rampage that ended in victory for the Portland fusileers. As first man at bat he picked on the second pitched ball and drove it far out into center field against the high board fence. Before Ping Bodie could retrieve it Guisto was perched on second base.

Jerry Downs promptly made himself as popular as rat poison by playing butter-fingers on a grounder off Fisher's bat, and Guisto raced homeward with his second run of the afternoon. Stumpf's two-base hit into left field moved Fisher around to third, and a walk to Ward filled the bases with nobody out.

This was the situation when Irve Higginbotham went to bat and hit a screaming liner along the right-field foul line, scoring two runners and tying the game.

Baum Gets His Next.

Manager Wolverton thereupon decided it was high time to summon Mr. Steen to the clubhouse for his evening ablutions. Charles ("Honkus") Baum took his place on the hurling mound.

Baum walked Willie, the first to face him, and again the bases were loaded with nervous and prancing athletes. Bobby Vaughn, who played a brilliant game at second base, added to Baum's woes by singling cleanly to center, sending Chuck Ward home with the winning registration.

Higginbotham sank his spikes into the home plate a moment later when Baum again wobbled slightly and gave Bill Speas free transportation to first base. The bases were full at the time.

In this same inning Willie tried to score from third after a fly to right field by Southworth, but Justin Fitzgerald cut him down dead at the home plate on a brilliant throw from the sun garden.

There was no further scoring on either side after this flamboyant seventh stanza.

Higg Disposes of Pinch Hitters.

Higginbotham walked the first batsman in the ninth inning—Curley Brown, a pinch hitter—but he showed his mettle by disposing of two other of the pinch specie as nonchalantly as though he were ordering a pound of liverwurst for his pet poodle.

Hap Myers, one of these pinch batsmen, flied weakly to Vaughn, and the other, His Nibs Wolverton himself, fanned the air vainly for three consecutive times and then took that long and monotonous walk from the home plate to the bench.

Gus Fisher was not expected to be in shape to enter the opening game, but it would have required a team of Filipino yaks to have kept him on the bench. Gus was up to the wee sma' hours with his lame arm under a high-voltage lamp, and, while he could hardly throw to the bases, he asked to be allowed to play, and caught a dandy game.

While Fisher's presence strengthened the team in that quarter, one of the other important cogs in Manager McCredie's machine—Billy Nixon—had to retire early in the inning as a result of an injury sustained in the final game against the negroes at Sacramento. Bill Speas took his place in right field.

The weather was fine. Mayor Rolph pitched the first ball, a strike, by jiminy, and the Chief of Police caught. Both will be in the movies in another 24 hours.

Harstad will pitch for Portland tomorrow against either Perritt or Fanning. The score:

10,000 SEE BEES WIN FIRST

Fittery Is Steady and Staves Off Oakland Rally in Ninth.

SALT LAKE CITY, Utah, April 4.—About 10,000 persons saw Salt Lake win the opening game of the season from Oakland 7 to 4 at Majestic Park this afternoon.

The game opened without ceremony, other than a street parade of the Salt Lake Rotary Club, automobiles, led by a band, immediately preceding the game. The weather was cool but fair and the grounds were in good condition for so early in the season.

Fittery pitched a steady and consistent game, with good support, and was never in danger after the fifth inning, when Brief hit one over the leftfield fence, with two men on bases.

Oakland gave the game a lively finish by a batting rally in the ninth, in which one run was scored with two men out and the game ended with two on bases. The score:

ANGELS SHINE BEFORE 16,000

Bates Is Star for Vernon Team Which Loses Opener, 5 to 2.

LOS ANGELES, April 4.—Los Angeles defeated Vernon today in the opening game of the baseball season, 5 to 2. More than 16,000 fans witnessed the contest. The crowd overflowed on the field, and ground rules were necessary.

Manager Frank L. Chance, of the Angels, was ordered off the field in the seventh inning by Umpire Held, when he vigorously disputed the latter's decision in calling Maggart out at home on a close play.

Los Angeles opened the scoring, registering one in the second on singles by McLarry and Ellis. The Tigers made their only scores in the fourth. Bates doubled, Mattick hit an infield grounder and was safe when Fischer attempted to catch Bates. Gleichmann forced Mattick at second and Bates took third. Bates scored on a double steal, and Gleichmann followed him home when Boles threw wild to third.

