PROCEEDS GO TO CHARITY

"Romeo and Juliet" Is Offering by Portland Players—Public Asked to Patronize Performance to Aid Little Ones.

A strange story appeared recently in a foreign magazine, "somewhere in Europe," about a childless, rich woman who worshipped one god—herself, but didn't know it.

Now, with all her money, mansions, lands, yachts, bridge parties, servants and food in abundance, this woman was unhappy, strangely enough. Her sour, quarrelsome temper had driven away all relatives from her in despair years ago. She gloated over the fact that nobody on earth loved her. The domestic in her home spoke of their employer as "that old cat."

This rich woman, to rid herself of the unrest, deep despondency and hatred to all mankind that possessed her, tried foreign travel, frequent rest cures at handy sanitariums, the acquisition of foreign languages, the applause of favorites, the study of strange religions, but all to no avail.

One night she awoke out of a terrible dream and said she had seen, or thought she had seen, this warning printed on her brain in letters of fire, a text from sacred writ:

"Thou fool! This night thy soul shall be required of thee!"

Like a flash this rich, selfish old woman saw that true happiness consisted not in working for and pleasing herself, but in working for and pleasing others! In other words, she caught suddenly the spirit of service, and in doing so won and held the love of a

WHAT IS AN INTERNAL BATH?

If you were to ask a dozen people this question probably not one would answer correctly, although half a million Americans are now using it with a marked improvement in health and strength.

The Internal Bath of today is no more like the old-fashioned Ecema than a Vacuum Cleaner is like a whisk-broom.

Now, by means of the "J.R.L. Cascade," simple warm water cleanses the Lower Intestine the entire length, removes all the poisonous waste matter therein, and keeps it as clean and pure as Nature demands it shall be for perfect health.

You will be astonished at your feelings the morning after taking an Internal Bath by means of the "J.R.L. Cascade." You will feel bright, brisk, contented and as though everything is "working right"—and it is.

It absolutely removes Constipation and prevents Auto-Intoxication.

Woodard Clark & Co.'s Drug Stores in Portland will explain to you, and on request will give you a free book on the subject by an eminent specialist. Ask or send for this free book today, called "Why Man of Today Is Only 50% Efficient," while you think of it.

6 STATES BACK PLAN

Big Meeting at Spokane to Urge Astoria Naval Base.

MONTANANS INITIATE IDEA

Commercial Bodies of Two Dakotas and Idaho Expected to Co-operate in Framing Memorial to Congress.

ASTORIA, Or., Feb. 23.—(Special).—A great convention of the commercial bodies of Montana, Idaho, Eastern Washington and portions of Oregon and the Dakotas will be held in Spokane to promote the cause of a naval base of the first class at the mouth of the Columbia River, as provided for in the bills of Senator Lane and Representative Hawley, now pending in Congress.

The suggestion for this meeting came from P. N. Bernard, secretary of the Kallispell Chamber of Commerce, in a letter to F. C. Harley, chairman of the naval base committee, and today it was decided to adopt the suggestion.

The Spokane Chamber of Commerce has proffered the use of its rooms and its co-operation in a letter from Gordon C. Corbaley, managing secretary.

Spokane Assures Welcome.

Mr. Corbaley said:

"P. N. Bernard, secretary of the Chamber of Commerce at Kallispell, writes us that the suggestion has been offered of holding a meeting in Spokane for all interested in the Northwest to take action in this matter (naval base at the mouth of the Columbia). We are, of course, heartily in favor of such a meeting here and hasten to assure you that a cordial welcome will be extended by the Chamber of Commerce and all citizens of Spokane. Please let us know how we can most effectively co-operate with you in arranging for such a meeting."

In the absence of Chairman Harley, the secretary of the naval base committee, Wallace R. Struble tonight telegraphed the Spokane and Kallispell Chambers of Commerce, accepting their proffer of co-operation, and suggesting Monday, March 13, as the date for the big naval base convention. On confirmation of a date the invitations will be sent to all commercial bodies concerned.

Consent to Be Memorialized.

The primary object of the convention will be to formulate and adopt resolutions memorializing the naval authorities and Congress to take favorable action on the Hawley and Lane bills.

In connection therewith the importance of the great region served by the Columbia and its transportation lines, rail, river and highway, will be discussed; its strategic importance both to the Pacific Coast and the Middle West will be emphasized, and an exhibit of its productiveness and resources will be assembled for the information of Congress.

Incidentally, following the suggestion of Mr. Bernard, of Kallispell, the matter of close co-operation of the

homeless and motherless little girl, aged 3 years.

What's all this about?

This: The true spirit of service needs to be awakened anew today and tonight in this city on behalf of the 70 helpless babies of the Baby Home. They need money badly up there, about \$450 to pay a deficit and \$750 or so to start a new fund for urgent needs.

He said the new vaudeville house, which is coming to Portland and will show at the location now occupied by the Orpheum, will put on vaudeville shows of which the city will be proud, and that the prices will be popular. The Orpheum will occupy its present location until the end of its season.

CHURCH MEETING DRAWS

Dr. W. P. White, of Albany, Addresses Friends' Gathering Here.

