PRESIDENT OF STATE WOMAN'S PRESS CLUB, WHO WILL BE CANDIDATE FOR RE-ELECTION.

ELECTION of officers is the subject of interest in a large majority of women's organizations this month. In a majority harmony prevails, but in a few there is bound to be a contest.

In the Portland Parent-Teacher Association the election will be held in the Library on Friday. It is expected that a contest will give interest to the event. "Politics" will be the cause of discussion.

The Woman's Guild of St. David's Parish will hold their regular monthly meeting in the parish-house Thursday at 2 P. M. The annual meeting will follow and the officers will be elected for the ensuing year. The Guild will give an entertainment the same day at 8 o'clock in the parish-house on East Morrison street at East Twelfth.

The Delphian Matrons' Club will meet this afternoon at the home of Mrs. K. R. Crandall, 427 East Couch street. The lesson on "Roman Culture" will be conducted by the president, Mrs. Kirkpatrick.

Out of respect to the memory of Mrs. Hugh Fitzpatrick, one of the vice-presidents of the Oregon Congress of Mothers and Parent-Teacher associations, died Sunday morning at the home of her daughter, Mrs. Ervin Lethy.

November of last year she came to America to collect a sum which, representing as it does, a far greater value in Ireland, will tide the work over at least until the end of the war.

The work conducted by the Marchioness of Aberdeen is known by the general name The Women's Health Association. It includes babies' clubs and infant welfare centers, where babies are given care and out-of-door treatment; visiting nursing service, holiday rest for the overworked, meals for school children, dental care, clean-up campaigns, and the hospitals for crippled children. In fact it includes practically all welfare work of any kind that is being done in Ireland.

Lady Aberdeen is well known in America and much of Europe by her association with other interests. For almost a quarter of a century she has been president of the International Council of Women, the largest organization of women in the world. She is president of the Women's National Health Association of Ireland, of the Irish Industries Association and the founder of the Victorian Order of nurses in Canada. She is author of a number of books both on welfare work and general subjects. A list of her work in Ireland and publications is "Through Canada With a Kodak."

Lady Aberdeen has raised her money for the support of the Irish welfare work almost entirely among the Americans of Irish descent. She was accompanied to America on her present trip by her husband, the Marquis of Aberdeen and Tormar, better known politically than any other man of Ireland. The proceeds of his lectures, as well as those of his wife, have gone to the welfare treasury. Five stations have been established in America, where contributions are received.

CHAMBER WILL NAME HEAD

New President to Be Elected at Meeting Tomorrow Night.

Election of officers for the Chamber of Commerce for the ensuing year will be made by the board of directors at their meeting tomorrow night.

No definite intimations have been made by any of the members of the board as to who the most likely candidate will be, although O. M. Clark, the present vice-president, has been perhaps the most persistently spoken of as a probable successor to C. C. Colt, who holds the chair at present.

Others who have been mentioned are F. T. Griffith, E. L. Thompson and W. F. Woodward. The two former have announced that they are not inclined to consider the office, who was its president, has moved to Tacoma.

Steps probably will be made to arrange for the election of three vice-presidents to the Chamber.

MRS. H. FITZGERALD DEAD

Vice-President of Oregon Congress of Mothers Widely Mourned.

Mrs. Hugh Fitzpatrick, vice-president of the Oregon Congress of Mothers and Parent-Teacher associations, died Sunday morning at the home of her daughter, Mrs. Ervin Lethy.

Heart trouble was the cause of Mrs. Fitzpatrick's death. She has been ill for a week. The funeral will take place today at 1 o'clock P. M. from the Finley chapel. Mrs. Fitzpatrick was beloved by all the women of the organization to which she had devoted several years of service. Flowers sent by the board of the congress were received by her just before she died. She spoke of them among her last words.

Beside Mrs. Lethy, another daughter, Mrs. A. G. Hall, of Spokane, Wash., survives.

SCHOOL HAS SMALL FIRE

Brooklyn Pupils File Out Thinking Alarm is Drill.

In orderly fire drill 275 pupils of the Brooklyn school marched from the school building yesterday morning when Principal T. J. Gary sounded the alarm. When safely outside the building the students realized that there was really a fire, for the fire companies were swarming into the building and sparks from a blue ignited the roof.

The fire was extinguished without difficulty, and the pupils marched back to their rooms and resumed work.

The blaze was discovered by a postman, who notified Principal Gary, at whose home in the Cedar Mills district the older pupils, turned in the alarm from box 259.

S. A. BAYBROOK IS DEAD

Prominent Farmer Living on Skyline Boulevard Mourned by Many.

