Lookout Tells Story. Mr. Herzig, in describing the accident yesterday, said: "The vessel was proceeding up the slough when she suddenly received a

brought under control after two hours, efficient, even vicious." Df. Boyd read the salient features of the report and pointed out what he said were the shortcomings of the VILLA GENERAL IS KILLED board and its conduct of the schools, assuming that what the survey said Government Forces Report Execuwas all true, and he knew, of his own experience, he said, that it was true to ome extent.

The Admiralty also reports that a torpedo-boat may have been in collision with another of its own fleet in the venture. No fears for the crew are entertained.

The following official statement was #ssued tonight:

"An attack by British seaplance was delivered yesterday morning on German airship sheds in Schleswig-Holatein eastward of the Island of Sylt. The seaplanes were conveyed to their rendezvous close to the German coast by an escorting force of light cruisers and destroyers under Commodore Tyrwhitt.

### Destroyer Lost in Collision.

"Three of the scaplanes which took of interscholastic athletics. part in the attack are missing. The destroyer Meduan was in collision with the destroyer Lawrock and it is feared BOY OUTSPELLS TEXTBOOK that in the stormy weather which pre vailed last night the Medusa may have Dictionary Resorted to Before Prize been lost, but no misgivings are felt as to the safety of the crew. Two German armed patrol vessels were sunk by our destroyers.

"No detailed report has yet been received, patches it would appear that this operaenemy's waters, achieved its object."

The Lavrock, 260 feet long, was built in 1914 and displaced 965 tons. She was urmed with three four-inch guns and two torpedo tubes. Her normal compleent was 100 men. The latest available third prize winner. official navy records give no destroyer Medusa.
