L. R. Alderman will talk on "Preparedness for Efficiency in the Coming Generation." Dr. Robert C. Coffey will discuss "The Effect of the Elimination of Alcohol on the Medical Profession." Mrs. Jennie Kemp is to speak on the "Value of Co-operation of Clubs With the W. C. T. U." "Safety for Citizenship" by Mrs. Ada Wallace Unruh is the topic. Mrs. Lee Davenport will preside.

A call has been sent out by the presidents of the state federations of Oregon, Washington and Idaho, urging a strong representation at the General Federation biennial convention in New York City, May 25 to June 1. To accommodate the Northwestern women a special train will leave here on May 17. As there will be lavish entertaining and many delightful trips for the pleasure of visitors, this will be an exceptionally fine opportunity for clubwomen to visit the East.

The Woman's Foreign Missionary Society of Sunnyside Methodist Church will meet today at 2 o'clock with Mrs. J. G. Handley, 787 East Salmon street.

MINNVILLE, Or., May 4.—(Special.)—The Civic Improvement Club, of Minnville, entertained elaborately today for the 10 women's clubs of Yamhill County. A luncheon was served to 128 guests. Mrs. F. H. Buchanan, president of the hostess club, gave Mrs. William Galloway, the first president, the seat of honor as toastmaster. Addresses were made by honored guests, among whom were Mrs. J. W. Sadler, of Aurora; Mrs. F. H. Buchanan, of Astoria; Mrs. J. W. Tift, of Portland. Music was an added attraction.

Mrs. Sadler entertained several friends on a motor trip from Butte, near her country place, to Minnville.

Terwilliger Parent-Teacher Association elected as officers yesterday: President, Mrs. Theodore E. Anderson; vice-president, Mrs. N. W. Lawler; secretary, Miss Margaret Murray; treasurer, Mrs. Howard Belding.

Miss Jessie Millard will speak this afternoon in a motor trip from Butte, near her country place, to Minnville. Her subject will be "Books for Children." The lecture is free, and all mothers are invited.

The Association of Collegiate Alumnae will meet tomorrow in Portland Heights Clubhouse. Election of officers will be held.

Mrs. T. T. Gear will entertain the members of the Keramic Club at her home on Wednesday.

Mrs. John Van Zante, treasurer of the Portland Woman's Club, left for Pella, Ia., yesterday. She was called East by the death of her father.

Letters from Southern Oregon tell of the successful conference held in Ashland under the auspices of the Oregon Congress of Mothers. Five members of the state board were present. They included Mrs. W. W. Usher, of Ashland; Mrs. E. E. Seely, Medford; Mrs. Charles Hancock, Jacksonville; Mrs. Peter Nor-Medford, and Mrs. George W. McMath, of Portland, president of the congress. Mrs. C. B. Lankin, president of the Ashland city federation, entertained Mrs. McMath as her guest.

Mrs. W. W. Canby, president of the Grants Pass Parent-Teacher Association and ex-national president of the Kappa Kappa Gamma sorority, was elected president of the Southern Oregon Federation, succeeding Miss Marion Towne.

Fancy, in Southern Oregon they have city and district federations just like other states do, but Portland has no city federation.

In Ashland those who attended the conference and the Southern Federation convention enjoyed the beauties of the wonderful park there. One of the women who visited it writes, "Really, it is simply wonderful and the Lithia water is great. The whole world should know about Oregon's resources and attractions."

Officers of the State Woman's Press Club elected on Wednesday night follow:

President, Mrs. Martha Pullman French; vice-president, Mrs. Helen L. Tamblin; corresponding secretary, Mrs. Collista M. Dowling; recording secretary, Mrs. Youmans; treasurer, Mrs. Frances Gotshall.

This is the all-essential day for the election of officers of the Portland Parent-Teacher Council. The election will take place at 4 o'clock so that the teachers who are members may attend. One of the questions on which the

WOMEN WHO LEAD THE WAY

By MARIE DILLE.

Elizabeth Elliott Poe—General Secretary of the Navy League.

THE first body of women ever organized for the purpose of promoting peace through preparedness is the women's section of the Navy League of America. The society is the largest body of women in America. It includes the greater number of women associated with the General Federation of Women's Clubs, women from churches of all denominations and women who have no other affiliations at all. Women of all nationalities are interested in the Navy League.

Of this body of women Elizabeth Elliott Poe is general secretary and prime worker. She guides the work of the state secretaries all over the Nation and suggests the methods to be employed in developing the work by city secretaries and their committees. The object of the league is to give support to any movement towards a greater and more efficient Navy. The league was founded in July 1915, with Mrs. Poe and a few other interested workers. Twenty thousand pledges were printed and mailed to the influential women for the country to test the sentiment. The paper slips pledge the signers to talk and think patriotism and sufficient National defense to keep the horrors of war from America's shores forever.

Practically the whole 20,000 pledges returned and more were immediately sent out. In six months almost a million women allied themselves with the league and the number is still increasing at a tremendous rate. The rolls include women from California and New York; bakers' wives and wives of day laborers.

The league asks no dues of its members but the women of each district are expected to demand support of defense legislation of the Congressman of that district.

Elizabeth Poe has planned a series of contests which have been and will be held in connection with the work of the league to arouse greater interest in it. The first was a prize of \$100 for the best scenario which might be used in the connection with the great National pageant setting forth the necessity of preparedness. Another contest was the writing of a 250-word creed of National defense.

A National defense day has been announced for December 6 of each year to keep alive the spirit of patriotism and the tremendous work of the present efforts. About 1000 presidents of women's clubs have been notified of the plans for these celebrations and suggestions have been made for the observance of the day. The date has been chosen because of the opening of Congress at that time.

The first National defense day was observed last year in Washington with rallies and addresses. A resolution was passed calling upon Congress to provide for National defense and assuring individual Congressman support if he voted for the legislation. The day was observed outside of Washington by thousands of canvasses for Navy League members. The observance of the day hereafter will likely be somewhat different.

MOTHERS' DAY IS MAY 14

Portland Churches Plan to Hold Special Observance.

Mother's day will be celebrated in all the Portland churches on May 14. In connection with the observance of the day, Dr. T. W. Lane, president of the Portland Ministerial Association, has asked all the pastors to give the evening service over to the general topic, "Better Homes and Home Life." The special attention of the clergy is called by Dr. Lane to the home topic to give the churches an opportunity to co-operate with those who are interested in the "thrift" campaign, "Better Homes and Home Life" is the subject assigned to the churches.