Seymour A. Baybrook, aged 64, and resident of Portland for 32 years, died at Good Samaritan Hospital Sunday, following an operation. The body is at the undertaking establishment of Dunning & McEntee and the funeral will be held at the Cedar Mills Church at 10 o'clock today. Interment will be in Cedar Mills cemetery.

Mr. Baybrook was a farmer. His home was located on the Skyline boulevard northeast of the city. He is survived by his widow, a daughter, Esther, and a son, Harold. He had a wide acquaintance in Portland because of his long residence here and also throughout the Cedar Mills district.

FOUR SPEEDERS ARE FINED

Fishermen's Haste Nets City Treasury \$105.

Four motorists were arrested early Sunday morning on Milwaukee street by Motorcycle Patrolman Frank Ervin. Each was exceeding the speed limit in his haste to reach Oregon City and commence salmon fishing.

In Municipal Court yesterday morning they pleaded guilty to the charge of speeding. W. Farnu was fined \$20; R. V. Peterson, \$20, and G. Viviano, \$20. Judge Languth commanded that O. T. Littleton be shown the "meditation cell," where flagrant offenders are lodged. In addition to this warning he was fined \$25. His speed had been 35 miles per hour.

W. Davies, arrested by Patrolman Ervin for speeding, was fined \$20.

USE OF HALL IS GRANTED

Objections to Foreign War Veterans Are Withdrawn.

Upon the notification by Attorney Wilson T. Hume that all objections to the use of Veterans' Hall at the Court-house by the Veterans of Foreign Wars had been withdrawn, the County Commissioners yesterday reconsidered their recent refusal of the privilege, and the organization was allowed to meet there on Saturdays. Objections had been made to the association on the grounds that it was the result of a political instead of social purpose.

Bids for two motorcycles, totaling \$312, were accepted by the County Commissioners yesterday on the recommendation of Roadmaster Yeon. The machines will be used in the road department.

WOMEN WHO LEAD THE WAY

BY MARIE DILLE

Lady Aberdeen—The Foremost Welfare Worker of Ireland.

FOR several months American women have had the opportunity of observing the work of Lady Aberdeen, Marchioness of Aberdeen and Tormar, the greatest welfare worker in Ireland. During that time she has been touring America on behalf of the Women's National Health Association of Ireland. She has been lecturing on her work and endeavoring to collect \$50,000 for the support of the enterprise. She will return early in May with the sum complete.

Lady Aberdeen organized the first systematic child welfare campaign of Ireland, conducted on the same lines as the American Baby Week. She established tuberculosis sanitariums and stations where methods of prevention were taught. The movement was supported entirely by private contributions until the beginning of the war, when the people of Ireland no longer had money to spend in this way. In

part of May for the purpose of organizing a Summer campaign. Dr. E. A. Blakeley, who has been secretary of the society since its organization three years ago, has joined the British medical corps and gone to France, and Miss Marjorie Bosterman, who was its president, has moved to Tacoma.

Election of officers for the Chamber of Commerce for the ensuing year will be made by the board of directors at their meeting tomorrow night.

No definite intimations have been made by any of the members of the board as to who the most likely candidate will be, although O. M. Clark, the present vice-president, has been perhaps the most persistently spoken of as a probable successor to C. C. Colt, who holds the chair at present.

ARSON TRIAL IS BEGUN

Woman Faces Charge of Firing Insured Home.

Suspicious circumstances attending the fire in the home of Freda Leonard, 185 Fourteenth street, on May 19, last, led to an investigation and her subsequent indictment by the grand jury for alleged arson, and her trial on this charge opened yesterday before Circuit Judge Morrow. Deputy District Attorneys Collier and Hindman conducted the prosecution and Attorney Joseph Page the defense.

Evidence showed that when the firemen entered the house the night of the fire it had not much headway, but was burning briskly in two places. One fire was in a closet and the other at the far side of the room, with no apparent

AD CLUB TRIP LIMIT 200

Eugene Excursion Is Being Largely Subscribed by Members.

The limit of members in the excursion of Ad Clubbers who will go to Eugene Friday has been set at 200, and there are indications that the list may be oversubscribed before the middle of the week.

The excursion is open to men and women, and many of the members will take their wives and families along with them on the trip.

Two years ago the excursion train to

Corvallis was crowded when the Admen visited Oregon Agricultural College, and this year on the trip to the state university at Eugene it looks as though an even better response is to be secured.

Both the Eugene Chamber of Commerce and the University will participate in the entertainment of the visitors from Portland.