Four singles, a double and a wild pitch gave the Angels three in their half of the fourth, and they added another in the seventh. Score:

M'LEAN IS VARSITY STAR

Young Player Makes Two of Three Hits for His Team—Nelson Battered Hard, but "Scoop" Rathbun Does Better.

UNIVERSITY OF OREGON, Eugene, April 4.—(Special.)—The Chicago Negro Giants doled out a 11-0 drubbing to the varsity this afternon on the University diamond. It was a slugfest for the visitors from start to finish, with the varsity having a look-in for three measly hits, two by McLean and one by Sheehy. Dick Nelson, of no-hit, no-run fame in the first game of the season against Chemawa, was started today by Bezdek against the dusky visitors. He was derricked in the fourth, after he had been nicked for 10 healthy hits. The big fellow was nervous to start with, and could not master his control.

His place was taken by "Scoop" Rathbun, who was touched up for three hits, one of these a long homer by "Home-run" Grant. This long hit of the afternon came in the seventh, and was a pretty fly over the left fielder's head. Grant was the star of the afternoon for the Giants.

Woods was on the mound for the Giants and retired nine of the Oregon men by strikeouts. Only once did he wobble. That was in the seventh, but he settled down strong.

The defense of the Oregon team was decidedly brittle, especially with men on bases. From now on Bezdek will work toward bolstering up the weak spots and developing a strong offense. The "pony" infield worked fairly well. Grebe, on second, failed to come up to his fielding standard, being the chief contributor to the error column. McLean was the hitting star for the Oregon team, bingling safely twice. This is his first year on the first team, last year being the star of the interfraternity series of baseball games.

The game today was decidedly slow, but the playing of the Oregon team was fairly consistent. It was simply a case of "too much on the ball," and the varsity was unable to cope with the big-league caliber dished up by the Giants. Score:

Giants	2	1	3	2	1	0	0	2	—11	14	2

Coast League Notes

JUDGE W. W. McCREDIE was the happiest man in town yesterday afternoon after getting the returns from San Francisco. He immediately joined the "I-told-you-so" club.

* * *

Judge McCredie has not as yet decided what time the games will start in Portland this season. There are many arguments presented by different persons for 3, 3:15 and 3:30 o'clock. Walter McCredie is in favor of starting at 3. The president of the club, however, is rather in favor of starting the week-day games at 3:15 so that the fans who work until 3 on Saturday afternoon will have enough time to hurry to Recreation Park.

The president of the Coast League leaves this matter up to the owner in each city so as to please the home fans. The local magnate will announce the time of starting within a few days. The Sunday games will start at 2:30 as usual. When there are double-headers on the bill they will start at 1:30. There will be absolutely no Sunday-morning contests.

* * *

Box seats for the opening Coast League game here April 18 were last night placed on sale at Edwards' cigar store, Sixth and Washington streets. General admittance tickets will be on sale next Monday.

* * *

Lyle Bigbee, pitcher, and Carson Bigbee, infielder, the Eugene lads who were trying out with the Beavers at Sacramento, have accepted the Tacoma Northwestern League offer and passed through Portland last night from Eugene to Tacoma to report to Manager Russ Hall. Al Bartholemy, the crack Portland youngster whom Walt McCredie says is one of the best receivers on the Coast, left yesterday afternoon for the same city.

* * *

The crack battery of the Piedmont Maroons, of the City League, last season will be with the Tacoma team this season. Jude Moreland is the pitcher who was sent to the Tigers for seasoning from the Salt Lake club after conditioning with them at Modesto, Cal. Bartholemy is the catcher and the two are liable to cut some figure in the Northwestern circuit.

* * *

Twelve more days and the Beavers will be home.

* * *

There are 22 Oaks in Salt Lake, including Manager Rowdy Elliott.

* * *

Here are the new faces with the Oaks: Mal Barry is seen at first instead of Jack Hess, Bill Kenworthy is at second instead of Lil Marcan, Jap Barbeau is at third instead of Lou Litschi, Bobby Davis, the former Beaver, is at short in the place of Art Guest; Willie Zimmerman is cavorting in center field in place of Jimmy Johnston and Dave Griffith will be behind the bat as Rowdy Elliott's running mate instead of "Red" Kuhn.

