

MILE RECORDS FOR AUTOS ARE BROKEN

Oldfield Cuts Time for Distance From Flying Start by 3-4 of a Second.

COURSE MADE IN 45 FLAT

Burman, From Standing Start, Lowers Mark From 1:03 to 58 1-5. O'Donnell Wins 50-Mile Dash on Ascot Track.

LOS ANGELES. March 19.—Two world's records for circular mile automobile speedways were established at the racing meet at the new Ascot Speedway here.

Barney Oldfield lowered the world's record for a mile from a flying start by 3-4 of a second, and Bob Burman clipped 4-5 seconds off the world's record for the same distance from a standing start, according to the official time.

Officials said Oldfield's time for the mile was 45 seconds flat. The best previous record was 45.72 seconds. It was made at Providence, R. I., by Burman.

Burman drove a mile from a standing start in 58 1-5 seconds, lowering the mark of one minute and three seconds, previously held by Louis Disbrow. The latter's record was made at St. Louis, Mo.

Both records were made today during speed trials for world's automobile speed records.

Eddie O'Donnell won the 50-mile sweepstakes, which was the feature event of the day. His time was 43 minutes 4-5 seconds. Eddie Pullen, second, his time being 43 minutes, 12 seconds. Eddie Pullen finished third, covering the distance in 44 minutes, 6-2 seconds. George Hill was fourth and R. C. Duran fifth.

O'Donnell drove the 50 miles without making a stop. All the other entrants were compelled to make one or more stops.

The Australian pursuit race provided one of the thrills of the meet, when the machine driven by James Parsons crashed into an iron guard rail at the head of a 15-foot embankment. Parsons escaped injury but was unable to continue in the race and drove him out, causing the machine to strike. The race was won by Teddy Tetzlaff. His time was 9 minutes, 41 seconds. F. E. Miller was second.

Tetzlaff also won the 10-mile race for small cars, making the distance in 9 minutes 44 3-5 seconds. M. Mahoney was second and R. C. Duran was third.

NAVY TAKES UP TRAPSHOOTING

Teams From Warships to Compete at Trapshoott Vessels.

Trapshooting has become such a part of the United States Navy since the advent of the hand trap, which permits the shooting of targets on ship board, that teams on the ships comprising the Atlantic squadron will engage in the first naval trapshooting championship of the United States Navy, Atlantic fleet, at Guantanamo Bay, Cuba, on March 25.

The shoot is registered under the auspices of the International Association for the Encouragement of Trapshooting, and will be managed by the officers of the Red Cross Gun Club of the U. S. S. Solace.

The Red Cross Club of the Solace is the pioneer club of the Navy. The Solace on its trip from New York to San Francisco to the Panama-Pacific Exposition through the Panama Canal carried several dozen hand traps, so that the officers and men could enjoy the excitement of trapshooting during sea travel. Since the thousands of private yachts, ocean greyhounds and the most common ships that travel the briny deep never leave port without plenty of hand traps, trapshooting isn't confined to the Navy, but by any means, is only a matter of time when trapshooting will be one of the main amusements of ocean travel.

This shoot, however, will not be held on the water, for there will be too many contestants. It is expected that more than a thousand officers and men will participate in the championship, for everyone connected with the Atlantic squadron is eligible.

Since the formation of the Red Cross Gun Club on the U. S. S. Solace, gun clubs have formed in the Navy. Wyoming, U. S. S. Texas, U. S. S. Cumberland, U. S. S. Cheyenne and U. S. S. Vermont. Trapshooting, as a sport, has made greater progress in the United States than among the other branches of naval service, nearly every man in the Navy understands the handling of firearms. It is the desire of everyone to shoot accurately, too, and trapshooting it is not a difficult matter to find out who is the steady one on the hand and the eye work in unison.

This is the most important tournament, in a trapshooting way, that has ever been scheduled, because it has great possibilities, both for the sport and the Navy.

Salt Lake Men Play Errorless Ball, but Fall in Batting.

MODESTO, Cal., March 19.—(Special)—The Modesto Reds defeated the Salt Lake team this afternoon, 3 to 2. Blankenship and a second squad won at Fresno from the Fresno All-Stars, 6 to 5.

The Salt Lake contingent played an errorless game against the Reds, but bailed out three swats off Philo Mobley, the Reds' standby, and two off Shadler, whom O'Connor lent the Modestans for the last four innings. Salt Lake had the run of Mobley, Hall, Koch and Averill pitched three innings each for Salt Lake with Murray holding the backstop.

The Reds swatted for a total of seven hits.

The lineup for the stay-at-homes was: Vann, Ib; Thompson, Ib; Murphy, ss; Monier, 2b; Munsell, Fittery, Peter, right field; Blankenship and his second squad made the trip to Fresno by auto, expecting to return tonight.

TIGERS PRACTICE IN SECRET

Patterson Afraid Someone Will Find Out How Good Vernon Is.

LOS ANGELES, March 19.—(Special)—At Washington Park, where the Tigers, who arrived from Maier's ranch, had a practice all by themselves. Both President Maier and Manager Patterson are opposed to playing any games with outside clubs during the training season.

Those picked for the football team were: Nels Nelson, halfback; Nels Key, halfback; Milton Borth and John Dill, quarterback; Kenneth Tomlinson, center; Charles Larabee; guards, Calvin Hirsch and Harold Weeks; tackles, Archibald Clark and Alvin

of the other teams know how good he is until the bell rings.

He is giving a good deal of attention to base work, as he believes speed the one most valuable asset in a league.

The Tigers will finish up their work at the park.

ANGELS SHOW AMAZING PEP

Seraphs Cavor Like Colts and Wall-

lop Amateurs 5 to 1.

ELGIN, Cal., March 19.—(Special)—The Angels chalked up the second victory of the season against a foreign foe today by walloping the Chocolate Shop nine runs, while the Angels on the Elsinore diamond, 5 to 2, without half chance. Change gave Ryan Scoggin and J. Williams a good workout against the Candy Kids, and while none of them let out much steam, they were all too much for the amateurs. Larson had a good game, but in the third frame with Bryan pitching, and an out and a long fly gave the Kids their only run.

The whole town of Elsinore saw the game. The Angels cavorted around the field like a bunch of young colts and showed a most amazing amount of pep.

EUGENE HIGH OUTLOOK GOOD

Baseball Team to Play Oregon Freshmen; Track Men to Be Busy.

EUGENE, Or., March 19.—(Special)—The Eugene High School baseball team has scheduled a game with the freshmen of the University of Oregon to be played Saturday. Other games have been scheduled with Albany, April 12, and Junction City, April 8.

Coach Feitton predicts that the Eugene team will finish the season near the top among the schools of the state. And the school has decided on an tentative date for a track meet with Albany, the place not having been determined. Meets with Salem and Corvallis will also be arranged if possible.

Moran put in one of the busiest sessions of his training at his Westchester camp. The distance between the camp and the city has made up his mind to take it easy, but a host of his newsboy friends from the city appeared and he was unable to resist the earnest requests to let them see him work.

He cleaned his training clothes and punched the bag for fully 10 minutes, and then skipped the rope for five more. The newsboys cheered, and in response to their entreaties Moran took off his shorts, in which he took on Madden, McKinnon and Kendall at a lively pace.

After a rousing Moran told the boys of his confidence of being able to defeat Willard next Saturday.
