox was shot in the face and neck and her daughter received a shot in the breast.

According to Doyle's story he leased the ranch last summer and planted the fall grain on shares. Since then the women have been trying to get him off the place. He admits a quarrel yesterday morning regarding the affair, and alleges that Mrs. Jones entered the room where he was with a 20-25 rifle and started to aim at him. He said he immediately grappled with her and took the gun from her after it had been discharged through the ceiling. Immediately, he said, Mrs. Wilcox ran in, armed with a shotgun, and he attempted to take that but in the struggle the gun was accidentally discharged, killing both women.

The testimony of Dr. Harris regarding the wounds conflicts with Doyle's story. The bodies of the women will be interred here. Doyle is in the county jail here.

### PIONEER OF 1858 PASSES

#### Joseph Mann, of Hillsboro, Is Survived by Five Children.

HILLSBORO, Or., Feb. 9.—(Special.)—Joseph Mann, pioneer of 1858 and one of the early settlers of Washington County, died Tuesday at his home in Hillsboro of old age. He was born July 22, 1823, in Berne, N. Y., and crossed the plains to California in 1852. In 1853 he came to Portland, where in 1861 he married Phoebe Jane Pearson, who survives him.

Surviving children are: Grant Mann, of Corvallis; Joseph G. Mann, of Portland; Mrs. Lulu J. Messner, of Mulino, Or.; Thomas R. Mann, of Spokane, and Grace Mann, of Hillsboro. He also leaves 15 grandchildren and one great-grandchild. Funeral services will be conducted Thursday afternoon from his late home by Rev. C. E. Cline, of Portland.

### EXTRADITION IS GRANTED

#### G. W. Town Faces Arson Charge in California.

SALEM, Or., Feb. 9.—(Special.)—Governor Withycombe today granted the requisition of the Governor of California for the extradition of George W. Town, of Silverton, who is wanted at Oakland on a charge of arson.

Town is charged specifically with setting fire to and burning a house at 4199 Thirty-ninth avenue, Oakland, the property of Ida Weigel. The defendant is alleged to have been lying in the house at the time. Town was arrested last week at Silverton, his boyhood home. With his wife he came to Oregon a short time ago in company with a man named Snyder, who also is said to be wanted by the Oakland authorities in connection with the arson charges.

### ROBBER SUSPECT LAUDED

#### Joe Wheelless Couldn't Have Done It, Declares Judge McGinn.

"I know this man and his friends and can say that in my judgment it is impossible for him to have committed that or any other crime," declared Circuit Judge Henry E. McGinn yesterday, when Joe Wheelless, a mailcarrier,

## BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute.

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids.

It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place.

Most headaches, "dizziness" and that lousy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lousy" and "heavy." Note how they "clear" clouded brain and how they "perk up" the spirits. At 16c a box of 20. All druggists.

## Behind the Scenes

ONE often hears the expression, "Come down at ten—go home at three," as an example of a banker's life.

But to step behind the scenes at the Northwestern National Bank at eight-thirty in the morning, or as late as five-thirty in the afternoon, would display an interesting sight—one that would change that fallacy.

It is the really busy time.

Accounting for that day is in full swing—officers and staff are busy with the financial problems and details of the institution's more than 23,000 patrons—and everything must be finished and ready for the thousands who will be served on the morrow.