* * *

Well, Guisto didn't prove a flivver in the opener.

* * *

Before Catcher Al Bartholemy departed for Tacoma yesterday afternoon he was asked his opinion of Louis Guisto. "He is a huge giant, smart as a whip and if he proves not to be as good as heralded I will be the most disappointed fellow in the country," said "Chubby A." "Everyone in camp is taking a big interest in the big fellow, and, you mark my word, he'll be in the big brush next Spring or sooner."

* * *

Most of the last year's heavers are still with the Oaks. In addition there is a long string of new ones. Local fans will recall "Dutch" Klawitter, Shotputter Prulett, Clint Prough, Sammy Beer and Ray Boyd. Along with them Elliott has Martin, Klein, Chabek, Manser and White.

CENTRALIA, Wash., April 4.—(Special.)—Henry Huff, regarded as one of the best semi-professional twirlers in Southwest Washington has reported for practice with the Tacoma Tigers. Huff pitched three seasons with the local Moose team and his record of wins was such that his friends are predicting he will make good with Tacoma.

Stanford Shell Reaches Seattle.

SEATTLE, April 4.—The Stanford University boat crew received their own shell today and went out on Lake Union in it. The University of Washington crew also practiced diligently. It has been decided to start the race at 4:30 Friday afternoon. The water is less affected by wind at that hour than earlier in the day.

GUISTO HAILED AS BASEBALL WONDER

Fans Declare Beaver Giant Will Be in Big Leagues Within a Year.

CLOUTS ARE MIGHTY ONES

Seal Infield Appears Wobbly in Opening Game—McCredie Issues Orders to His Men Not to Bait Umpires.

SAN FRANCISCO, April 4.—(Special.)—Louis Guisto is the talk of the town tonight. If San Francisco Bay were to fill up with grape juice this sensational St. Mary's athlete would still monopolize the tongue wagging. He played like a fiend, and if he does not spoil under flattery it is generally acknowledged even on snap judgment that he will be in the big leagues within another Spring.

Guisto deserved three hits instead of two. He hit his home run on the first pitched ball and when he again faced Bill Steen he whacked the first pitched ball on a dead line to the left field. Had it been ten feet either way, it would have been a two-bagger, for it shot out like a rifle bullet. Schaller pulled it down as 15,000 hearts were strenuously striving to see open air.

San Francisco's infield appeared decidedly weak today. Neither Gay nor Bohne secured a hit, and Bohne displayed a touch of nervousness by throwing the first hit ball several rods over First Baseman Autrey's cranium. This allowed Willie to go safe at first. Captain Vaughn bunted him down to second. He reached third base on Nixon's grounder, but went to seed on Southworth's fly to left, but Jerry Downs proved the real goat of the day. Downs inserted a couple of costly errors in pinches, and the bugs are crowning him with thorns along sport Rialto tonight.

Manager McCredie gave his boys a rousing talk in his rooms at the Continetnal Hotel before sending them out in the parade. He told them to lay off the umpires.

"Play hard, fast ball and fight for everything that is right but I want no umpire baiting on my ball clubs," ordered the big Portland manager.

Bobby Vaughn was officially named captain at this meeting.

In the first inning with two out and Autrey on second base, McCredie came out of his sarcophagus and ordered Noyes to walk Bodie. His judgment was vindicated. Downs drove a grounder over Second which Ward scooped and tossed to Vaughn for a force out.

HIKER ENDS 8152-MILE WALK

Robert Burns Now Wants to Go Across Country at Dog Trot.

Robert Burns, of Eureka, Cal., who has some reputation as a hiker, arrived in Portland yesterday morning. He has just completed an 8152-mile walk from California to New York and return, he said. He made the trip in 80 days going and 85 days returning. The closest other record was made by William Bayson Weston in 112 days one way, it is said.

Burns started from San Francisco May 23, 1915, reached New York September 21, 1915. He left New York October 1, 1915, and reached Los Angeles January 20, 1916. Since then he started a tour of the world on a bicycle, starting without any money from Santa Rosa, Cal. He intended to write a book when his journey was ended. The idea was not to his liking after he started, for he ditched the bicycle and came on foot into Portland.

