

WOMEN'S CLUBS

PRESIDENT OF TUESDAY AFTERNOON CLUB ACTIVELY INTERESTED IN CLUB AND PHILANTHROPIC AFFAIRS.

Mrs. G. I. Stahl

A HOST of admiring friends in Portland have said good-bye to Miss Marie Rustin, who left on Tuesday for San Francisco, whence she sails for China to take charge of the Down Hospital, in Peking, and in the Union Training School there to teach the native maidens the art of nursing the sick.

Miss Rustin, because of a sunny personality and of an unselfish work in many charitable undertakings, enjoyed a great popularity in Portland and will be missed. She was an active worker in the affairs of the First Presbyterian Church and she goes to the Orient in the service of the missions of that denomination.

Miss Rustin is an enthusiastic out-of-doors woman, prominent Massena and a faithful nurse in many a timberline camp of that organization. The Massena gave an entertainment in her honor at their home on Saturday evening. She will sail for San Francisco next Tuesday.

"Vocational Opportunities. Other Than Teaching in Portland," will be the subject of an address to be given by Eugene today and tomorrow. Mrs. Helen M. Henshaw, who will attend the vocational conference in Eugene today and tomorrow, Mrs. Henshaw will leave early this morning for the college town.

In keeping with their custom of many years, the Portland Fruit and Flower Mission will make an annual pilgrimage to Multnomah Park on May day. Fruits, flowers, candies and cakes will be distributed among the poor and a programme will be given.

Under the auspices of the Bureau of Social Equity and the Council of Women Voters, a nonpartisan meeting will be held today at 2 o'clock in the library. Mrs. Helen M. Henshaw, Mrs. Helen I. Tomlinson and Mrs. G. L. Buland will be among the speakers. Dr. Viola Mae Coe will preside.

The Portland Woman's Club will have three departmental meetings today. At 1 o'clock the department of psychology will meet and Emerson's essay on "Self-Reliance" will be studied. Mrs. C. H. Simmons is chairman.

The art department will convene at 2 o'clock, when Dr. George Rebec will speak on "Romantic Half-Lights and High Lights." All club members are invited. Mrs. J. A. Pettit, who has conducted the destinies of this department and who recently was elected president of the club, will be succeeded by Mrs. R. M. Tuttle, chairman, and Mrs. James Moffett, vice-chairman.

Mrs. Julia Henshaw will address the literature department at 3 o'clock. This will be an open meeting. The Portland Trade Teachers were invited by Mrs. Frankel to attend. Mrs. J. D. Spencer is chairman.

The West Portland Parent-Teacher Circle will meet today at 2:30 o'clock in the clubrooms. Mrs. George W. McMath will speak on Parent-Teacher work. There will be music and refreshments and friends and patrons have been invited.

Miss Katherine Linton, who sang for the Grade Teachers' Association on Wednesday night at the Hotel Imperial, was accompanied by Miss Denmore. Miss Henrietta Holm has as her accompanist Miss Grace Dawson. Miss Hazel Hardy, the third soloist, also was accompanied by Miss Dawson.

On Friday at 3 o'clock there will be an open session of the literature department.

RUN-DOWN WOMEN

We Have a Remedy That Will Cost You Nothing if It Does Not Help You.

Portland women will please realize that we mean just what we say in the above heading. Letters like the following prove the efficiency of Vinol in such cases:

"For the benefit of the other tired women, I want to say that I kept house for seven in my family. I became run-down, all played out, I did not seem to have any life in me and looked badly. I read so much about Vinol I decided to try it, and I must say it helped me in every way. It built me up so I felt like a new woman, and my friends said they could see a great change in me." Mrs. John M. Waldron, Saratoga Springs, N. Y.

We recommend Vinol to our customers as the greatest strength creator we know—due to the extractive medicinal elements of fresh cod livers, without oil combined with potentiated iron and beef peptone, all dissolved in a pure medicinal wine. The Owl Drug Co., Portland, Oregon, P. S.—In your own town, wherever you live, there is a Vinol Drug Store. Look for the sign.
