FISHERMAN MAKES ESCAPE

Gill-Nets and Salmon Confiscated by Wardens Near Mayger.

ASTORIA, Or., April 25.—(Special.)—As Deputy Fish Warden Larson and Ahkeny were chasing a gill-netter who was fishing during the closed season near Mayger about 2 o'clock yesterday afternoon, their engine broke down. The gill-netter cut his net, and pick-

ing up a portion of it, ran ashore, threw two fish on the beach and escaped into the woods. By taking a skiff, Ahkeny picked up the remaining 175 fathoms of gill net, which was confiscated, as well as seven salmon, which were sold for \$7.10. The owner of the net is known and a complaint will be filed against him in the Justice Court at St. Helens.
