PORTLAND BUSINESS MEN TO YAKIMA VALLEY.
The Portland business men hold the excursion to Yakima Valley and adjacent territory, which will be run under the auspices of the Portland Chamber of Commerce April 15-22.

WASHINGTON CITIES ISSUE INVITATION AND PROMISE ENTERTAINMENT.
Chamber Urges Members to Take Part.

THE MOST IMPORTANT trade excursion that has gone out of Portland for several years, is the estimation in which the Portland business men hold the excursion to Yakima Valley and adjacent territory, which will be run under the auspices of the Portland Chamber of Commerce April 15-22.

LETTERS were issued to all members of the Chamber yesterday containing an announcement of the plan for the excursion and the itinerary, and urging the participation of all the business men of Portland who are able to go at that time.

North Yakima, Pasco, Walla Walla, Kennewick and numerous other cities of Eastern Washington have joined in the invitation, which brought about the plan for the excursion, and have pledged the best entertainment possible to the excursionists.

Members of the excursion committee are J. E. Davidson, O. W. Mielke, J. W. Vogan, A. L. Gage, R. M. Irvine, A. J. Bate, G. E. Heints, W. E. Shuman, R. E. Bush, Jr., Edwin Neustadter, R. M. Davidson, H. J. Frank, W. H. McVeay and Miss E. Simons.

The itinerary announced for the trip follows:
Via Hour. Day
Lv. Portland...O.W. 12:30 A. M. Wednesday
Ar. Walla Walla...O.W. 8:30 A. M. Wednesday

Whether a long-lost brother has been found or there has been some irregularity in securing possession of real estate of personal property left in Multnomah County by the late William Stevenson, of Yakima, Wash., are questions puzzling Eugene Willis, clerk of the County Court, as the result of a telegram received yesterday from Thomas H. Johnson, acting Attorney General of Winnipeg, Manitoba, Canada.

Delay in the appointment of an administrator of the estate of Mr. Stevenson, who died in Seattle March 12, 1915, is asked in the communication until the application of Simon Donald is presented, representing the sole brother of the deceased. It is too late to prevent the appointment. Simon Genevise was named administrator March 15.

The special revival meetings which opened at the old Central Christian Church, East Twentieth and East Salmon streets, Sunday afternoon, were attended. Rev. Will H. Huff, evangelist of Sioux City, Ia., delivered the opening address. Last night his subject was "Importance and Need of Genuine Revival." Mr. Huff pointed out the need of a revival of true religion inside as well as outside the churches. He will speak this afternoon at 2:30 a. m. every night at 2:30 o'clock except Monday and Saturday.

These services will be continued one month under the auspices of the Oregon Holiness Association. Rev. Homer H. Cox is in charge of the music.

Moore Bros., Inc., Gets Contract for Viaducts' Construction.
From the face of the bids submitted last week it appeared that the Standifer-Clarkson Company would capture the contract from the County Commissioners for the construction of four viaducts of the St. Helens road, but yesterday the award went to Moore Bros., Inc.

In checking over the bids Roadmaster Yeon discovered errors in multiplication and addition in the Moore Bros' bid, which, corrected, showed that the bid was the lowest submitted. Corrected it was \$18,927.31. That of the Standifer-Clarkson Company was \$19,231.63. The bid was awarded Moore Bros. on the recommendation of Mr. Yeon.

MADE \$63,900 Road Contract Let.
MARSHFIELD, Or., April 10.—(Special)—E. G. Perham, of Marshfield, was today awarded the contract for grading and widening the county highway between Marshfield and Coquille for \$63,900. Mr. Perham was underbid by Porter & Connelly, of Portland, but the county had reserved the right to give the work to a bidder who might not be the lowest. Extras which were added were accounted in the final decision.

SUCCESS Crowns the Politz Policy in Merchandising

The Response of Portland Public to Our Grand New Establishment Proves the Confidence Placed in Our Merchandise and Prices

We believe that a man who buys a suit in March or September should receive just as much for his money as the man who buys in July or January. In other words—why should your friend come here one or two months after you buy a suit and get it for \$5 or \$10 less than you paid?
By discontinuing these unfair end-season clearance sales we reduce the regular price of a suit materially. We count on a small but certain amount of profit on each suit we sell, instead of having to add enough to make good our loss on suits sold during clearance sales.
This makes a fair deal for you and every one.
One level low price throughout the year.

Constipation Yields to Treatment With Paraffine Oil
The discovery that paraffine oil or petroleum could cure constipation has already borne remarkable results.
It has been demonstrated in many cases and the fact has been corroborated by physicians that liquid petroleum or paraffine is one of the most valuable remedies yet devised for intestinal troubles, of which sluggishness, inactivity or irregularity of the bowels is a cause or a complication.
Since that discovery the use of petroleum has been adopted and advocated by prominent physicians in all parts of the world.
A superior liquid petroleum known as Ameroll is one of the most highly refined paraffine preparations on the market.
The petroleum (Ameroll) lubricates the bowels and softens the hardened masses of feces caused by the stoppage. The action which necessarily follows as the result of the softening and lubricating process is, therefore, entirely mechanical, natural and gentle.
Ameroll is colorless, tasteless and odorless, pleasant to take; it does not nauseate or disturb the most sensitive stomach. Ameroll is sold at all O.W.I. Drug Stores in pint bottles at 50c each.—Adv.