Dr. W. P. White, of Albany, was the principal speaker last night at the opening session of the state gathering of the Friends' Church at Sunnyside. A large attendance and keen interest marked the meeting. Dr. White took as his subject "The Coming of the King."

PROSECUTION IS FAULTY

OMISSION OF NAME OF ONE OF PRINCIPALS Voids Indictment.

Petition for Rehearing in Case of Albin L. Clark Denied in Opinion by Justice Burnett.

SALEM, Or., Feb. 23.—(Special).—The judgment of Circuit Judge Kelly, of this district, was upheld by the Supreme Court today when it sustained a demurrer to an indictment against Ernest Underwood charging him with attempting to solicit for a prostitute. The opinion was written by Justice Burnett. The demurrer to the complaint was sustained by Judge Kelly because the name of the woman was not in the indictment, it being held that the defendant could not offer rebuttal evidence of the woman's unlawful occupation unless her identity was made known. The defendant is a former barber of this city.

Other opinions were:

C. B. Canuto, appellant, against Andy Weinberger, constable, appealed from Multnomah County; mandamus proceedings to force constable to serve a writ of restitution in a civil case, opinion by Justice Burnett; judgment of Circuit Judge Modlin affirmed.

Victor Leon against Della Leon, appellant; appealed from Multnomah County; suit for divorce; opinion by Justice Moore; judgment of Circuit Judge Modlin modified so as to deny defendant custody of 6-year-old daughter.

Ottelia Hadley, appellant, against C. E. Hadley and others; appealed from Tillamook County; involving dower estate; opinion by Chief Justice Moore; judgment of ex-Circuit Judge Holmes affirmed.

W. S. Cose and others against W. H. Gilmore, Bay City, and others, appellants; appealed from Tillamook County; suit for attorney fees; opinion by Justice Benson; judgment of ex-Circuit Judge Holmes reversed.

Isabel Caudwell, appellant, against Bingham & Shelley Company and others; appealed from Multnomah County; motion to dismiss appeal denied.

In the matter of the petition of Albin L. Clark for a writ of mandamus against Circuit Court of department No. 1, Multnomah County, petition for rehearing was denied in an opinion by Justice Burnett. The court also denied the petition for rehearing in Carson against O'Connor.

CHAMBERLAIN'S COUGH REMEDY WILL QUICKLY CURE THAT TERRIBLE COUGH

Many Cases of Persistent and Aggravating Coughs That Resisted All Other Treatment Have Been Permanently Cured by This Medicine.

There is, we believe, no remedy that has proved more uniformly successful in effecting permanent cures of persistent and hacking coughs than has Chamberlain's Cough Remedy. Read what people who have been cured by it say of it:

Mrs. A. L. Alsbaugh, Tonawanda, N. Y., writes, "Last Winter my husband had an attack of the grip which left him with a terrible cough. The doctor's medicine and other remedies he used not proving efficacious, and having seen Chamberlain's Cough Remedy highly recommended, I bought a bottle of it for him to try. The effect was certainly marvelous. After using it for

a day the cough entirely disappeared."

Mrs. P. J. Eastman, Tonawanda, N. Y., writes, "I am only too glad to take the time to write and tell of the marked benefit I received a short time ago through using Chamberlain's Cough Remedy. At that time I was experiencing a severe cough. It was most annoying, bothering me mostly at night. I tried several remedies but nothing did me so much good as one dose of Chamberlain's Cough Remedy. The relief was very great from the first, and before I had used one-half of the contents of the bottle, the cough had entirely disappeared." This remedy may be had at any drug store at 25 and 50 cents per bottle.

Swollen Ankles and Feet Are Indications of Kidney Trouble

Swollen ankles and feet are forms of a dropsical condition, due to disordered kidneys. Naturally when the kidneys are deranged the blood is filled with poisonous waste matter, which settles in the feet, ankles and wrists; or under the eyes in haggard formations.

It is just as necessary to keep the kidneys acting properly as to keep the bowels active, says an eminent physician. When one is sick the first thing to be done is to thoroughly test the kidney secretions.

The very best possible way to take care of yourself is to take a little "Anuric" with the meals. In this way it is readily dissolved with the food, picked up by the blood and finally reaches the kidneys, where it has a tonic effect in rebuilding these organs.

"Anuric" was recently discovered by Dr. Pierce, of Buffalo, N. Y.; it has been thoroughly tested in his laboratory as well as in his Invalids' Hotel. Everyone can quickly associate Dr. Pierce with his great herbal restorative tonic, known as an invigorator for womanly ills.

A different person daily offers his or her words of praise of "Anuric." Now Mrs. John Reardon, speaks:

"For over ten years I have been bothered with a menacing kidney trouble. My back ached constantly. Had rheumatic pains through the limbs and knees. My hands and feet both puffed up in sort of a dropsical way. In spite of many remedies I used I obtained no results. Just lately I read of 'Anuric' in our daily papers, so used the remedy. The results have been beneficial."

Simply step into the drug store and ask for a 50c package of "Anuric," or send 10c to Dr. Pierce for trial package.
