McCredie is entitled to transportation back to his baseball headquarters, said Judge McCredie, in explaining his viewpoint. "We always pay this transportation for players who winter in Portland or in this Northwest section."

"But when the player lives somewhere back East, why should we pay his fare to Portland? He can go direct to his home from Los Angeles or San Francisco just as cheaply as he can from Portland."

CLUB NAMES AIDES

Chairmen of Committees at Multnomah Announced.

4-YEAR RULE IS PROPOSED

Exit of Stars and Entry of More Youthful Athletes Into Gridiron Spotlight Is Looming as Result of Suggestion.

A. M. Ellsworth, the new president of the Multnomah Amateur Athletic Club, last night announced his list of chairmen for the various committees of the club...

Two new committees were formed and one was dropped. Deliberations on finance, one of the most important matters concerning the institution, were named, and Ralph W. Wilbur, ex-president, was chosen chairman...

Of the 25 standing committees, 12 of the chairmen are holding office for the first time. Martin T. Pratt, who was chairman of the intercollegiate football committee, has been succeeded by J. O. ("Dad") Conville.

Four-Year Rule Proposed. Before retiring Mr. Pratt sent in his annual report to the board of trustees which will be an added stip to the club's four-year playing rule.

This would mean the passing from the playing ranks of such stars as George Philbrook, "Patsy" O'Rourke, "Red" Rupert, Grover Francis and J. O. ("Dad") Conville. It is also unlikely that Wallace DeWitt, ex-Princeton star, will don a uniform for the club next Fall.

Thus the club eleven from now on will possess plenty of young blood and there will be an added stip to the games with the colleges of the Northwest.

List Ratified by Directors. Following are committees and chairmen appointed by President Ellsworth and ratified by the board of directors last night: Finance, Ralph W. Wilbur (new); property, O. B. Goldwell; association soccer football, A. E. Morris (new); baseball, William J. Lewis (new); basketball, W. H. Masters (new); billiards, C. H. Siglin (new); association tennis, Fred S. Moody (new); ice hockey, W. A. Kearns; house, Harry Fischer (new); intercollegiate football, J. O. ("Dad") Conville (new); library, S. M. Luderer; racquet and squash, W. A. King; swimming, Phil Patterson (new); Turkish bath, Hal Rasch (new); tennis, R. M. Jones (new); outdoor sports, J. O. ("Dad") Conville; athletic, Martin W. Hawkins; records, George Berta; education, H. H. Herdman; hiking, John A. Lee, and publication, Lair H. Gregory.

Boxing Party Time Closing. Entries for the Pacific Northwest Association boxing and wrestling championships, to be held under the auspices of the Multnomah Amateur Athletic Club March 2 and 3, next Sunday night, is open to all amateurs as representatives of amateur clubs or unattached. For application in touch with Frank Harman at the club.

DO NOT WEAR AN OFFENSIVE LOOKING, POORLY FITTED AND UNCOMFORTABLE ARTIFICIAL EYE.

An artificial eye that does not accurately fit not only irritates and causes poor eyesight with the good eye, but is an offense to those who see it.

Our German artificial eye expert will be here from March 11 to 16. He can be seen by appointment only, and as a matter of self-protection, call, telephone or write the day and hour you desire to see him, and that time will be saved for you.

We have been able so far to keep the price of artificial eyes down to the same prices prevailing heretofore, but the continuance of the European war is likely to cause an increased price at an early date.

Mr. Kohler is considered the leading artificial eye expert in the world. Our faith in his work is backed by our usual guarantee—if you do not like the eye he makes for you, it does not cost you a cent.

NEW ORLEANS, Feb. 21.—Joe Mandot, of New Orleans, won a referee's decision tonight over Johnny Dundee, of New York, at the end of a 20-round boxing contest here.

The lightweight was regarded as evenly matched, Mandot taking the decision as the result of quicker infighting.

Harry Stone, of New York, challenged the winner.

The first 15 rounds were about evenly divided. Mandot being awarded seven and Dundee six, with two giving no advantage to either contestant.

Mandot took the lead from the 15th round, and until the end was in no danger except in the 18th, when Dundee had a decided advantage. The only time when it appeared a decisive blow might be struck was in the 15th round, when Mandot staggered his opponent with a heavy right cross to the jaw. Dundee recovered speedily.

When the final gong rang both men were fighting furiously in the center of the ring. Neither fighter was forced to the ropes at any time, all of the boxing being done near the center of the ring.

They were given out by managers of the fighters as follows: Mandot, 132, and Dundee, 127. They fought at catch weights, however, no weight requirements being exacted.