He says he is dickering with the Portland A9d Club in an effort to have them engage him to "dog trot" to New York and back advertising Portland on the way. Burns is brown as a berry, and says he enjoys the hiking game.

WILLAMETTE SEASON IS NEAR

Salem Team to Play Two Games With Oregon This Week.

WILLAMETTE UNIVERSITY, Salem, Or., April 4.—(Special.)—The baseball season for Willamette will be started officially next Thursday and Friday, April 6 and 7, when the varsity locks horns with the Oregon tossers at Eugene. A return game is slated to be played on the home grounds on Monday, April 10. The Cardinal and Gold nine is practicing hard and, barring unforeseen accidents, should be in good shape for the game the latter part of this week. Just what the lineup will be is uncertain, but it will probably be: Shisler, right field; Esteb, center field; Bain, left field; Tasto, shortstop; Brown or Proctor, second; Miller, first; Yates, third; D. Adams or Brown, catchers; W. Adams, Shisler and Rexford, pitchers.

Other games scheduled are: Mount Angel, April 15; Pacific University at Salem, May 6.

RAINIER DEFEATS CLATSKANIE

Wildness of Pitcher Larson Is Big Factor, as Is Triple Play.

CLATSKANIE, Or., April 4.—(Special.)—Accompanied by a bunch of rooters, the Clatskanie Tigers journeyed to Rainier Sunday and were defeated in the opening game of the season, 11-3. The Clatskanie team outfielded their opponents, but the wildness of Pitcher Larson, who walked seven men, coupled with inability to hit in the pinches, caused their defeat.

A triple play, Thompson to McKennar, of Rainier, featured the game and stopped the Clatskanie rally. The score:

	R.	H.	E.		R.	H.	E.
Clatskanie	3	6	5	Rainier..	11	8	6

Batteries—Larson and Daley, G. Van; O'Dell and Colvin.

BABY BEAVERS HERE SUNDAY

Kirkpatricks to Be Opponents at Next Game at Vaughn Street.

Manager Bill Heales' Kirkpatricks will meet the Baby Beavers at Vaughn street next Sunday; Montavilla battles Gresham at Gresham; St. Helens tangles with Woodland, Wash., at Woodland, and the Bradfords clash with Woodburn at Woodburn.

President Fred N. Baz, of the Inter-City League, last night assigned the umpires. Grayson will go to Woodlawn; Cheynne to Vaughn street; Brown to Woodland and Rankin to Gresham. The results of last Sunday's games show that the Inter-City players can put up a good brand of baseball.

Denver Ball Club Sold.

DENVER, April 4.—The Denver Western League baseball club was sold today to H. L. Jones, former owner of the Lincoln club. The consideration was not announced. James C. McGill, former owner, will devote his entire time to the affairs of the Indianapolis American Association club.

Maxwell

Facts

GET the facts on the operating cost before you buy any automobile. Find out the truth before—not after. And don't be satisfied with hearsay or a salesman's claims. The price of gasoline is high; so is oil and there is sure to be an increase in the cost of all tires.

So, what you want is the car that will give you most miles per gallon of gasoline, per gallon of oil and per set of tires.

Here are the facts proved by the Maxwell stock touring car that recently set the World's Motor Non-Stop Record:

Maxwell World's Non-Stop Record Facts	
Miles without a motor stop	22,023
Average miles per day (44 days)	500.6
Miles per gallon of gasoline	21.88
Miles per gallon of oil	400
Average miles per tire	9,871

Remember that this was a Non-Stop Endurance Record—in order to prove that the Maxwell car was exceedingly sturdy, reliable and trouble proof.

No attempt was made or could be made to save gasoline, oil or tires. So these figures merely indicate what would be possible under ordinary driving conditions.

Right now we have a Maxwell we can deliver to you, and if you don't want to pay cash, make a deposit and pay the balance as you use the car. *But don't put it off.* We know the Maxwell factory can't get half enough freight cars to carry their doubled output. Later on we may not be able to supply you. But we can NOW. Better phone us for a demonstration *today.*
