ELKS TRIP PLANNED

Portland Lodgemen, With Band, to Visit Tacoma. TEMPLE TO BE DEDICATED

"Royal Purple Limited" to Carry Party and Pick Up Centralia Delegation: Elaborate Entertainment Promised.

Making the trip by special train over the O-W. R. & N. line, and taking with them their 40-piece band led by Signor Tizano, about 200 members of the Portland Elks lodge will leave for Tacoma Monday morning, February 21, to take part in the dedication of the new Elks temple at the corner of Monroe and Goldstein streets.

The return from Tacoma will be made early Wednesday morning, the arrival here being about 6 o'clock. The special train is scheduled to get away from the Union depot at 9:30 A. M. and the arrival at Tacoma will be about 2:20. A 45-minute stop will be made at Centralia expected to be the longest which will be received by the local lodge. The Centralia delegation to the Tacoma festivities will board the special at that place.

At the Tacoma depot the visiting delegations will be met by the Tacoma drill team, and escorted about town and to their headquarters. The special train is to be composed of new cars which will arrive today or tomorrow from the Pullman factory. It will be manned by a train crew Elks.

The ceremonies incident to the dedication of the temple are to be elaborate in character, and the gathering is expected to be the largest since the Elks have held in the Northwest since the 1912 convention in Portland. The dedication ceremonies will begin Saturday, February 20, and will continue through Sunday, Monday and Tuesday, culminating with the dedication on Washington's birthday, February 22.

While in Tacoma the visiting Elks will be entertained by automobile rides about the city. They will also be taken on a boat ride on the river, and the weather is good, and on launch rides on the Sound.

There has always been a friendly rivalry between the Portland and Tacoma Elks lodges and it is for this reason that the Portland men are making an especial effort to have a good showing at the gathering. When the first street carnival was held here by the Elks, the Tacoma delegation captured the prize, and prior to that the Portland Elks won the prize at a carnival held in Tacoma. At the convention here in 1912 the Tacoma Elks won the prize for the largest number in line.

The Portland lodge has secured about 40 degrees of membership since November. It is expected that many of these new men will want to go on the excursion and get their first taste of the joys of a big gathering of Elks.

WATER RECEDES 2 FEET

ALL DANGER OF FLOOD IN PORTLAND SAID TO BE PAST. Reading up River Shows Rapid Fall. Columbia Drops Foot at Vancouver—Ice Breaking Up.

The Willamette River fell nearly two feet during the 24-hour period preceding 5 o'clock last night, the reading at that time being 17.3 feet above low-water stage. It will continue to fall rapidly the next two or three days, according to announcement of the weather bureau.

Reports from up the river were that the water is going down rapidly and all danger from floods is past. There is still a large quantity of drift wood coming down the Willamette and the Columbia River is reported to be full of ice going out, so that it forms some detriment to river navigation. Traffic may be resumed soon between Portland and up-river points.

The Columbia River receded a foot yesterday at Vancouver. The readings at different points on the Willamette and Columbia rivers at 5 P. M. yesterday, as reported to the weather bureau, follow:

"That any minor of the age of 18 years or over and otherwise qualified under the public land laws shall be permitted to make homestead entry, under and subject to the homestead laws of the United States: Provided, That no minor shall be permitted to make final proof upon such an entry or receive patent therefor until he or she shall have attained the age of 24 years: Provided further, That such entryman shall comply with all the requirements of the homestead laws as to cultivation and improvement of the land entered, but shall not be required to establish or maintain residence thereupon until he or she shall have attained the age of 21 years, and final proof upon such an entry may be submitted at any time within two years after such entryman shall have attained the age of 24 years."

COUNTY LEADER TO QUIT

SPOKANE REPUBLICAN CHAIRMAN TO ENTER RACE HIMSELF. Fight With Moose Over Instruction of Delegates Is Expected to Develop Within Party.

SPOKANE, Wash., Feb. 13.—(Special.)—As the first step in the Republican Presidential campaign, A. J. Wilson, county chairman, will call in the central committee with its 187 members and present his resignation to that body along with the formal notification of the call for county, state and National conventions.

Chairman Wilson resigns because he does not wish to be considered as endorsing his position in the party organization to further his own announced candidacy against other Republicans for the Fifth District Congressional nomination.

At the convention call issued by the state committee at Seattle Friday comes a new period of political activity, with unusual conditions adding interest to party politics and action.

Republicans are inclined to believe the situation will shape up over the state in the next eight weeks so that a Roosevelt fight will be started in June, the supporters of the ex-President being opposed in the convention by a combination of regular Republicans who wish to send an unopposed delegation to the National convention in June.

ORPHEUM NOT TO MOVE

Theater to Conclude Season in Its Present Quarters. The Orpheum Theater will conclude the present season, ending the latter in May or early in June, in its present location on Broadway, asserted Manager Carl Reiter last night, denying reports that the Orpheum shows would move to another Portland playhouse in March because of the early entry into the Portland field planned by the Ackerman & Harris circuit.

"Arrangements have been made for me informed by which we shall remain where we are until the end of the season," said Mr. Reiter. "By Summer the Orpheum circuit plans to build a theater of its own in Portland."

A GIRL'S COMPLEXION

Very few girls get through their teens without eruptions or pimples showing on their faces. These may be due to indigestion resulting from improper diet. If so they will quickly disappear when the proper food is adhered to. If they are accompanied by pallor and listlessness you must look to the condition of the blood.

Because these eruptions on the faces of school girls are so common they seldom receive the attention from parents that they require. When they indicate thin blood or anemia there is a ready remedy in Dr. Williams' Pink Pills. These tonic pills, free from harmful drugs, are pretty sure to help growing girls because they build up the blood at a time when the demand on it is greatest. As the blood is made rich and red, Bickle appetites become normal, lassitude gives way to vigor, the cheeks and lips show the glow of health and the whole system is toned up. The nervous system is invigorated and with proper attention to diet many dangers are averted.

Your own druggist sells Dr. Williams' Pink Pills or they will be mailed, postpaid, on receipt of price, 50 cents per box, six boxes \$2.50, by Dr. Williams Medicine Co., Schenectady, N. Y. The pamphlet, "Building Up the Blood," is free on request.

Orpheum circuit plans to build a theater of its own in Portland. The new Orpheum playhouse to be built here, San Francisco reports say, will be similar to the \$25,000 Kansas City Orpheum, recently constructed.

Rumors that an effort was being made to lease the Heilig or the National Theater for the remainder of the season were denied by Manager Reiter.
