SAN FRANCISCO, Feb. 11.—(Special.)—The Olympic Club basketball team, National championship claimant,

Northern Quintet Clashes With Multnomah Tonight.

HARD BATTLE PROMISED

Walla Walla Team Out to Win Despite Defeats at Corvallis-Lincoln-Hill Game Is Postponed by Academy Five.

Coach Applogate and his Whitman College basketball players will arrive in Portland early this morning and wil be in great condition to meet the Multnomah Amateur Athletic Club quintet in the winged "M" gymnasium,

The Walla Walla boys were defeated by the Oregon Aggles both Wednesday and Thursday nights on the Corvallis floor, but even with this setback the visitors are out to put up a strenuous sattle tonight. Manager Harry Fisher, of the Portland aggregation, had planned on a preliminary contest but that has been

found impossible under the circumstances. The big match will start at 8:20 o'clock tonight with Homer Jamison as referee. Because the team has been unable to practice, due to the recent cold spell, the Hill Military Academy basketball team was forced to postpone its game with the Lincoln High contingent slated for yesterday afternoon. No definite date was selected for the match

Coach Stanley Borleske, of the Lin-coin High, and Coach Reynolds, of the James John High aggregation, will send their teams together in a regular game of the Portland Interscholastic League in the Portland Academy gym-

nasium this afternoon. The match will start promptly at 2:45 o'clock. Captain Dorsey Baker, the Whitman College baskethall leader, has a reputa-tion of being an #1-around athlete. He is 6 foot I inch and will play guard against Clayton Sharp in the winged "M" gymnasium tonight. He had two years of football, three years of base ball and two years of basketball to his credit, while at Whitman College. He

is a senior.

Mount Angel College basket-shooter of Mount Angel, Or., will be the main attraction in the Christian Brothers' Business College gymnasium tonight. A preliminary contest between the Christian Brothers' Business College At 40 less than 1 per cent remain in active service.
