DESTINN SEAT SALE.

Ira F. Powers is an agent for the Victor machines here and he procured a lot of marked-down price tags that he sprinkled over an assortment of talking machines in connection with a rummage sale. When the stage was all set he telephoned some of his fellow conspirators to lead Mr. Callahan down to his place of business. Frank M. Case, of the Wiley B. Allen Company, acted as pilot.

Into the talking machine department attrolled Mr. Callahan, escorted by the accomplices. He could not help but note the startling reductions that prevalled in the goods of his company, and his face fell. He decided in his own mind that he would have to take
